Sherlock Holmes Meets Father Brown:

Night Watch Stephen Kendrick, 2006-11-07 In this brilliantly crafted pastiche Stephen Kendrick brings Sherlock Holmes and Father Brown together in an unprecedented collaboration on a singularly shocking murder case It is Christmas Day 1902 and a priest's mutilated body has been found in a London church that is hosting a secret interfaith meeting to discuss the possibility of a Parliament of World Religions A summons from the Prime Minister plunges Holmes into a case with international political and ecclesiastical complications Untrampled snow surrounding the church suggests that the murderer remains within and that he is presumably one of the leaders of the world's great faiths Throughout the night as more deaths are discovered Holmes and Dr Watson follow one false lead after another But with his legendary astuteness Holmes manages to wrap the case up in less than twenty four hours or so it seems Two weeks later Father Brown the meek young priest translator pays a call at Baker Street to reveal a few loose ends The intersection of religion and politics faith and sin enmity and forgiveness these themes are subtly interwoven into this fast paced mystery that is filled with classic intrigue

Bardowell, 2024-02-08 Mystery fiction as a genre renders moral judgments not only about detectives and criminals but also concerning the cultural structures within which these mysteries unfold. In contrast to other volumes which examine morality in crime fiction through the lenses of personal guilt and personal justice *Certainty and Ambiguity in Global Mystery Fiction* analyzes the effect of moral imagination on the moral structures implicit in the genre. In recent years public awareness has attended to the relationship between social structures and justice and this collection centers on how personal ethics and social ethics are bound together amidst the shifting moral landscapes of mystery fiction. Contributors discuss the interplay between personal guilt and social guilt considering morality and justice on an individual level and at a societal level using frameworks of certainty and ambiguity. They show how individual characters in works by Agatha Christie Gabriel Garcia Marquez Natsuo Kirino F. H. Batacan and Stephen King among others may view their moral standing with certainty but clash with the established mores of their culture. Featuring essays on Japanese Filipino Indian and Colombian mystery fiction as well as American and British fiction this volume analyzes social guilt and justice across cultures showing how individuals grapple with the certainty and at times the moral ambiguity of their respective cultures. **Formal Investigations:**

Aesthetic Style in Late-Victorian and Edwardian Detective Fiction Paul Fox, Koray Melikoglu, 2014-05-01 The essays in this revised and expanded volume explore a variety of structuring taxonomies the relationships between the aesthetic forms styles and methodologies of detective and crime fiction in the late Victorian and Edwardian period. The influences on the artists in the genre are as varied as the interests of the period in scientific method forensics archaeology aesthetics medicine and the paranormal. But the formalizing tendencies of investigative process remain and it is this adherence in artist and detective alike to seeing crime and its resolution as a stylistic imposition of structure on disorder that is under examination.
