Secrets Of The Sideshows:

Secrets of the Sideshows Joe Nickell, 2005-09-09 The carnival sideshows of the past have left behind a fascinating legacy of mystery and intrigue The secrets behind such daring feats as fire eating and sword swallowing and bizarre exhibitions of human oddities as Alligator Boys and Gorilla Girls still remain only grudgingly if ever given up by performers and carnival professionals Working alongside the performers Joe Nickell blows the lid off these mysteries of the midway The author reveals the structure of the shows specific methods behind the performances and the showmen's tactics for recruiting performers and attracting crowds He also traces the history of such spectacles from ancient Egyptian magic and street fairs to the golden age of P T Barnum's sideshows With revealing insight into the personal lives of the men and women billed as freaks Nickell unfolds the captivating story of the midway show

Secrets of the Sideshows Joe Nickell, 2005-09-09 Joe Nickell once a carnival pitchman then a magician private detective and investigative writer has pursued sideshow secrets for years and has worked the famous carnival midway at the Canadian National Exhibition For this book he interviewed showmen and performers collected carnival memorabilia researched published accounts of sideshows and their lore and even performed some classic sideshow feats such as eating fire and lying on a bed of nails as a cinderblock was broken on his chest The result of these varied efforts *Secrets of the Sideshows* tells the captivating story of the magic tricks real or illusory and performers of the world's midway shows

BOOK JACKET

Nobody's Fool Bill Griffith, 2019-03-19 A graphic biography of the real life sideshow performer who inspired Zippy the Pinhead An uplifting wonderfully humane book The New York Times From Coney Island and the Ringling Bros Circus to small town carnivals and big city sideshows *Nobody's Fool* follows the long legendary career of Schlitzie today best known for his appearance in the cult classic film *Freaks* the making of which is a centerpiece of the story In researching Schlitzie's life Griffith has tracked down primary sources and archives throughout the country conducting interviews with those who worked with him and had intimate knowledge of his personality his likes and dislikes how he responded to being a sideshow freak and much more This graphic biography provides never before revealed details of his life offering a unique look into his world and contributions to popular culture including the immortal phrase Are we having fun yet Virtuoso comic strip artist Bill Griffith gives voice to a true outcast the sideshow attraction born Simon Metz probably in the Bronx probably in 1901 The New York Times The underlying message of *Nobody's Fool* I get it underneath our grandiose opinions of ourselves we're all pinheads and freaks The best graphic novel of the year R Crumb A captivating labor of love that integrates American sideshow history and autobiographical segments an astonishing life beautifully told Or as Schlitzie would say it's boffo

Booklist starred review A masterpiece of absurdity and humanity After all these years Schlitzie still triggers laughter and tears Steve Heller Print

Freak Show Legacies Gary S. Cross, 2021-05-06 Society has long been fascinated with the freakish shocking and strange In this book Gary Cross shows how freakish elements have been embedded in modern popular culture over the course of the 20th century despite the evident

disenchantment with this once widespread cultural outlet Exploring how the spectacle of freakishness conflicted with genteel culture he shows how the condemnation of the freak show by middle class America led to a transformation and merging of genteel and freak culture through the cute the camp and the creepy Though the carnival and circus freak was marginalised by the 1960s and had largely disappeared by the 1980s forms of freakish culture survived and today appear in reality TV horror movies dark comedies and the popularity of tattoos Freak Show Legacies will focus less on the individual freak as the other in society and more on the audience for the freakish and the transformation of wonder sensibility and sensitivity that this phenomenon entailed It will use the phenomenon of the freak to understand the transformation of American popular culture across the 20th century identify elements of the freak in popular culture both past and present and ask how it has prevailed despite its apparent unpopularity *The Wonders* John Woolf,2019 The untold story of the Victorian freak show and circus and the remarkable cast of characters who performed in them **Coney Island** William J. Phalen,2016-07-19 Before the Civil War Coney Island boasted a beach a dozen small hotels with ramshackle bathhouses some chowder stands and a few saloons After the war it was taken over by powerful individuals who made its 0.7 square miles a domain of the wealthy By 1905 with the population of New York City at four million the city's amusement park builders designed an entertainment wonderland on the island that even the poor could enjoy creating a nickel empire where visitors paid five cents for the subway five cents for a Nathan's hot dog and five cents for a ride In 1910 Coney Island saw 20 million visitors more than Disneyland and Disney World combined could claim 70 years later adjusted for population growth Through the decades the island has seen changes of fortune floods and fires cycles of decay and rehabilitation Yet the ultimate power on the island was and is the government of the city of New York which for good or ill has made Coney Island what it is today

