Anthony Malagon, Abi Doukhan, 2019-06-27 Traditional philosophizing has generally depended upon reason as its primary access to truth Subjective experiences such as feelings the passions and emotions have typically been viewed as secondary to reason untrustworthy or both The Religious Existentialists and the Redemption of Feeling revisits how the movement of existentialism via the religious existentialists has contributed to a rethinking of the role of subjective experience in contrast to the rationalist and idealist traditions thus reframing the importance of feelings in general for the philosophical enterprise as a whole Through the considerations of a variety of thinkers this collection provides a fresh look at the contributions of twentieth century existentialists thereby re contextualizing the very notion of existentialism offering a powerful and genuine re evaluation of the significance of subjectivity and underscoring the continued relevance of the religious existentialists

[The Lion Codes](#) James Phillips, 2010-04-12 There is no available information at this time [Serenity And all kinds of Wonderful](#) Zara Borthwick, Nicholas Arnold, 2016-06-24 Frequently Asked Questions about the Divine Love experience and our own soul and spirit guides There are many questions asked about a Divine Love experience how to receive the Divine Love and how one can physically feel the Divine Love Many of us have been introduced to the Divine Love by the form of spirit communication and this work follows this introduction This book is a perfect book for beginnings involving Divine Love and spirit guides **Kierkegaard as Phenomenologist** Jeffrey Hanson, 2010-11-30 Jeffrey Hanson is an adjunct assistant professor of philosophy at Boston College Book Jacket **Law of Oneness** Jessy Salamone, 2017-05-01 Law of Oneness is the program the ancients have intended for us to use for millennia It s a way of looking at reality to the way things work in our universe not how things are played out on our current delusion The ancients have wanted us all to unlock our potential to grow in consciousness The Law of Oneness tells us how reality works in all our perception to recognize and break free from all our own potentials and activate our bliss to the reality of oneness The one reality that has the power to undermine all

other realities From behind bars to beyond the stars that s how far Jessy Salamone had to go in his personal growth and spiritual awakening to make the true nature of reality understandable for us all With Law of Oneness which he started writing while serving time for drug related offenses Jessy succeeds in turning a complicated topic into a narrative that is reader friendly and engaging As he explains it the Law of Oneness is a universal formula or equation that works in all things and is the ultimate master key to take us to Source The components of that formula include transcending society programmed thinking overcoming insecurities that cause low self esteem freeing ourselves from the limits of ego finding the courage to go forward despite fear or disapproval identifying our purpose in life and recognizing that love is the glue holding everything together Of course there s much much more in Law of Oneness to experience and enjoy I recommend you give it a read Under its influence your friends your family and ultimately your higher self will thank you David L Gaskill editor reviewer

Answering the Hard Questions Robert R. Hill,2022-11-03 No question should be off limits if it is asked with the intent of seeking truth But many Christians do not know how to answer some of the hard questions about the Bible and the Christian faith Could you answer these questions What would you do if you were asked one of these questions from an unsaved friend What would you do if your children asked you one of these questions 1 If God is real then why doesn t he show himself 2 If God is real then why does he allow suffering and evil to continue 3 How can God be real when secular science shows that everything has an explanation without God 4 If God is a merciful kind and forgiving God then why did he order the slaughter of whole people groups including men women children and their animals too 5 Why would a loving God send anyone to an eternal hell 6 How can God be real since the Bible says God is love but commands the barbaric death of innocent animals in the Old Testament and Jesus says to eat his body and drink his blood And there are other weird things in the Bible too 7 How can God be real since we don t see a difference between people who call themselves Christians and the rest of the world This series is designed to equip Christians to answer these types of hard questions in defending the Bible and the Christian faith We must be able to respond to these types of questions or else we will not be confident in our faith and therefore we will be weak in witnessing I want you to be able to answer these questions quickly and confidently to be an effective and passionate ambassador for Christ Lord Rochester in the Restoration World Matthew C. Augustine,Steven N. Zwicker,2015-04-23 Essays by leading scholars explore the work life and times of the notorious libertine poet John Wilmot Earl of Rochester

Peacing the World Together FRANK JAMES UNGER,2007-11-14 A small refrigerator magnet has adorned our kitchen for more years than I can remember It bears the image of a dove with the words Let there be peace at least between you and me The three square inches it has displaced is opposite in proportion to its magnitude in the lives of family and friends It is a mantra a goal a challenge Because for so many peace does not come easily or naturally Archeological evidence substantiates human irascibility Indeed Homo sapiens were endowed with tendencies toward turbulence Bones shattered by instruments of humanoids are not uncommon to ancient skeletons Written documents confirm the same Cain and Able David and Goliath dozens of bloody wars and holocausts are recorded in biblical and pre biblical documents that manifest mankind's snarling crotchety predisposition to conflict and violence Discouraged by that disturbing legacy we recognize exceptions Though peace is an intentional accord it is made easier for some who luckily avoid the ancestral consequence of contentiousness Through genetic good fortune they are endowed with intrinsic tranquility and a special quiet devoid of malevolence Gladly they accept the gift of unsolicited good genes Acknowledging a quarrelsome nature then we embark on this journey of peace the road made smoother through relevant prayer prose and poetry Each step is an encounter with a peace borne naturally or achieved the hard way In either case the following pages are channels of peace at least between you and me And so we reach out together striving to influence families and cities states and nations peacefully After all the leaders of mighty and minute countries alike agree that the key to peace between all lands is that it begins within individual hearts homes and families For only then can it infect every place on a precious earth we will someday call peaceful Of all the arboreal wonders on earth none is more amazingly self propagating than Ficus Benghalensis the banyan tree A massive improbable sight to behold the banyan puts down feelers from its branches the feelers grow into the ground and become roots and the new roots pump sap up and act as support struts for the tree In this way the tree grows outward Equally as amazing banyans count their days in hundreds of years as they create the widest natural canopies in the world A single tree can provide shade for an entire village It is said that Alexander the Great camped with an army of 7 000 soldiers under the shade of one banyan In more recent years an imposing banyan tree has spread its arms and roots over one full acre of land in the city of Fort Myers Florida Its notoriety and location are the result of a friendship between two of Americas early business pioneers men who were close personal friends The time was 1925 One of the men visited the county of Andhra Pradesh in India and came upon the largest banyan tree in the world having since reached 570 years in age and covering the breath of 14 acres with 1 650 roots At the time of his visit the entrepreneur had a vested interest in the tree suspecting it might prove valuable as a source of natural rubber He brought a seedling back to his friend who had a Winter residence in Fort Myers The friend was delighted with the gift and planted it on his estate It grew well and still delights guests Harvey Firestone was the purveyor of the seedling His friend Thomas Edison was the recipient To this day seedlings of Edisons great

