Seeing Through Paradise:

Seeing Through Ricky Ian Gordon, 2024-07-23 The true confessions of a working opera composer an exhilarating story of a life that comes out of chaos At eight years old Ricky Ian Gordon pulled The Victor Book of Opera off his piano teacher s bookshelf and his world shifted on its axis Though scandal sadness and confusion would shake that world over the next few decades its polestar remained constant Music has been the guiding force of Gordon's life through it he has been able not only to survive great sorrow but also to capture the depths of his emotion in song It is this strength this technical and visceral genius that has made him one of our generation's greatest composers In Seeing Through Gordon writes with humor insight and incredible candor about his life and work a tumultuous youth on Long Island his artistic collaborations and obsessions the creation of his compositions including The Grapes of Wrath 27 Orpheus and Euridice Intimate Apparel Ellen West and more his addictions and the abuses he endured and the loss of his partner to AIDS and the devastation of the HIV AIDS epidemic As Gordon writes of that period We were thousands of us Lazarus We had to rise from the ashes We didn t have to rebuild our lives we had to build new ones Gordon has succeeded in building a remarkable life as well as a body of work that bears witness to all he survived in the process one that will endure as a pivotal chapter in America's songbook Through the Veil Suzanne Conklin Akbari, 2004-01-01 During the later Middle Ages new optical theories were introduced that located the power of sight not in the seeing subject but in the passive object of vision This shift had a powerful impact not only on medieval science but also on theories of knowledge and this changing relationship of vision and knowledge was a crucial element in late medieval religious devotion In Seeing through the Veil Suzanne Conklin Akbari examines several late medieval allegories in the context of contemporary paradigm shifts in scientific and philosophical theories of vision After a survey on the genre of allegory and an overview of medieval optical theories Akbari delves into more detailed studies of several medieval literary works including the Roman de la Rose Dante s Vita Nuova Convivio and Commedia and Chaucer s dream visions and Canterbury Tales The final chapter Division and Darkness centres on the legacy of allegory in the fifteenth century Offering a new interdisciplinary synthetic approach to late medieval intellectual history and to major works within the medieval literary canon Seeing through the Veil will be an essential resource to the study of medieval literature and culture as well as philosophy history of art and history of science Worth the Seeing Through Lisa M. dangerous reappearance Connor and Guy must focus on saving not just Guy s life but their love and their hopes for a future **Seeing through Christianity** Bill Zuersher, 2014-06-20 The only book you ll ever need to read worth the seeing through about Christianity This remarkable book provides a critical overview of Christian beliefs and the evidence for them Where did these beliefs come from Are there good reasons to believe Christianity is true Bill Zuersher clearly explains each of Christianity s major beliefs He then proceeds to demonstrate significant difficulties with each of them The book tackles these beliefs in a logical order beginning with the problems at the root of virtually all religions suffering and death and culminating in their supposed resolution through Jesus Mr Zuersher also examines the evidence for Christianity namely religious writings and the historical fact of the early Jesus movement He makes the case that this evidence does not support the religion s claims and he provides naturalistic alternative explanations for how its core beliefs arose In these pages we see the coalescence of Jewish and Zoroastrian religious ideas with those of Greek philosophy and mystery cults to form the belief system we recognize as Christianity today The result Mr Zuersher argues is not revealed truth but rather a human patchwork which contains unwarranted assumptions and logical flaws all founded upon questionable evidence Entertaining throughout it is must reading for skeptics apologists and anyone interested the world's largest religion or the culture wars behind today s politics an invaluable resource for students and teachers writers and debaters Seeing through Texts Francis X. Christopher Warner, 2010-06-10 The Augustinian Epic Petrarch to Milton rewrites the history of the Renaissance Vergilian epic by incorporating the neo Latin side of the story alongside the vernacular one revealing how epics spoke to each other across the language gap and together comprised a single Augustinian tradition of epic poetry Beginning with Petrarch's Africa Warner offers major new interpretations of Renaissance epics both famous and forgotten from Milton's Paradise Lost to a Latin Christiad by his near contemporary Alexander Ross thereby shedding new light on the development of the epic genre For advanced undergraduate students graduate students and scholars in the fields of Italian English and Comparative literatures as well as the Classics and the history of religion and literature The Complete **Poems of Edgar Allan Poe** Edgar Allan Poe,1911 The Birth of China Seen Through Poetry Hong-Mo Chan, 2011 The book introduces Chinese culture to readers of English using poetry from the various periods rendered into English verse to
