## **Security Of Third World Countries Unidir S:**

Security of Third World Countries Jasjit Singh, Thomas Bernauer, 1993 This study focuses on security in Third World countries and has been written primarily by experts from the developing world This is an important book for instructors and advanced students of international politics international security and world disarmament as well as those who specialize in the study of the Third World      **India's National Security Dilemma** Rajpal Budania, 2001      Arms Transfer Limitations and Third World Security Thomas Ohlson, 1988 Is the arms trade totally uncontrolled What are the main obstacles to limitations on arms transfers What can be learned from past attempts at arms transfer control This book which completes SIPRI's trilogy on the facts and implications of Third World build up of major conventional weapons assesses past efforts current proposals and future possibilities to limit the transfer of weapons and military technology to Third World countries It is a companion to the two SIPRI volumes Arms Production in the Third World 1986 and Arms Transfers to the Third World 1971 85 OUP 1987      **The EU, the UN and Collective Security** Joachim Krause, Natalino Ronzitti, 2012-07-26 This book examines the effectiveness of multilateralism in ensuring collective security and in particular the EU's role in this process In 1992 shortly after the end of the Cold War a Security Council Summit in New York reaffirmed the salience of the system of collective security and stated the determination of the Heads of State to maintain it as the prime international instrument for preserving peace Twenty years later however the record of collective security as well as of multilateralism has not been very encouraging The system of collective security as enshrined in the United Nations UN Charter failed repeatedly to accomplish its mandate in the 1990s and has led to controversial debates in the United States and Europe that reached a climax during the Iraq crisis in 2002 03 The volume draws upon both theoretical and empirical research to answer the following core questions What are the reasons that have made multilateralism either effective or ineffective in the field of peacekeeping peace preservation and peacebuilding How can multilateralism be made more effective How can attempts made by Europe to render UN multilateralism in the security area more efficient be assessed This book will be of much interest to students of peacebuilding peacekeeping EU policy the UN security studies and IR in general      **Regional Security in the Middle East** Pinar Bilgin, 2004-09-09 This is an accessible yet critical analysis of regional security in the Middle East Using a non realist approach Bilgin provides a comprehensive study of the past present and future of security in the region She also considers the question of identity formation explaining how and why various regional representations came into being and exploring  
    **The Economics of International Security** Manas Chatterji, Henk Jager, Annemarie Rima, 2016-07-27 The objective of this book is to present an integrated set of original papers from leading authorities in the field related to optimal balance between arms reduction and regional and international security The emphasis is on economics and management rather than politics and diplomacy      *Regional Security in the Middle East* ,      *The Economics of Regional Security* Jürgen Brauer, Keith Hartley, 2013-03-07 This important book explores the threats and challenges to regional security for Nato in the

Mediterranean and in the sub Saharan countries namely southern Africa Written and edited by leading researchers the volume s significance lies in its demonstration of how concepts from economics and other social science disciplines can be applied to important issues of defence conflict and peace at the regional level **Energy in the Caspian Region** Y. Kalyuzhnova,A. Jaffe,D. Lynch,R. Sickles,2001-12-17 The energy reserves of the Caspian Region have been hailed as the new Middle East This book offers a thorough assessment of its energy resources and the nature of the international politics that surround them This volume presents a unique study of the various dimensions of Caspian energy ranging from the geopolitical to the economic technical religious and political International Relations in India: Theorising the region and nation Kanti P. Bajpai,Siddharth Mallavarapu,2005 The Companion Volume To International Relations In India Bringing Theory Back Home Deals With The Interplay Between Identities And Foreign Policy Borders And Notions Of Territoriality And Critical Geopolitics The Book Also Makes Room For New Interpretations Of Conventional Areas Of International Relations Such As Power And Violence Thereby Creating The Conditions For A Sustained And Serious Theoretical Conversation Of The Discipline In India Of Particular Relevance Are Contributions In The Field Of International Political Economy An Area Of Traditional Neglect In The South Asian Setting The Euro-Asian World Y. Kalyuzhnova,D. Lynch,2000-03-31 This text establishes the concept of Euro Asia as the means to discuss the European and Asian countries that are undergoing post Cold War transformation Elements of the transitional changes covered include conflicts and peacekeeping geopolitical issues and economic realities **Earth at Risk in the 21st Century: Rethinking Peace, Environment, Gender, and Human, Water, Health, Food, Energy Security, and Migration** Úrsula Oswald Spring,2020-04-03 Earth at Risk in the 21st Century offers critical interdisciplinary reflections on peace security gender relations migration and the environment all of which are threatened by climate change with women and children affected most Deep rooted gender discrimination is also a result of the destructive exploitation of natural resources and the pollution of soils water biota and air In the Anthropocene the management of human society and global resources has become unsustainable and has created multiple conflicts by increasing survival threats primarily for poor people in the Global South Alternative approaches to peace and security focusing from bottom up on an engendered peace with sustainability may help society and the environment to be managed in the highly fragile natural conditions of a hothouse Earth Thus the book explores systemic alternatives based on indigenous wisdom gift economy and the economy of solidarity in which an alternative cosmovision fosters mutual care between humankind and nature Special analysis of risks to the survival of humankind in the 21st century Interdisciplinary studies on peace security gender and environment related to global environmental and climate change Critical reflections on gender relations peace security migration and the environment Systematic analysis of food water health energy security and its nexus Alternative proposals from the Global South with indigenous wisdom for saving Mother Earth **A Concise Encyclopedia of the United Nations** Helmut

sacred cows frequently encountered in international fora and thinking on economic aspects of disarmament The long debated link between disarmament and development for example is critically examined Similarly the very idea that disarmament would yield automatic returns the famous peace dividend is called into question At the same time conversion also has its cost For the purpose of the research which led to this publication United Nations Institute for Disarmament Research UNIDIR with the co operation of International Defence Economics Association IDEA assembled a group of well known economists diplomats and researchers

West Africa's Trouble Spots and the Imperative for Peace-Building Osita Agbu, 2007-10-15 This monograph highlights the necessity for taking preventive measures in the form of peace building as a sustainable and long term solution to conflicts in West Africa with a special focus on the Mano River Union countries Apart from the Mano River Union countries efforts at resolving other conflicts in say Guinea Bissau Senegal Cote d'Ivoire and Nigeria have suffered from a lack of attention on the post conflict imperatives of building peace in order to ensure that sustainable peace is achieved Given the often intractable and inter related nature of conflicts in this region it argues for the need to revisit the existing mechanisms of conflict resolution in the sub region with a view to canvassing a stronger case for stakeholders towards adopting the peace building strategy as a more practical and sustainable way of avoiding wars in the sub region Peace building in consonance with its infrastructure is a more sustainable approach to ensuring regional peace and stability and therefore ensuring development for the peoples of West Africa Dr Osita Agbu is currently a Senior Research Fellow at the Nigerian Institute of International Affairs Lagos His areas of specialization include Peace and Conflict studies Governance and Democratization and Technology and Development He was until recently a Visiting Research Fellow at the Institute of Developing Economies Chiba Japan