McClymond,1998-08-20 This book offers a broad based study of Jonathan Edwards as a religious thinker Much attention has been given to Edwards in relation to his Puritan and Calvinist forebears McClymond however examines Edwards in relation to his eighteenth century intellectual context In each of six chapters he contextualizes and interprets some text or issue in Edwards within the emergent post Lockean post Newtonian culture of the English speaking world of the 1700s Among the topics considered are spiritual perception metaphysics contemplation ethics and morality and apologetics The Influential Leader John Edmund Haggai,2009-07-01 I believe in John Edmund Haggai and am thrilled with the tremendous results I ve seen in the lives of leaders Chuck Colson Bestselling author founder of Prison Fellowship *The Influential Leader* is a powerful book on leadership from a visionary who has trained more than 60 000 people in 177 countries through the Haggai Institute While other books on leadership focus on methods which unfortunately must keep changing as time goes on this book focuses on characteristics that are at the core of successful leadership and will endure no matter how times change Haggai s call to strong leadership looks at 12 characteristics for aspiring leaders including humility communication vision goalsetting self control opportunity staying power authority Readers will learn how they can become leaders who influence people inspire results and accomplish great things for God **Thinking with Kierkegaard** Arne Grøn,2022-12-31 Arne Grøn s reading of Søren Kierkegaard s authorship revolves around existential challenges of human identity The 35 essays that constitute this book are written over three decades and are characterized by combining careful attention to the augmentative detail of Kierkegaard s text with a constant focus on issues in contemporary philosophy Contrary to many approaches to Kierkegaard s authorship Grøn does not

read Kierkegaard in opposition to Hegel The work of the Danish thinker is read as a critical development of Hegelian phenomenology with particular attention to existential aspects of human experience Anxiety and despair are the primary existential phenomena that Kierkegaard examines throughout his authorship and Gr n uses these negative phenomena to argue for the basically ethical aim of Kierkegaard s work In Gr n s reading Kierkegaard conceives human selfhood not merely as relational but also a process of becoming the self that one is through the otherness of self experience that is the body the world other people and God This book should be of interest to philosophers theologians literary studies scholars and anyone with an interest not only in Kierkegaard but also in human identity **The Diffident Naturalist** Rose-Mary

Sargent,1995-02 Featuring a figure of early modern science this text explores Robert Boyle s philosophy of experiment a central aspect of his life and work Philosophical legal experimental and religious traditions that played a part in shaping Boyle s experimental thought and practice are examined *Practical Theology* Peter Kreeft,2014-10-17 Saint Thomas

Aquinas has been admired throughout the ages for his philosophical brilliance and his theological sanity but author and professor Peter Kreeft thinks the practical spiritual wisdom of Aquinas is just as amazing In this book Kreeft brings together 358 useful everyday insights from Aquinas masterpiece the Summa Theologiae He pairs these easily digestible quotes from the Summa with his own delightfully written commentary in order to answer the kinds of questions real people ask their spiritual directors These 358 passages from the Summa have helped Kreeft in his own struggles to grow closer to the Lord His practical personal and livable advice is the fruit of his labors to apply the insights of Aquinas to his own quest for sanctity happiness and union with God *Print, Visuality, and Gender in Eighteenth-century Satire* Katherine Mannheimer,2011 This study interprets eighteenth century satire s famous typographical obsession as a fraught response to the Enlightenment s ocularcentric epistemological paradigms and to a print cultural moment identified by book historians as increasingly visual As the first to pay widespread attention to format layout and visual advertising strategies The Augustans were convinced of the ability of their texts to function as a kind of optical machinery rivaling that of the New Science enhancing readers physical and moral vision while at the same time they feared the dangers of an overly scrutinizing gaze as one that might undermine the viewer s natural faculty for candor sympathy delight and desire Mannheimer studies this distrust of the empirical gaze and its applications in print to the inherent gender politics and broader ethical concerns of ocularcentrism in the works of Montagu Swift Pope and Fielding These writers sought to ensure that print itself never became either a mere tool of or an inert object for the gaze but rather that it remained a dynamic and interactive medium by which readers could learn both to see and to see themselves seeing
