See You When We Get There:

See You when We Get There Gregory Michie, 2005 Gregory Michie's first bestseller *Holler If You Hear Me* put him on the map as a compelling and passionate voice in urban education. In his new book Michie turns his attention to young teachers of colour and once again provides readers with a unique and penetrating look inside public school classrooms. Featuring portraits of five young teachers: two African Americans, two Latinas and one Asian American who are working for change, Michie weaves the teachers' powerful voices with classroom vignettes and his own experiences. Along the way he examines what motivates and sustains these teachers as well as what they see as the challenges and possibilities of public education. In these times of national standards, high stakes accountability and calls for reforming teacher education and preparation, *See You When We Get There* is essential reading. Why choose between naughty or nice in this steamy suspenseful Christmas-themed stalker romance that's perfect for dark romance readers seeking a spicy festive read? It's the night before Christmas and I'm alone in the house. Popular jewelry influencer Chloe Hallman is steeling herself to spend another holiday on her own. Instead, she finds herself drawn to two different guys: a smoldering hot fan of her secret seductive online persona and a sexy fireman named Jack who looks out for her in their NYC neighborhood. She has no idea that I know her better than she knows herself. Her deepest secrets, her darkest desires, she's careful but I've been watching, never leaving footprints in the snow outside her home. Jack was the first responder to the accident that stole a beautiful young woman's family two Christmases ago and he's been quietly guarding her ever since. When Jack uncovers Chloe's secret account, his obsession only grows. Both he and Chloe are drawn to the darkness that mirrors their own. She's my Christmas wish come true. And I'm hers. She just doesn't know it yet. Will Chloe's Christmas be a tale of fiery passion or a dangerous game with a man whose love knows no bounds? **TROPES** Stalker romance. Acquainted in real life.
