Seeing The Invisible In Late Antiquity And The Early Middle Ages

Eric M. Ramírez-Weaver

Seeing The Invisible In Late Antiquity And The Early Middle Ages:

Seeing the Invisible in Late Antiquity and the Early Middle Ages Giselle de Nie, Karl Frederick Morrison, Marco Mostert, 2005 Limiting itself to the vital centuries when the late Roman West reshaped itself into a first Europe the conference explored the dominant conception of human nature in that era that human existence was both body in the visible world of material things and soul in the invisible world of spirit This was a legacy of pre Christian elements handed down from Greek philosophy and Hebrew Scriptures Assimilating it to indigenous cultures in the Roman West many alien to the ancient Mediterranean world precipitated sea changes in the understanding of human psychology Ensuing frictions sparked extraordinary expressions of creativity in words and visual images It also created dangerously subversive disequilibriums in the collective mentality within elites and between them and majority cultures The papers in this volume investigate numerous configurations of a new culture taking shape in that volatile environment They contribute to continuing debates about the cognitive co ordination of words and pictorial images and to cross disciplinary dialogues in such disparate fields as art history religious literature mysticism and cultural anthropology

The Corporeal Imagination Patricia Cox

Miller, 2012-02-28 With few exceptions the scholarship on religion in late antiquity has emphasized its tendencies toward transcendence abstraction and spirit at the expense of matter In *The Corporeal Imagination* Patricia Cox Miller argues instead that ancient Christianity took a material turn between the fourth and seventh centuries During this period Miller contends there occurred a major shift in the ways in which the human being was oriented in relation to the divine a shift that reconfigured the relationship between materiality and meaning in a positive direction *The Corporeal Imagination* is a groundbreaking investigation into the theological poetics of material substance in late ancient Christian texts From hagiographies to literary descriptions of sacred paintings to treatises on relics and theurgy Miller examines a wide variety of ancient texts to reveal how Christian writers increasingly described the matter of the world as invested with divine power By appealing to the reader's sensory imagination Christian texts endowed phenomena like relics saints bodies in hagiography and saints presence in icons with a visual and tactile presence The book draws on a variety of contemporary theoretical models to elucidate the significance of all these materials in ancient religious life and imagination

Death and Rebirth in Late Antiquity Lee M. Jefferson, 2022-08-16

Death and rebirth was of vital importance to early Christians in late antiquity In late antiquity death was all encompassing Mortality rates were high plague and disease in urban areas struck at will and one lived on the knife's edge regarding one's health Religion filled a crucial role in this environment offering an option for those who sought cure and comfort Following death the inhumed were memorialized providing solace to family members through sculpture painting and epigraphy This book offers a sustained interdisciplinary treatment of death and rebirth a theme that early Christians and scholars found important By analysing the theme of death and rebirth through various lenses the contributors deepen our understanding of the early Christian funerary and liturgical practices as well as their engagement

with other groups in the Empire *Iconophilia* Francesca Dell'Acqua, 2020-05-07 Between the late seventh and the mid ninth centuries a debate about sacred images conventionally addressed as Byzantine iconoclasm engaged monks emperors and popes in the Mediterranean area and on the European continent The importance of this debate cannot be overstated it challenged the relation between image text and belief A series of popes staunchly in favour of sacred images acted consistently during this period in displaying a remarkable iconophilia or love for images Their multifaceted reaction involved not only council resolutions and diplomatic exchanges but also public religious festivals liturgy preaching and visual arts the mass media of the time Embracing these tools the popes especially promoted themes related to the Incarnation of God which justified the production and veneration of sacred images and extolled the role and the figure of the Virgin Mary Despite their profound influence over Byzantine and western cultures of later centuries the political theological and artistic interactions between the East and the West during this period have not yet been investigated in studies combining textual and material evidence By drawing evidence from texts and material culture some of which have yet to be discussed against the background of the iconoclastic controversy and by considering the role of oral exchange *Iconophilia* assesses the impact of the debate on sacred images and of coeval theological controversies in Rome and central Italy By looking at intersecting textual liturgical and pictorial images which had at their core the Incarnate God and his human mother Mary the book demonstrates that between c 680 880 by unremittingly maintaining the importance of the visual for nurturing beliefs and mediating personal and communal salvation the popes ensured that the status of sacred images would remain unchallenged at least until the Protestant Reformation in the sixteenth century **Prudentius, Spain, and Late Antique Christianity**

Paula Hershkowitz, 2017-01-05 This book sets Prudentius martyr poetry within the religious social and visual contexts of late antique Spain This original approach utilises the fields of history archaeology classical literature and art history and the book is important for academics and more advanced students within these disciplines *Icons of Sound* Bissera V.

