Manufacturing National Park Nature J. Keri Cronin, 2011-07-01. National parks occupy a prominent place in the Canadian imagination yet we are only beginning to understand how their visual representation has shaped and continues to inform our perceptions of ecological issues and the natural world. J. Keri Cronin draws on historical and modern postcards, advertisements and other images of Jasper National Park to trace how various groups and the tourism industry have used photography to divorce the park from real environmental threats and instead package it as a series of breathtaking vistas and adorable-looking animals. *Manufacturing National Park Nature* demonstrates that popular forms of picturing nature can have ecological implications that extend far beyond the frame of the image. **Canadian Book Review Annual**, 1994. *Novel & Short Story Writer's Market*, 1996. *Commercial West*, 1926. **Travel Magazine**, 1904. *Detecting Canada* Jeannette Sloniowski, Marilyn Rose, 2014-03-25. The first serious book-length study of crime writing in Canada, *Detecting Canada* contains thirteen essays on many of Canada's most popular crime writers including Peter Robinson, Giles Blunt, Gail Bowen, Thomas King, Michael Slade, Margaret Atwood and Anthony Bidulka. Genres examined range from the well-loved police procedural and the amateur sleuth to those less well-known such as anti-detection and contemporary noir novels. The book looks critically at the esteemed sixties television show *Wojeck* as well as the more recent series *Da Vinci's Inquest*, *Da Vinci's City Hall* and *Intelligence* and the controversial Durham County critically acclaimed but violent television series that ran successfully in both Canada and the United States. The essays in *Detecting Canada* look at texts from a variety of perspectives including postcolonial studies, gender and queer studies, feminist studies, Indigenous studies and critical race and class studies. Crime fiction, enjoyed by so many around the world, speaks to all of us about justice, citizenship and important social issues in an uncertain world.
