Sherlock Holmes And The Apocalypse Murders:

Sherlock Holmes and the Apocalypse Murders Barry Day, 2015-07-28 A gruesome new murder puts London's greatest detective on the trail of Jack the Ripper again Day always captures the flavor of Conan Doyle The Sherlockian E Times Croxley Mews is a typical London street narrow winding and dark Sherlock Holmes has never trod its cobblestones until the day a woman is found lying dead on them It is a murder gruesome enough to shock even the battle hardened Dr Watson who has never before seen a woman disemboweled It looks unmistakably like the handiwork of that notorious murderer who stalked the alleys of Whitechapel a decade before Holmes is not fazed He caught Jack the Ripper once and he will do so again At the height of the Ripper murders Holmes was called in by his brother Mycroft to catch the killer whose social position made him impossible to arrest The killer was exiled but now he may have returned bringing all the terrors of the apocalypse in his wake Holmes and the Ripper Lucyna Krawczyk-Żywko, 2024-03-22 In versus narratives Sherlock Holmes is fighting or otherwise engaging Jack the Ripper These texts pit the archetypal detective against the archetypal serial killer using established formulas as well as new narrative and generic features a combination that results in their mass appeal among authors and audiences alike The list of primary sources includes 120 titles novels short stories plays fanfiction Grand Game studies movies TV shows video and board games which are treated as a dialogic network of transfictional and transmedial texts This study unpacks the versus corpus in its media dispersal by analysing Sherlock Holmes and Jack the Ripper as serial figures and culture texts emphasising the increasing palimpsestousness of the former and the multidirectional polymorphousness of the latter and tracing the overlapping Doylean culture text It also addresses the way character constellations are represented negotiated and fed back into the versus network contextualising them within the coalescence of fact and fiction Gothic and crime fiction frames cultural memory neo Victorianism and biofiction

Forget Baudrillard? Chris Rojek, Professor Bryan S Turner, Bryan Turner, 2002-11-01 Without doubt Jean Baudrillard is one of the most important figures currently working in the area of sociology and cultural studies but his

writings infuriate as many people as they intoxicate This collection provides a wide ranging measured assessment of Baudrillard s work The contributors examine Baudrillard s relation to consumption modernity postmodernity social theory feminism politics and culture They attempt to steer a clear course between the hype which Baudrillard himself has done much to generate and the solid value of his startling thoughts Baudrillard s ideas and style of expression provide a challenge to established academic ways of proceeding and thinking The book explores this challenge and speculates on the reason for the extreme responses to Baudrillard s work The appeal of Baudrillard s arguments is clearly discussed and his place in contemporary social theory is shrewdly assessed Baudrillard emerges as a chameleon figure but one who is obsessed with the central themes of style hypocrisy seduction simulation and fatality Although these themes abound in postmodern thought they are also evident in a certain strand of modernist thought one which embraces the writings of Baudelaire and Nietzsche Baudrillard s protestation is that he is not a postmodernist is taken seriously in this collection The balanced and accessible style of the contributions and the fairness and rigour of the assessments make this book of pressing interest to students of sociology philosophy and cultural studies
