Seeking Justices The Judging Of Supreme

Mark C. Miller

Seeking Justices The Judging Of Supreme:

The Oxford Handbook of U.S. Judicial Behavior Lee Epstein, Stefanie A. Lindquist, 2017 The Oxford Handbook of U S Judicial Behavior offers readers a comprehensive introduction and analysis of research regarding decision making by judges serving on federal and state courts in the U S Featuring contributions from leading scholars in the field the Handbook describes and explains how the courts political and social context formal institutional structures and informal norms affect judicial decision making The Handbook also explores the impact of judges personal attributes and preferences as well as prevailing legal doctrine influence and shape case outcomes in state and federal courts The volume also proposes avenues for future research in the various topics addressed throughout the book Consultant Editor for The Oxford Handbooks of American Politics George C Edwards III The Development of the American Presidency Richard J. Ellis, 2013-06-17 Our understanding of the politics of the presidency is greatly enhanced by viewing it through a developmental lens analyzing how historical turns have shaped the modern institution The Development of the American Presidency pays great attention to that historical weight but is organized topically and conceptually with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to Congress to the Executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change All the while Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts Ellis s own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts A companion website not only acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines practice quizzes and key terms to help students master the book s lessons **The Justices, Judging, and Judicial Reputation** Kermit L. Hall, 2000 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company Seeking Justices Michael Comiskey, 2004 In the long shadows cast by the Robert Bork and Clarence Thomas nominations Supreme Court confirmations remain highly contentious and controversial This is due in part to the Senate s increasing reliance upon a much lengthier much more public and occasionally raucous confirmation process in an effort to curb the potential excesses of executive power created by presidents seeking greater control over the Court s ideological composition Michael Comiskey offers the most comprehensive systematic and optimistic analysis of that process to date Arguing that the process works well and therefore should not be significantly altered Comiskey convincingly counters those critics who view highly contentious confirmation proceedings as the norm Senators have every right and a real obligation he contends to scrutinize the nominees constitutional philosophies He further argues that the media coverage of the Senate s deliberations has worked to improve

the level of such scrutiny and that recent presidents have neither exerted excessive influence on the appointment process nor created a politically extreme Court. He also examines the ongoing concern over presidential efforts to pack the court, concluding that stacking the ideological deck is unlikely. As an exception to the rule, Comiskey analyzes in depth the Thomas confirmation to explain why it was an aberration, offering the most detailed account yet of Thomas's pre-judicial professional and political activities. He argues that the Senate Judiciary Committee abdicated its responsibilities out of deference to Thomas's race. Another of the book's unique features is Comiskey's reassessment of the reputations of twentieth-century Supreme Court justices. Based on a survey of nearly 300 scholars in constitutional law and politics, it shows that the modern confirmation process continues to fill Court vacancies with jurists as capable as those of earlier eras. We have now seen the longest period without a turnover on the Court since the early nineteenth century, making inevitable the appointment of several new justices following the 2004 presidential election. Thus the timing of the publication of *Seeking Justices* could not be more propitious.

Routledge Handbook of Judicial Behavior Robert M. Howard, Kirk A. Randazzo, 2017-10-02

Interest in social science and empirical analyses of law courts and specifically the politics of judges has never been higher or more salient. Consequently, there is a strong need for theoretical work on the research that focuses on courts, judges, and the judicial process. The *Routledge Handbook of Judicial Behavior* provides the most up-to-date examination of scholarship across the entire spectrum of judicial politics and behavior, written by a combination of currently prominent scholars and the emergent next generation of researchers. Unlike almost all other volumes, this Handbook examines judicial behavior from both an American and Comparative perspective. Part 1 provides a broad overview of the dominant theoretical and methodological perspectives used to examine and understand judicial behavior. Part 2 offers an in-depth analysis of the various current scholarly areas examining the U.S. Supreme Court. Part 3 moves from the Supreme Court to examining other U.S. federal and state courts, and Part 4 presents a comprehensive overview of Comparative Judicial Politics and Transnational Courts. Each author in this volume provides perspectives on the most current methodological and substantive approaches in their respective areas, along with suggestions for future research. The chapters contained within will generate additional scholarly and public interest by focusing on topics most salient to the academic, legal, and policy communities.

