Excerpt from *Selected Essays From Sainte Beuve With Introduction Bibliography And Notes* In the course of this series of articles in 1827 Sainte Beuve reviewed Hugo's Odes et Ballades This review brought him to the notice of the poet who introduced him to the members of the Romantic group and they soon received him as one of their number For the next few years Sainte Beuve was under the literary influence of these associates and leaving the field of criticism temporarily he brought out anonymously in 1829 a volume of poems entitled *La Vie et Poesies de Joseph Delorme* which was followed the next year by another volume of poetry *Les Consolations* His last collection of poems *Pensees d'adieu* appeared some years later To complete the list of his works written under the influence of the Romantic school must be mentioned a novel *Volupte* which appeared in 1834 The poetry was not very successful and has been very little read although it possesses decided merit The novel *Volupte* is a singular book in a realistic style which has been described as a connecting link between Rousseau and the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Select Essays of Sainte Beuve* Charles Augustin Sainte-Beuve, 1895 *Sainte-Beuve* Sir Harold George Nicolson, Harold Nicolson, 1978-02-10 *Sainte-beuve: Selected Essays* Charles Augustin Sainte-Beuve, 1895 **Selected Essays from Sainte-Beuve** Charles Augustin Sainte-Beuve, John Robert Effinger, 2016-05-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this

Excerpt from *Select Essays of Sainte Beuve Chiefly Bearing on English Literature* Still it must be admitted that those who deemed the attempt worth making have the author's own judgment on their side It is probably more universally true in France than in England that as he says works written in a foreign language are only really read when they have been translated most of us can read French though few of us can speak it But even of the most urgent readers it can hardly be doubted that the vast majority will read yet more willingly and with less waste of power by friction in their own language especially when the object is rather to learn what a writer has to say than how he says it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Sainte-Beuve: Selected Essays. Translated and Edited by Francis Steegmuller and Norbert Guterman Charles Augustin Sainte-Beuve,Norbert GUTERMAN,Francis Steegmuller,1965 **Selected Essays** Walter Pater,2018-09-27 Famed for his singular prose style as much as for his controversial aestheticist principles Walter Pater 1839 1894 was one of the great essayists in a century of great essayistic writing His first book *Studies in the History of the Renaissance* one of the most original and influential texts of the Victorian Aesthetic Movement was described by Arthur Symonds as the most beautiful book of prose in our literature and his later work moved Vernon Lee to call him the natural exponent of the highest aesthetic doctrine *Selected Essays* is a generous gathering of Pater's essays on literature art history philosophy and mythology all of them in the words of Oscar Wilde delicately wrought works of art The selection is accompanied by Alex Wong's critical and biographical introduction and rich explanatory notes **Selected Essays from Sainte-Beuve - Primary Source Edition** Charles Augustin Sainte-Beuve,John Robert Effinger,2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book *Revolutions in Writing* Rosemary Lloyd,1996 Presents an anthology of some of the prose and

prose poems of 19th century France This reader sets these prose experiments in their cultural and historical context and provides notes to elucidate references and allusions
