The sales principles that I will share when applied correctly will give you the power to change your sales career and financial future forever. The strategies I will share with you in this book will increase your opportunities of achieving more easily closed sales. The book will show you that we as sales professionals need to get out of the way of making the sale by following the correct sales sequence. Highlights: The name of the game is selling not closing. There are no new words in sales. The magic of selling is on the sequence. Telling is not selling. Selling is influencing.