The Judicial Process Christopher P. Banks, David M. O'Brien, 2015-02-19 *The Judicial Process: Law, Courts, and Judicial Politics* is an all-new, concise yet comprehensive core text that introduces students to the nature and significance of the judicial process in the United States and across the globe. It is social scientific in its approach, situating the role of the courts and their impact on public policy within a strong foundation in legal theory or political jurisprudence, as well as legal scholarship. Authors Christopher P. Banks and David M. O'Brien do not shy away from the politics of the judicial process and offer unique insight into cutting-edge and highly relevant issues. In its distinctive boxes, *Contemporary Controversies over Courts* and *In Comparative Perspective*, the text examines topics such as the dispute pyramid, the law and morality of same.

sex marriages the hardball politics of judicial selection plea bargaining trends the right to counsel and pay as you go justice judicial decisions limiting the availability of class actions constitutional courts in Europe the judicial role in creating major social change and the role lawyers juries and alternative dispute resolution techniques play in the U S and throughout the world Photos cartoons charts and graphs are used throughout the text to facilitate student learning and highlight key aspects of the judicial process

The Politics of the Presidency, Revised 8th Edition Joseph A. Pika, John Anthony Maltese, 2013-07-15 Never losing sight of the historical foundations of the office of President of the United States the authors maintain a delicate balance as they examine the presidency through a modern lens

The Development of the American Presidency Richard Ellis, 2022-05-02 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage Richard J Ellis looks at how the presidency has evolved in relation to the public to Congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change Each chapter promotes active learning beginning with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts New to the Fourth Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power with special focus on Trump s norm breaking and Biden s efforts to shore up norms Enhanced focus on the prospects for institutional reform including in the electoral college presidential relations with Congress war powers and the selection of Supreme Court justices A full reckoning with the Trump presidency and its significance for the future of American democracy presidential rhetoric the unilateral executive and the administrative state Coverage of the first year of Biden s presidency including presidential rhetoric relations with Congress and the bureaucracy use of the war powers and unilateral directives Comprehensive updating of debates about the removal power including the Supreme Court cases of *Seila Law v CFPB* and *Collins v Yellen* In depth exploration of the impact of partisan polarization on the legislative presidency and effective governance Analysis of the 2020 election and its aftermath Expanded discussion of impeachment to incorporate Trump s two impeachments Examination of presidential emergency powers with special attention to Trump s border wall declaration Review of Biden s and Trump s impact on the judiciary Assessment of Biden s and Trump s place in political time

The Politics of the Presidency Joseph A. Pika, John Anthony Maltese, Andrew Rudalevige, 2017-07-06 Trace the opening rounds of the Trump administration highlighting the 2016 election transition inauguration and first one hundred days Never losing sight of the foundations of the office The Politics of the Presidency maintains a balance between historical context the

current political environment and contemporary scholarship on the executive branch providing a solid foundation for any presidency course In addition to offering you a comprehensive framework for understanding the expectations powers and limitations of the executive branch the Revised Ninth Edition uses the most up to date coverage and analysis of the 2016 election and Trump administration to demonstrate key concepts New to the Revised Ninth Edition A new chapter dedicated to the Trump transition and first one hundred days examines important topics such as the immigration ban and other executive orders efforts at deregulation the targeted military strikes in Syria and the war on the intelligence community and the deconstruction of the administrative state Recent congressional relations analyzed including the confirmation of Supreme Court justice Neil Gorsuch after Senate Republicans employed the nuclear option and took away the opportunity to filibuster Supreme Court nominees efforts to repeal and replace Obamacare fiscal 2017 and 2018 budget negotiations and congressional investigations of the Trump campaign s ties to Russia his firing of FBI director James Comey and the appointment of a special counsel in the matter An assessment of the public presidency reviews Trump s approval ratings communications strategies and media coverage Discussions of Trump s leadership challenges in a polarized age explain the difficulties of unifying a nation after a bitter election launching an administration and structuring the executive branch

Judicial Politics in the United States Mark C. Miller, 2018-09-03 Judicial Politics in the United States examines the role of courts as policymaking institutions and their interactions with the other branches of government and other political actors in the U S political system Not only does this book cover the nuts and bolts of the functions structures and processes of our courts and legal system it goes beyond other judicial process books by exploring how the courts interact with executives legislatures and state and federal bureaucracies It also includes a chapter devoted to the courts interactions with interest groups the media and general public opinion and a chapter that looks at how American courts and judges interact with other judiciaries around the world Judicial Politics in the United States balances coverage of judicial processes with discussions of the courts interactions with our larger political universe making it an essential text for students of judicial politics

The Politics of the Presidency John Anthony Maltese, Andrew Rudalevige, Joseph A. Pika, 2023-12-26 Get the most up to date coverage and analysis of the presidency with this comprehensive text Never losing sight of the foundations of the office The Politics of the Presidency maintains a balance between historical context and contemporary scholarship on the executive branch providing a solid foundation for any presidency course Now in its Eleventh Edition Maltese Rudalevige and Pika thoroughly analyze the change and continuity in Biden s first two and a half years in office and look forward to the competitive setting for the 2024 presidential race

