Minus-Murrell,2015-12-22 Who you see is who I am and what you see is what you get How many of us can say these words and mean it Too many people hide behind masks of pretense whether it is socially emotionally spiritually or physically simply to gain the approval or acceptance of others One of the greatest challenges many people face today especially Christians is trying to live an authentic unbogus life in a world full of fake bogus people Thus this book is a real eye opener on the subject of bogusness versus unbogusness The author gives valuable insight into how to avoid living a bogus life and how to pursue an unbogus life Having your outer man match your inner man is the goal of this book This powerfully written book will also challenge you to rise above your unbogus behavior and find true contentment peace and self worth Finally this book will give you a game plan to cast out areas of unbogusness in your life that have kept you from living your best life      Misbehavin' a to Z Carol M.
