Humanizing Distance Learning Paul Emerich France, 2020-11-06 In some ways shouldn't we always be teaching from a distance Paul France asks this not as pitch for distance learning But because part of the reason distance learning has been so challenging Paul asserts is that we're replicating long standing practices that promote dependent learning in our students Why not use this unique moment of time to reconnect with the true purpose of teaching to help our students become liberated learners and free thinkers The next logical step in teachers months long distance learning journey Humanizing Distance Learning describes how to center humanity and equity in our process of reimagining learning Even while teaching and learning miles apart through screens you'll discover how to Build independence within your students so they're better equipped to tackle challenges with persistence and learn how to learn Make collaboration and human connection essential components of your pedagogy offering students the chance to socialize and learn from one another Center and unpack students identities helping them develop a conscious knowledge of themselves all the while using their self identified strengths to overcome any obstacles Plan prepare and implement humanized instruction while teaching for student liberation both digitally and in person Investigate technology integration including the Digital Divide as well as ways to minimize EdTech integration so that our collective sense of humanity can continue to be front and center The future Paul writes may be unclear the road may be rocky and the story may continue to be long and winding as we push forward through this global crisis But the answer will always be simple We must teach and learn in pursuit of a deeper sense of collective humanity and for no other reason This book is equal parts visionary and practical courageous and invitational It addresses foundational needs and wrenching challenges teachers faced during the recent time when U S teachers abruptly found themselves teaching remotely It is a deeply humanizing book Carol Ann Tomlinson William Clay Parrish Jr Professor Emeritus University of Virginia Humanizing Distance Learning is a book for our times not only because it addresses how to build a culture of thinking and teach for understanding at a distance but also because it challenges the status quo of education by offering a more liberated and humane vision Ron Ritchhart Senior Research Associate Harvard Graduate School of Education Paul France has produced a timely and necessary book that will help educators humanize distance learning Recognizing incredible dimensions of complexity this book will surely help educators traverse times of uncertainty in distance learning H Richard Milner IV Cornelius Vanderbilt Chair of Education Vanderbilt University Elementary Online Learning Lana Peterson, Holly Skadsem, 2022-08-12 Elementary Online Learning offers school and district level leaders and administrators a field tested approach to developing formal and interdisciplinary online education in house and from scratch for grades K 5 While it is possible today to purchase off the shelf online platforms from for profit companies many elementary schools have the option of creating their own programs curricula and instructional strategies that are deliberately tailored to the strengths and needs of their own communities This book provides practical and effective approaches to cohesive data driven program

design synchronous and asynchronous teaching professional development family partnerships and much more Each chapter is full of research based ideas recommendations and prompts that will help schools yield online education that is interdisciplinary socially just and student driven Starting from Scratch John Matthews,2010-10-28 This book compares the beginning of symbolic thought in human infancy with that of our close primate relatives the chimpanzees Drawing upon his years of detailed observations Matthews offers an in depth analysis and interpretation of chimp behaviour to present an unprecedented account of the beginnings of symbolic thought The implications for our understanding of symbolism language art and education are enormous as are those about our origins and our place within nature *Anne Bancroft* Peter Shelley,2017-11-02 Anne Bancroft 1931 2005 was an American film television and stage actress stage producer and film director Respected for her acting prowess and versatility she won the Triple Crown an Oscar a Tony and an Emmy Her stage portrayal of Annie Sullivan in *The Miracle Worker* won the Tony Award for Best Lead Actress in 1959 She reprised the role for the 1962 film of the same name winning the Oscar for Best Actress but was perhaps best known as Mrs Robinson in *The Graduate* 1967 Her extensive television work included numerous roles in movies and series including *Deep in My Heart* 1999 for which she won an Emmy for Best Supporting Actress A filmography videography and information about DVD availability are included Mosaic Theatre Lael Jay Woodbury,1927 **Anne Bancroft** Douglass K. Daniel,2017-09-22 Mrs Robinson you re trying to seduce me Aren t you These famous lines from *The Graduate* 1967 would forever link Anne Bancroft 1931 2005 to the groundbreaking film and confirm her status as a movie icon Along with her portrayal of Annie Sullivan in the stage and film drama *The Miracle Worker* this role was a highlight of a career that spanned a half century and brought Bancroft an Oscar two Tonys and two Emmy awards In the first biography to cover the entire scope of Bancroft s life and career Douglass K Daniel brings together interviews with dozens of her friends and colleagues never before published family photos and material from film and theater archives to present a portrait of an artist who raised the standards of acting for all those who followed Daniel reveals how from a young age Bancroft was committed to challenging herself and strengthening her craft Her talent and good timing led to a breakthrough role in *Two for the Seesaw* which made her a Broadway star overnight The role of Helen Keller s devoted teacher in the stage version of *The Miracle Worker* would follow and Bancroft also starred in the movie adaption of the play which earned her an Academy Award She went on to appear in dozens of film theater and television productions including several movies directed or produced by her husband Mel Brooks Anne Bancroft *A Life* offers new insights into the life and career of a determined actress who left an indelible mark on the film industry while remaining true to her art **Jane Fonda** Fred Lawrence Guiles,2020-04-28 Jane Fonda has been in the public eye since birth just being Henry s daughter qualified her for celebrity status However her intelligence and talent compelled her to reach beyond this birthright to become an individual of extraordinary and diverse accomplishments It would take a restless camera to document Jane Fonda s life for she is a woman of formidable energy but Fred Lawrence Guiles expert

commentary captures her in motion We pursue her in a tireless route of study self discovery and social awareness that causes her to ultimately reject the Beautiful People life style of her first husband Roger Vadim for the role of political activist with her present husband Tom Hayden We witness how the shift in political climate transforms her from history s scourge to history s darling Yet despite governmental harassment and public scorn for her radical beliefs she nonetheless achieves international acclaim for her acting and twice received the Academy Award for Best Actress Candid interviews with friends relatives and colleagues enrich this admiring but honest portrait fifty three black and white photographs complement an impeccable text vivifying an exceptional woman of many identities An unmistakable impression remains that Jane Fonda will continue to grow and the world will continue to watch **1,000 Books to Read Before You Die** James Mustich,2018-10-02