Judges Against Justice Hans Petter Graver, 2014-09-11 This book explores concrete situations in which judges are faced with a legislature and an executive that consciously and systematically discard the ideals of the rule of law It revolves around three basic questions What happen when states become oppressive and the judiciary contributes to the oppression How can we from a legal point of view evaluate the actions of judges who

contribute to oppression And thirdly how can we understand their participation from a moral point of view and support their inclination to resist Justice versus Judiciary Sudhanshu Ranjan,2019-04-17 There can be no dispute that the judges of the high courts and the Supreme Court of India wield tremendous powers However power comes with a price which bestows huge responsibility Building on this narrative the book advocates that judges must be made accountable not only in respect of their personal conduct and integrity but also in respect of the judicial verdicts they deliver This book thus critically discusses Articles 141 142 and 144 which make the Supreme Court the most powerful institution in the country and Articles 32 and 136 which also confer wide powers on it Using these powers the apex court sometimes unmindful of the budgetary and other vital implications tends to pass orders which lack the scope for implementation The book suggests measures to improve the functioning of Indian judicial system and save the institutions of justice from turning autocratic and narcissistic

The Courts and Lawyers of New Jersey 1661-1912 Edward Quinton Keasbey,1912 HOLDING THE GAVEL PAVAN KUMAR. R,2025-02-22 Democracy as stated on the first page of our constitution is based on the basic premise that political sovereignty ultimately belongs to the people of the nation Independence should not be considered as an aim in itself but rather as a means for obtaining this objective If accountability is not taken seriously we may see a dangerous partnership between dishonest politicians and judges that will bring democracy to an end The unique character of the position needs autonomous treatment which is done for the benefit of the country Let BenchBar Accountability to Indian Humanity be high on the national even constitutional agenda The judges themselves should take steps to develop a code of behavior Immediately the Bar Council of India must diligently and ingeniously draft a professional code for the Bar and advise one for the Bench with the goal of preventing pathology The situation of outstanding judges carrying out their tremendous responsibilities as judges suggests a high esteem on the part of the public for the judiciary which is the reservoir of justice embodied If there are some delinquents there must be procedures for testing correction lest the entropy scenario pathologically expand or degrade into a widespread desire for vengeance Public Affairs Education and Training in the 21st Century Kulaç, Onur,Babaoğlu, Cenay,Akman, Elvettin,2021-09-17 Since the beginning of the 20th century public administration PA departments have been established primarily in the USA and later in other Western countries and education in the field of public administration has been provided in these departments As the field of public administration has been changing due to globalization government reforms and increasing governance practices within intergovernmental networks research and teaching in public administration has also had to adapt Public Affairs Education and Training in the 21st Century highlights the best practices of various countries in public administration and policy education and training to contribute to the development of the public administration and policy education training field This book focuses on comparative studies and innovative teaching techniques and how they affect public administration education methods and curriculum Highlighting topics that include distance learning public affairs education ethics and public policy this book is

essential for teachers public affairs specialists trainers researchers students practitioners policymakers academicians public administrators public officials and public policy scholars *Elena Kagan* Viki Wagner, 2012-02-07 The nomination and appointment of Elena Kagan to the U S Supreme Court in 2010 offered few clues to her likely role within the Court There was no judicial record of previous decisions on controversial issues because Kagan had no judicial experience making her the only member of the current Court who had never been a judge There was also very little indication of her personal views because Kagan prefers to keep her private life private A closer look at Kagan s life and career however reveals a very smart likable hard working and accomplished woman with a reasoned approach to legal questions and a remarkable ability to bring together people with deeply held conflicting views an especially important skill on the closely divided Supreme Court Supporting social studies history and biography assignments this informative book chronicles the life of Elena Kagan including a number of key events her childhood schooling public service years as a professor positions as Dean of Harvard Law School and Solicitor General appointment to the Supreme Court her role in important court decisions and other related topics Special care is taken to explain the purpose and daily activities of SCOTUS and Kagan s responsibilities as a judge

Modi's India Christophe Jaffrelot, 2021-08-03 Introduction The three ages of India s democracy The Hindu nationalist power quest Hindutva and populism Hindu nationalism a different idea of India Modi in Gujarat the making of a national populist hero Modi s rise to power or how to exploit hope fear and anger What fight against poverty The world s largest de facto ethnic democracy Hindu majoritarianism against secularism Targeting minorities A de facto Hindu rashtra Indian style vigilantism The Indian version of competitive authoritarianism Deinstitutionalizing India Towards electoral authoritarianism the 2019 elections The making of an authoritarian Hindu state Indian Muslims from social marginalization to institutional exclusion and judicial obliteration Administration and Management in Criminal Justice Jennifer M.