Hey Presto! Hugh Ormsby-Lennon,2011 In *Hey Presto* Swift and the Quacks Hugh Ormsby Lennon reveals how medicine shows both ancient and modern galvanized Jonathan Swift's imagination and inspired his wittiest satiric voices Swift dubbed these multifaceted traveling entertainments his Stage itinerant or Mountebank's Stage In the course of arguing that the stage itinerant formed an irresistible model for *A Tale of a Tub* Ormsby Lennon also surmises that the mountebank's stage will disclose that missing link long sought that connects the dual objects of Swift's ire gross corruptions in both Religion and Learning *Circus World* Andrea Ringer,2024-07-09 From the 1870s to the 1960s circuses crisscrossed the nation providing entertainment A unique workforce of human and animal laborers from around the world put on the show They also formed the backbone of a tented entertainment industry that raised new questions about what constituted work and who counted as a worker Andrea Ringer examines the industry wide circus world the collection of shows that traveled by rail wagon steamboat and car and the traditional and nontraditional laborers who created it Performers and their onstage labor played an integral part in the popularity of the circus But behind the scenes other laborers performed the endless menial tasks that kept the show on the road Circus operators regulated employee behavior both inside and outside the tent

even as the employees themselves blurred the line between leisure and labor until in all parts of the show the workers could not escape their work Illuminating and vivid Circus World delves into the gender class and even species concerns within an extinct way of life *Beyond Bizarre* Varla Ventura,2020-04-17 The author of *The Book of the Bizarre* returns with a new compendium of freaky facts terrifying trivia and true stories that are stranger than fiction In *Beyond Bizarre* Varla Ventura presents an all new batch of nightmarish tales that teem queasy diseases and paranormal encounters not to mention the outrageous outlandish and the simply strange Arranged into thirteen chilling chapters like *Haunted Hollywood Tales* from the *Cryptids* *Bride of the Bizarre* and *It s Enough to Make You Hurl* *Beyond Bizarre* tackles everything from female pirates and creepy candy strippers to psychic predictions virgin shark births and much much more A word of warning this book is not for the faint of heart

Adventures in Paranormal Investigation Joe Nickell,2014-04-23 Tales of alien abductions miraculous relics and haunted castles have attracted believers and skeptics across the globe for centuries Paranormal investigator Joe Nickell tackles the world s most seemingly inexplicable myths in *Adventures in Paranormal Investigation* With four decades of experience in the field Nickell employs skepticism and scientific analysis to pull truth from the mires of false evidence and trickery that surround both old and new legends and mysteries Unlike authors who engage in hype and sensationalism in order to foster or debunk myths Nickell approaches each case with a rational and scientific approach intended to find the truth Occam s Razor all things being equal the simplest solution is the best one is a principal instrument in his investigative toolbox as well as the belief that it is the claimant s responsibility to provide the extraordinary proof required in such extraordinary cases *Adventures in Paranormal Investigation* features Nickell s on site explorations in unusual phenomena Among the forty unique cases Nickell examines mysteries ranging from snake charmers who purport to hold influence over the reptiles to the Holocaust victims who reportedly haunt a gas chamber in Dachau to Lake Simcoe s resident lake monster Igopogo in Canada In addition to the case studies Nickell analyzes how the propensity to fantasize can affect human perceptions of and belief in paranormal activity and how his personal experience with the paranormal was altered when intuition led to the discovery of a daughter he didn t know existed More than just another myth busting text *Adventures in Paranormal Investigation* brings together reason and scientific analyses to explain both the phenomena and the role of human perception therein establishing Nickell as the foremost paranormal investigator of our time *Canadian Carnival Freaks and the Extraordinary Body, 1900-1970s* Jane Nicholas,2018-05-04 In 1973 a five year old girl known as Pookie was exhibited as The Monkey Girl at the Canadian National Exhibition Pookie was the last of a number of children exhibited as freaks in twentieth century Canada Jane Nicholas takes us on a search for answers about how and why the freak show persisted into the 1970s In *Canadian Carnival Freaks and the Extraordinary Body 1900 1970s* Nicholas offers a sophisticated analysis of the place of the freak show in twentieth century culture Freak shows survived and thrived because of their flexible business model government support and by mobilizing cultural and medical ideas of the body and normalcy

This book is the first full length study of the freak show in Canada and is a significant contribution to our understanding of the history of Canadian popular culture attitudes toward children and the social construction of able bodiness Based on an impressive research foundation the book will be of particular interest to anyone interested in the history of disability the history of childhood and the history of consumer culture Attack of the Killer Facts! Secrets Of The Sideshows Introduction

In today's digital age, the availability of Secrets Of The Sideshows books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Secrets Of The Sideshows books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Secrets Of The Sideshows books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Secrets Of The Sideshows versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Secrets Of The Sideshows books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Secrets Of The Sideshows books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Secrets Of The Sideshows books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions

have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Secrets Of The Sideshows books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals.