Pentcheva, 2020-11-23 *Icons of Sound Voice Architecture and Imagination in Medieval Art* brings together art history and sound studies to offer new perspectives on medieval churches and cathedrals as spaces where the perception of the visual is inherently shaped by sound The chapters encompass a wide geographic and historical range from the fifth to the fifteenth century and from Armenia and Byzantium to Venice Rome and Santiago de Compostela Contributors offer nuanced explorations of the intangible sonic aura produced in these places by the ritual music and harness the use of digital technology to reconstruct historical aural environments Rooted in a decade long interdisciplinary research project at Stanford University *Icons of Sound* expands our understanding of the inherently intertwined relationship between medieval chant and liturgy the acoustics of architectural spaces and their visual aesthetics Together the contributors provide insights that are relevant across art history sound studies musicology and medieval studies **Art, Architecture, and the Moving**

Viewer, c. 300-1500 CE, 2022-04-19 Premodern architecture and built environments were fluid spaces whose

configurations and meanings were constantly adapting and changing The production of transitory meaning transpired whenever a body or object moved through these dynamic spaces Whether spanning the short duration of a procession or the centuries of a building's long duration a body or object in motion created in the moment narratives that unfolded through time and space The authors in this volume forge new approaches to architectural studies by focusing on the interaction between monuments artworks and their viewers at different points in space and time Contributors are Christopher A Born Elizabeth Carson Pastan Nicole Corrigan Gillian B Elliott Barbara Franz Anne Heath Philip Jacks Divya Kumar Dumas Brigitte Kurmann Schwarz Ashley J Laverock Susan Leibacher Ward Elodie Leschot Meghan Mattsson McGinnis Michael Sizer Kelly Thor and Laura J Whatley

The Grove Encyclopedia of Medieval Art and Architecture Colum Hourihane, 2012 This volume offers unparalleled coverage of all aspects of art and architecture from medieval Western Europe from the 6th century to the early 16th century Drawing upon the expansive scholarship in the celebrated Grove Dictionary of Art and adding hundreds of new entries it offers students researchers and the general public a reliable up to date and convenient resource covering this field of major importance in the development of Western history and international art and architecture

The Beginnings of the Cult of Relics Robert Wiśniewski, 2019 Christians have often admired and venerated the martyrs who died for their faith but for a long time thought that the bodies of martyrs should remain undisturbed in their graves Initially the Christian attitude towards the bones of the dead saint or not was that of respectful distance The Beginnings of the Cult of Relics examines how this attitude changed in the mid fourth century Robert Wiśniewski investigates how Christians began to believe in the power of relics first over demons then over physical diseases and enemies He considers how the faithful sought to reveal hidden knowledge at the tombs of saints and why they buried the dead close to them An essential element of this new belief was a strong conviction that the power of relics was transferred in a physical way and so the following chapters study relics as material objects Wiśniewski analyses how contact with relics operated and how close it was Did people touch kiss or look at the very bones or just at tombs and reliquaries which contained them When did the custom of dividing relics begin Finally the book deals with discussions and polemics concerning relics and attempts to find out the strength of the opposition which this new phenomenon had to face both within and outside Christianity on its way to become an essential element of medieval religiosity

The Ends of the Body Suzanne Conklin Akbari, Jill Ross, 2013-01-29 Drawing on Arabic English French Irish Latin and Spanish sources the essays share a focus on the body's productive capacity whether expressed through the flesh's materiality or through its role in performing meaning The collection is divided into four clusters Foundations traces the use of physical remnants of the body in the form of relics or memorial monuments that replicate the form of the body as foundational in communal structures Performing the Body focuses on the ways in which the individual body functions as the medium through which the social body is maintained Bodily Rhetoric explores the poetic linkage of body and meaning and Material Bodies engages with the processes of corporeal being ranging from the energetic flow of humoral liquids to the

decay of the flesh Together the essays provide new perspectives on the centrality of the medieval body and underscore the vitality of this rich field of study *Rome and Religion in the Medieval World* Valerie L. Garver, Owen M. Phelan, 2016-04-08

