Eric Carpenter,2014-12-01 What is simple church This is a simple question that doesn't have a simple answer Simple Church Unity Within Diversity is an attempt to shed light on the above question and provide some answers The twenty four contributors all hope this book will help people both inside and outside the church better understand what simple church life is all about Far too often discussions about the church descend into arguments that accomplish little We have no desire to take part in that Rather each person who has written a chapter for this book desires that it will lead to increased communication understanding and ultimately unity within the body of Christ Twenty four writers means twenty four somewhat different perspectives We certainly do not agree on everything You will see that as you read through the book What we do agree upon is that simple practices often lead to great opportunities for edification and service both inside and outside the church We want to share these ideas with other followers of Christ and explain what it is all about If you would like to know more about simple church from a positive perspective then this is the book for you *Life Is Simple* Ken Freschi,2020-04-21 Is it possible to find peace in your life If so where and how is that sense of peace found Are we missing out on finding true peace because it is much simpler than we imagine it to be In *Life is Simple* author Ken Freschi continues to share the channeled messages he has received since 2009 *Life is Simple* is a continuation of his first two books *Our Walk to Eternity* and *Time to Listen* bringing clarity and a new perspective concerning events in everyone's life *Life is Simple* will guide us to the realization that contained in each and every event in our life a message a Divine message is contained for our soul to grasp on to in order to find our purpose Our presence here and all our experiences are not random Instead a Divinely choreographed set of circumstances are placed before us to give us the experience our soul has sought To find the simplicity of life we are challenged to look beyond our three dimensional existence and we must explore deeply who and what we truly are
