visible than it should be We seem to have forgotten that we re all on the same team Fortunately Scott D Reich has given us *The Power of Citizenship* a timely book to bring us back on track Reich asserts that the most powerful element of Kennedy s legacy is his emphasis on the theme of citizenship and that a rededication to the values Kennedy promoted will shine a bright path forward for our country Evoking the hopes and aspirations of the 1960s Reich recaptures the excitement of the Kennedy era But what truly sets this book apart is the unique way it blends the romance of Camelot with the new frontiers of today not only identifying modern challenges but also offering a tangible blueprint for how we can improve our public discourse be good citizens and lift our nation to new heights of greatness Part history and part call to action *The Power of Citizenship* hones in on the very essence of what made JFK so inspirational and timeless reminding us once again that we must ask what we can do for our country This is a must read for Americans of all generations *RIC. ,1989*