Rome and Religion in the Medieval World provides a panoramic and interdisciplinary exploration of Rome and religious culture The studies build upon or engage Thomas F X Noble s interest in Rome especially his landmark contributions to the origins of the Papal States and early medieval image controversies Scholars from a variety of disciplines offer new viewpoints on key issues and questions relating to medieval religious cultural and intellectual history Each study explores different dimensions of Rome and religion including medieval art theology material culture politics education law and religious practice Drawing upon a wide range of sources including manuscripts relics historical and normative texts theological tracts and poetry the authors illuminate the complexities of medieval Christianity especially as practiced in the city of Rome itself and elsewhere in Europe when influenced by the idea of Rome Some trace early medieval legacies to the early modern period when Protestant and Catholic theologians used early medieval religious texts to define and debate forms of Roman Christianity The essays highlight and deepen scholarly appreciation of Rome in the rich and varied religious culture of the medieval world

Building the Body of Christ Daniel C. Cochran, 2020-11-17 In *Building the Body of Christ* Daniel C Cochran argues that monumental Christian art and architecture played a crucial role in the formation of individual and communal identities in late antique Italy The ecclesiastical buildings and artistic programs that emerged during the fourth and fifth centuries not only reflected Christianity s changing status within the Roman Empire but also actively shaped those who used them Emphasizing the importance of materiality and the body in early Christian thought and practice Cochran shows how bishops and their supporters employed the visual arts to present a Christian identity rooted in the sacred past but expressed in the present through church unity and episcopal authority He weaves together archaeological and textual evidence to contextualize case studies from Rome Aquileia and Ravenna showing how these sites responded to the diversity of early Christianity as expressed through private rituals and the imperial appropriation of the saints Cochran shows how these early ecclesiastical buildings and artistic programs worked in conjunction with the liturgy to persuade individuals to adopt alternative beliefs practices and values that contributed to the formation of institutional Christianity and the Christianization of late antique Italy

Sanctity and Female Authorship Maria H. Oen, Unn Falkeid, 2019-10-10 Birgitta of Sweden Birgitta Birgersdotter 1302 03 1373 and her younger contemporary Catherine of Siena Caterina Benincasa 1347 1380 form the most powerful and influential female duo in European history Both enjoyed saintly reputations in life while acting as the charismatic leaders of a considerable group of followers consisting of clergy as well as mighty secular men and women They are also among the very few women of the Trecento to leave a substantial body of written work which was widely disseminated in their original languages and in translations Copies of Birgitta s *Liber celestis revelacionum* The Heavenly Book of Revelations and compilations of Catherine s letters *Le lettere prayers* *Le orazioni* and her theological work

Il Dialogo della divina Provvidenza The Dialogue found their way into monastic royal and humanist libraries all over Europe After their deaths Birgitta s and Catherine s respective groups of supporters sought to have them formally canonized In both cases however their political and theological outspokenness orally and in text and their public authority represented obstacles In this comparative study leading scholars from different disciplinary backgrounds offer for the very first time a comprehensive exploration of the lives and activities of Birgitta and Catherine in tandem Particular attention is given to their literary works and the complex process of negotiating their sanctity and authorial roles Above all what the chapters reveal is the many points of connections between two of the most influential women of the Trecento and how they were related to one another by their peers and successors

A Saving Science Eric M. Ramírez-Weaver,2017-02-24 In A Saving Science Eric Ram rez Weaver explores the significance of early medieval astronomy in the Frankish empire using as his lens an astronomical masterpiece the deluxe manuscript of the Handbook of 809 painted in roughly 830 for Bishop Drogo of Metz one of Charlemagne s sons Created in an age in which careful study of the heavens served a liturgical purpose to reckon Christian feast days and seasons accurately and thus reflect a heavenly order the diagrams of celestial bodies in the Handbook of 809 are extraordinary signifiers of the intersection of Christian art and classical astronomy Ram rez Weaver shows how by studying this lavishly painted and carefully executed manuscript we gain a unique understanding of early medieval astronomy and its cultural significance In a time when the Frankish church sought to renew society through education the Handbook of 809 presented a model in which study aided the spiritual reform of the cleric s soul and by extension enabled the spiritual care of his community An exciting new interpretation of Frankish painting A Saving Science shows that constellations in books such as Drogo s were not simple copies for posterity s sake but functional tools in the service of the rejuvenation of a creative Carolingian culture

