Forensic Science in Contemporary American Popular Culture Lindsay Steenberg, 2013 This book identifies traces and interrogates contemporary American culture s fascination with forensic science It looks to the many different sites genres and media where the forensic has become a cultural commonplace It turns firstly to the most visible spaces where forensic science has captured the collective imagination crime films and television programs In contemporary screen culture crime is increasingly framed as an area of scientific inquiry and even more frequently as an area of concern for female experts One of the central concerns of this book is the gendered nature of expert scientific knowledge as embodied by the ubiquitous character of the female investigator Steenberg argues that our fascination with the forensic depends on our equal fascination with and suspicion of women s bodies with the bodies of the women investigating and with the bodies of the mostly female victims under investigation

History and Material Culture Karen Harvey, 2013-02-01 Sources are the raw material of history but where the written word has traditionally been seen as the principal source today historians are increasingly recognizing the value of sources beyond text In **History and Material Culture** Karen Harvey embarks upon a discussion about material culture considering objects often those found surrounding us in day to day life as sources which

can help historians develop new interpretations and new knowledge about the past Across ten chapters different historians look at a variety of material sources from around the globe and across centuries to assess how such sources can be used to study history While the sources are discussed from interdisciplinary perspectives each contributor examines how material culture can be approached from an historical viewpoint and each chapter addresses its theme or approach in a way accessible to readers without expertise in the area In her introduction Karen Harvey discusses some of the key issues raised when historians use material culture and suggests some basic steps for those new to these kinds of sources Opening up the discipline of history to new approaches and introducing those working in other disciplines to historical approaches this book is the ideal introduction to the opportunities and challenges of researching material culture *Through a Glass, Darkly* Stefan Bechtel, Laurence Roy Stains, 2017-06-13 2018 ASJA Award Winner in the Biography History Category Is it possible to make direct contact with the dead Do the departed seek to make contact with us The conviction that both things are true was the cornerstone of spiritualism a kind of do it yourself religion that swept the Western world from the 1850s to the 1930s Prominent artists and poets prime ministers and scientists all joined hands around the séance table But the movement's most famous spokesman by far was Sir Arthur Conan Doyle whose public quarrels with Houdini over the truth of spiritualism made headlines across the country Known to the world as the creator of Sherlock Holmes Conan Doyle had undergone what many considered an enigmatic transformation turning his back on the hyper rational Holmes and plunging into the supernatural What was it that convinced a brilliant man the creator of the great exemplar of cold objective thought that there was a reality beyond reality Though most modern sources make Conan Doyle out to be a kindly but credulous old fool and though the spiritualist era was rife with fraud Stefan Bechtel and Laurence Roy Stains take a closer look They reexamine the old records of trance mediums and séances and they discover that what Conan Doyle and his colleagues uncovered is as difficult to dismiss now as it was then Victorian Detectives in Contemporary Culture Lucyna Krawczyk-Żywko, 2017-11-28 In contrast to the main body of current Victorian detective criticism which tends to concentrate on Conan Doyle's creation and only uses other detectives as a backdrop the texts gathered in this volume examine various contemporary ways of re-presenting real and fictional detectives that originated in or are otherwise associated with that era Inspector Bucket Sergeant Cuff Inspector Reid Tobias Gregson Flaxman Low and psychiatrists as detectives Such a collection allows for a critical re-assessment of both the detectives importance to the Victorian literature and culture and provides a better basis for understanding the reasons behind their contemporary returns re-imaginings and re-creations contributing to the creation of a base for further cultural and critical works dealing with reworkings of the Victorian era **Writing Material Culture History** Anne Gerritsen, Giorgio Riello, 2014-12-18 Writing Material Culture History examines the methodologies currently used in the historical study of material culture Touching on archaeology art history literary studies and anthropology the book provides history students with a fundamental understanding of the relationship between artefacts and historical narratives The role of

museums the impact of the digital age and the representations of objects in public history are just some of the issues addressed in a book that brings together key scholars from around the world A range of artefacts including a 16th century Peruvian crown and a 19th century Alaskan Sea Lion overcoat are considered illustrating the myriad ways in which objects and history relate to one another Bringing together scholars working in a variety of disciplines this book provides a critical introduction for students interested in material culture history and historical methodologies Sherlock Holmes, Byomkesh Bakshi, and Feluda Anindita Dey, 2021-12-27 Sherlock Holmes Byomkesh Bakshi and Feluda Negotiating the Center and the Periphery presents a postcolonial reading of Conan Doyle's canonical detective texts Sherlock Holmes adventures and some lesser known detective texts written by two Bengali Indian writers Sharadindu Bandyopadhyay 1899-1970 and Satyajit Ray 1921-1992 The book proposes that in a postcolonial reading situation the representation of Holmes problematizes the act of reading and also the act and discourse of inquiry The fact that the Holmes adventures contribute to the hegemonic culture of Anglo Eurocentrism is seen as a reinforcement of racial superiority among the colonized This book studies how literary texts function as a signifier of a particular national identity and can indicate the cultural construct of a state It contends that only those texts which cater to the standards of global hierarchy are considered canonical and indigenous texts however significant remain as Other literature The book highlights colonial and postcolonial discourse in the Bengali detective texts and examines how far Holmes has been able to reinforce racial dominance over the Indian detectives Byomkesh Bakshi and Feluda **Bowker's Guide to Characters in Fiction 2007**, 2008-02 *Crime Fiction as World Literature* David Damrosch, Louise Nilsson, Theo D'haen, 2017-02-23 The first book to treat crime fiction in its full global intercultural and plurilingual dimensions taking the genre seriously as a participant in the international sphere of world literature **Enola Holmes: The Case of the Disappearing Duchess** Nancy Springer, 2022-05-31 Enola Holmes younger sister to Sherlock Holmes is back on another case As Enola searches for the missing Lady Blanche fleur del Campo she discovers that her brother Sherlock is just as diligently searching for Enola herself Sherlock and Enola must solve a triple mystery What has happened to their mother And to Lady Blanche fleur And what does either have to do with their brother Mycroft Flat out among the best mysteries being written for young people today Booklist starred review Don't miss Enola Holmes The Case of the Missing Marquess Now a Netflix original movie starring Millie Bobby Brown Henry Cavill and Helena Bonham Carter **A Sherlock Holmes Devotional** Trisha Priebe, 2015-07-01 After a century Sherlock Holmes mysteries still fascinate us and this devotional will delight you with spiritual truths drawn from the pages of the classic detective stories A Sherlock Holmes Devotional contains 60 entries drawn from the characters stories and events of the Holmes canon From 221b Baker Street to Reichenbach Falls from Irene Adler to the evil Dr Moriarty from the pipe to the violin this book investigates the spiritual truths we can discern from this enigmatic fictional character a brusque stubborn and arrogant man who also shows honor trust and self sacrificing friendship It's a fascinating read for fans of the series or those yet to meet the great detective
