Provided by publisher **A Hard Ride** Dick Dooley, Dennis Dooley, 2023-11-29 I have always had a fierce independence from my earliest memory However I was always shy and uncomfortable in social situations which always frustrated me to no end I still struggle with my social shortcomings to this day My confidence in my solo actions were always strong I have always marveled at the military's ability to train men and women how to run things who did not have a lot of formal training better than a lot personal who did During the summer of 2018 I was selected to attend the four day training seminar at the US War College in Carlisle Pennsylvania I think that I was the lowest ranking commissioned officer at the class since I was only a Navy lieutenant and all the others were Army lieutenant colonels and above I tried to persuade them of the desirability of the need for having senior enlisted soldiers in attendance for their input on how to run things more efficiently than the high ranking officers did since they were the ones assigned to conduct the operations I came away with the conclusion that my thoughts were not appreciated for the most part but I still have this belief During my preteen years in the Arkansas Ozarks I read the novel *The Yearly* by Marjorie Rawlings and it was later made into a movie starring Gregory Peck Many of the kids that I knew in the Ozarks were exactly like many of the kids portrayed in the book which only enhanced the story for me I also read the books *Tom Sawyer* and *Huckleberry Finn* by Mark Twain which also brought to life for me what I was living in the Ozarks Also while in school in the fourth and seventh grades in the Ozarks I was well respected which also enhanced my experience while in Arkansas In the Navy while I had never been in a small airplane in my entire life I discovered that I had a talent that I did not know that I had I had mistakenly assumed that many of the other trainees with more abilities than I had were actually washing out of the program while I continued to hang on until getting my wings and commission This caused a lot of consternations in my mind why was I succeeding and they weren't After being released from the Navy I couldn't get a

job with any airline due to an oversupply of pilots from Vietnam Eventually I got a job with East Bay Municipal Utility District EBMUD and moved back to my home in Angels Camp California I worked at EBMUD for twenty years and during that time I also served on the elected board of directors for Calaveras County Water District CCWD which oversees twenty separate water wastewater and hydroelectric systems scattered throughout the county That s a brief biography of my life If anybody wishes to communicate with me with questions or observations please contact me through my e mail address dbdooley hotmail com Please refer to this book so that I do not mistakenly delete it thinking it is junk mail **Chester's Last Ride** Nathan Wright,2017-07-06 Chester s Last Ride by Nathan Wright Nathan Wright has written a stirring adventure story in the best tradition of the western novel It relates the difficult journey of Zeke Conley from Kentucky and his half wolf dog Big Ben as they wander the frontiers for treasure and excitement At last Conley and his ever faithful companion return home to help his family fight off swindlers and desperadoes Here there is rousing action enough to satisfy any reader but it is in its depiction of the hardships and rewards of life in nature that Chester s Last Ride rises to true inspiration as it conveys the feel of such details as the refuge of a campfire on a freezing night under the barren sky or the comradeship of a fellow s horse and his big dog **The Skeleton Rides a Horse and Other Stories** Toni L.
