who has had considerable experience as an art journalist and critic These essays constitute approximately half the volume the remainder consisting of illustrations from the work of both artists      The Shepherd of Hermas as Scriptura Non Grata Robert D. Heaton, 2023-04-24 Composed within the first Christian century by a Roman named Hermas the Shepherd remains a mysterious and underestimated book to scholars and laypeople alike Robert D Heaton argues that early Christians mainly received the Shepherd positively and accepted it unproblematically alongside texts that would ultimately be canonized requiring decisive actions to exclude it from the late emerging collection of texts now known as the New Testament Freshly evaluating the evidence for its popularity in patristic treatises manuscript recoveries and Christian material culture Heaton propounds an interpretation of the Shepherd of Hermas as a book meant to guide his readers toward salvation Ultimately Heaton depicts the loss of the Shepherd from the closed catalogue of Christian scriptures as a deliberate constrictive move by the fourth century Alexandrian bishop Athanasius who found it useless for his political theological and ecclesiological objectives and instead characterized it as a book favored by his heretical enemies While the book's detractors succeeded in derailing its diffusion for centuries the survival of the Shepherd today attests that many dissented from the church's final judgment about Hermas's text which portends a version of early Christianity that was definitively overridden by devotion to Christ himself rather than principally to his virtues      *Shepherd* Grace Raphael, 2023-06-28 In a world filled with wonder and possibilities where the ordinary often intertwined with the extraordinary there existed a small peaceful town named Willowbrook Nestled amidst lush green meadows and surrounded by majestic forests Willowbrook was a place of tranquility and harmony The inhabitants of Willowbrook a close knit community led simple yet fulfilling lives They toiled in the fields tended to their animals and embraced the beauty of nature that enveloped their town But little did they know that their lives were about to be forever changed by the arrival of a mysterious package a package that held within it the promise of brilliance The Johnsons a loving family who had called Willowbrook home for generations were the fortunate recipients of this extraordinary package As they opened it their eyes widened in amazement Inside was a tiny adorable puppy with silky fur and mesmerizing blue eyes They named him Shepherd unaware of the immense intelligence and bravery that lay hidden within this remarkable dog From the very beginning Shepherd's presence illuminated the Johnsons home His playful antics brought laughter and his unwavering loyalty brought comfort But as he grew it became apparent that Shepherd was no ordinary dog His intelligence surpassed all expectations and his ability to understand and anticipate his family's needs bordered on the extraordinary Shepherd quickly learned tricks and commands his mind absorbing knowledge like a sponge He displayed an uncanny ability to solve puzzles and his perceptiveness in reading the emotions of those around him was truly remarkable It was as if he possessed a deep understanding of the world as if he held a secret wisdom beyond his years The Johnsons were in awe of their brilliant companion but they soon realized that Shepherd's intelligence could be harnessed for a greater purpose      The New York Times Index ,1915