Alcuin Douglas Dales,2012-11-29 Scholar ecclesiastic teacher and poet of the eighth century Alcuin was a person of deep Christian faith tenacious in his loyalty to orthodox Catholic theology He had a seminal influence upon his own generation and those that came after him Although he remained a Northumbrian Christian at heart the part of his life about which most is known was spent on the Continent He never lost contact with his homeland but his most significant and lasting work was evidently accomplished in Europe and his influence on the early medieval Western Church was an abiding one This book examines his life and career in England and on the continent it also considers his legacy as a churchman and a leading political figure This volume prefigures a forthcoming work on Alcuin s intellectual legacy Alcuin A Study of his Theology due for release April 2013 This rich study is intended for the general reader as well as for those studying teaching or researching this period of early medieval history and theology in schools and universities

"Gender, Piety, and Production in Fourteenth-Century English Apocalypse Manuscripts" Renana Bartal,2017-07-05 Gender Piety and Production in Fourteenth Century English Apocalypse Manuscripts is the first in depth study of three textually and iconographically diverse Apocalypses illustrated in England in the first half of the

fourteenth century by a single group of artists It offers a close look at a group of illuminators previously on the fringe of art historical scholarship challenging the commonly held perception of them as mere craftsmen at a time when both audiences and methods of production were becoming increasingly varied Analyzing the manuscripts codicological features visual and textual programmes and social contexts it explores the mechanisms of a fourteenth century commercial workshop and traces the customization of these books of the same genre to the needs and expectations of varied readers revealing the crucial influence of their female audience The book will be of interest to scholars and students of English medieval art medieval manuscripts and the medieval Apocalypse as well as medievalists interested in late medieval spirituality and theology medieval religious and intellectual culture book patronage and ownership and female patronage and ownership

The Long Morning of Medieval Europe Jennifer R. Davis, 2016-12-05 Recent advances in research show that the distinctive features of high medieval civilization began developing centuries earlier than previously thought The era once dismissed as a Dark Age now turns out to have been the long morning of the medieval millennium the centuries from AD 500 to 1000 witnessed the dawn of developments that were to shape Europe for centuries to come In 2004 historians art historians archaeologists and literary specialists from Europe and North America convened at Harvard University for an interdisciplinary conference exploring new directions in the study of that long morning of medieval Europe the early Middle Ages Invited to think about what seemed to each the most exciting new ways of investigating the early development of western European civilization this impressive group of international scholars produced a wide ranging discussion of innovative types of research that define tomorrow's field today The contributors many of whom rarely publish in English test approaches extending from using ancient DNA to deducing cultural patterns signified by thousands of medieval manuscripts of saints' lives They examine the archaeology of slave labor economic systems disease history transformations of piety the experience of power and property exquisite literary sophistication and the construction of the meaning of palace spaces or images of the divinity The book illustrates in an approachable style the vitality of research into the early Middle Ages and the signal contributions of that era to the future development of western civilization The chapters cluster around new approaches to five key themes the early medieval economy early medieval holiness representation and reality in early medieval literary art practices of power in an early medieval empire and the intellectuality of early medieval art and architecture Michael McCormick's brief introductions open each part of the volume synthetic essays by accomplished specialists conclude them The editors summarize the whole in a synoptic introduction All Latin terms and citations and other foreign language quotations are translated making this work accessible even to undergraduates The Long Morning of Medieval Europe New Directions in Early Medieval Studies presents innovative research across the wide spectrum of study of the early Middle Ages It exemplifies the promising questions and methodologies at play in the field today and the directions that beckon tomorrow

Religion in Reason Tarek R. Dika, Martin Shuster, 2022-11-30 This book presents critical engagements with the work of

