The Seed of the Church in China Muriel Boone,1973 The Registered Church in China Wayne Ten Harmsel,2021-03-09 In The Registered Church in China Wayne Ten Harmsel pulls back for Western readers the shroud of mystery surrounding Chinese registered churches Through interviews with Chinese pastors evangelists and lay Christians he provides a rare view of what it means to live in the shadow of both the government and the well known house churches Registered churches have received criticism from both of these sources as well as from many churches in other countries particularly the United States Ten Harmsel examines the charges leveled against registered churches and presents a balanced picture of the complexity of the church situation in China Such complexity arises for instance in the registered churches struggle to respond to new religious regulations and the controversy over Sinicization China has become a major center of twenty first century Christianity and despite how little is known about registered churches in the West these congregations play a significant role in shaping Chinese Christianity today **China's Millions** ,1880 *Seeds of Promise* Allan Starling,1981 *The Chinese Recorder and Missionary Journal* ,1875 **The Collected Works of Witness Lee, 1956, volume 2** Witness Lee, The Collected Works of Witness Lee 1956 volume 2 contains messages given by Brother Witness Lee mainly in April 1956 Historical information concerning Brother Lee s travels and the content of his ministry in 1956 can be found in the general preface that appears at the beginning of volume 1 in this set The contents of this volume are divided into four sections as follows 1 Four messages published in The Ministry of the Word in 1956 These messages are included in this volume under the title The Ministry of the Word Miscellaneous Messages 1956 Chapter 1 was previously published in a booklet entitled A God Who Hides Himself An unabridged version of this message is included in volume 3 of this set as chapter 1 of the section entitled A God Who Hides Himself 2 Seventeen messages given in Taipei Taiwan in April These messages were previously published in a book entitled Three Aspects of the Church Book 1 The Meaning of the Church and are included in this volume under the same title 3 Nineteen messages given in Taipei Taiwan in April These messages were previously published in a book entitled Three Aspects of the Church Book 2 The Course of the Church and are included in this volume under the same title 4 Eighteen messages given in Taipei Taiwan in April These messages were previously published in a book entitled Three Aspects of the Church Book 3 The Organization of the Church and are included in this volume under the same title **China's Catholics in an Era of Transformation** Anthony E. Clark,2020-07-13 This book features a collection of essays on China s modern Catholic Church by a scholar of China West intellectual and religious exchange The essays and reflections were mostly written in China while the author was traveling by train or staying in villages or large cities near to Roman Catholic cathedrals or other important historical sites during research trips to the country It is clear that Clark s understanding of Catholicism in China evolved from the first entry to the final ones in 2019 The essays included in this compendium were written in disparate contexts and in response to different events As such there

is no obvious theme or order to the content However despite this the book provides valuable insights for readers wishing to gain a better understanding of the complex topography of Catholic history in China the contours of which have undergone stark transformations with each dynastic political and ecclesial transition The information presented serves to highlight and explain the lives of Catholic people and the events that have punctuated one of the most significant dimensions of China s long history of friendship conflict and exchange with the West