Hent de Vries widely regarded as one of the most important living philosophers of religion Contributions by a distinguished group of scholars discuss the role played by religion in philosophy the emergence and possibilities of the category of religion and the relation between religion and violence secularism and sovereignty Together they provide a synoptic view of how de Vries's work has prompted a reconceptualization of how religion should be studied especially in relation to theology politics and new media The volume will be of particular interest to scholars of religious studies theology and philosophy

Relics and Writing in Late Medieval England Robyn Malo, 2013-12-06 *Relics and Writing in Late Medieval England* uncovers a wide ranging medieval discourse that had an expansive influence on English literary traditions Drawing from Latin and vernacular hagiography miracle stories relic lists and architectural history this study demonstrates that as the shrines of England's major saints underwent dramatic changes from c 1100 to c 1538 relic discourse became important not only in constructing the meaning of objects that were often hidden but also for canonical authors like Chaucer and Malory in exploring the function of metaphor and of dissembling language Robyn Malo argues that relic discourse was employed in order to critique mainstream religious practice explore the consequences of rhetorical dissimulation and consider the effect on the socially disadvantaged of lavish expenditure on shrines The work thus uses the literary study of relics to address issues of clerical and lay cultures orthodoxy and heterodoxy and writing and reform

The Routledge Companion to Medieval Iconography Colum Hourihane, 2016-12-19 Sometimes enjoying considerable favor sometimes less iconography has been an essential element in medieval art historical studies since the beginning of the discipline Some of the greatest art historians including M le Warburg Panofsky Morey and Schapiro have devoted their lives to understanding and structuring what exactly the subject matter of a work of medieval art can tell Over the last thirty or so years scholarship has seen the meaning and methodologies of the term considerably broadened This companion provides a state of the art assessment of the influence of the foremost iconographers as well as the methodologies employed and themes that underpin the discipline The first section focuses on influential thinkers in the field while the second covers some of the best known methodologies the third and largest section looks at some of the major themes in medieval art Taken together the three sections include thirty eight chapters each of which deals with an individual topic An introduction historiographical evaluation and bibliography accompany the individual essays The authors are recognized experts in the field and each essay includes original analyses and or case studies which will hopefully open the field for future research

Seeing The Invisible In Late Antiquity And The Early Middle Ages Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Seeing The Invisible In Late Antiquity And The Early Middle Ages**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Seeing The Invisible In Late Antiquity And The Early Middle Ages Introduction

Seeing The Invisible In Late Antiquity And The Early Middle Ages Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Seeing The Invisible In Late Antiquity And The Early Middle Ages Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Seeing The Invisible In Late Antiquity And The Early Middle Ages : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Seeing The Invisible In Late Antiquity And The Early Middle Ages : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Seeing The Invisible In Late Antiquity And The Early Middle Ages Offers a diverse range of free eBooks across various genres. Seeing The Invisible In Late Antiquity And The Early Middle Ages Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Seeing The Invisible In Late Antiquity And The Early Middle Ages Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Seeing The Invisible In Late Antiquity And The Early Middle Ages, especially related to Seeing The Invisible In Late Antiquity And The Early Middle Ages, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Seeing The Invisible In Late Antiquity And The Early Middle Ages, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Seeing The Invisible In Late Antiquity And The Early Middle Ages books or magazines might include. Look for these in online stores or libraries. Remember that while Seeing The Invisible In Late Antiquity And The Early Middle Ages, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Seeing The Invisible In Late Antiquity And The Early Middle Ages eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or

publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Seeing The Invisible In Late Antiquity And The Early Middle Ages full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Seeing The Invisible In Late Antiquity And The Early Middle Ages eBooks, including some popular titles.

FAQs About Seeing The Invisible In Late Antiquity And The Early Middle Ages Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Seeing The Invisible In Late Antiquity And The Early Middle Ages is one of the best book in our library for free trial. We provide copy of Seeing The Invisible In Late Antiquity And The Early Middle Ages in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Seeing The Invisible In Late Antiquity And The Early Middle Ages. Where to download Seeing The Invisible In Late Antiquity And The Early Middle Ages online for free? Are you looking for Seeing The Invisible In Late Antiquity And The Early Middle Ages PDF? This is definitely going to save you time and cash in something you should think about.
