Shield Of Fire:

The Expositions On The Psalms St. Augustine of Hippo, 2012 This is the extended and annotated edition including an extensive biographical annotation about the author and his life In any commentary on a portion of the Old Testament by a writer unacquainted with Hebrew exact criticism and freedom from mistake must not be expected But the Psalms have been so in the mouth and in the heart of God's people in all languages that it has been necessary often to find an explanation suitable to imperfect translations And no doubt it is intended that we should use such explanations for the purpose of edification when we are unable to be more accurate though in proving doctrine it is necessary always to remember and allow for any want of acquaintance with the original or uncertainty with respect to its actual meaning However the main scope and bearing of the text is rarely affected by such points as vary in different translations and the analogy of the faith is sufficient to prevent a Catholic mind from adopting any error in consequence of a text seeming to bear a heterodox meaning Perhaps the errors of translation in the existing versions may have led the Fathers to adopt rules of interpretation ranging too far from the simple and literal but having such translations they could hardly use them otherwise Meanwhile St Augustin will be found to excel in the intense apprehension of those great truths which pervade the whole of Sacred Writ and in the vivid and powerful exposition of what bears upon them It is hardly possible to read his practical and forcible applications of Holy Scripture without feeling those truths by the faith of which we ought to live brought home to the heart in a wonderful manner His was a mind that strove earnestly to solve the great problems of human life and after exhausting the resources and discovering the emptiness of erroneous systems found truth and rest at last in Catholic Christianity in the religion of the Bible as expounded by St Ambrose And though we must look to his Confessions for the full view of all his cravings after real good and their ultimate satisfaction yet throughout his works we have the benefit of the earnestness with which he sought to feed on the sincere milk of the word Official Gazette of the United States Patent Office USA Patent Office, 1915 A *Library of Fathers of the Holy Catholic Church, Anterior to the Division of the East and West*, 1848 **Expositions on the Book of Psalms** Saint Augustine of Hippo, Aeterna Press, Blessed is the man that hath not gone away in the counsel of the ungodly ver 1 This is to be understood of our Lord Jesus Christ the Lord Man Blessed is the man that hath not gone away in the counsel of the ungodly as the man of earth did who consented to his wife deceived by the serpent to the transgressing the commandment of God Nor stood in the way of sinners For He came indeed in the way of sinners by being born as sinners are but He stood not therein for that the enticements of the world held Him not And hath not sat in the seat of pestilence He willed not an earthly kingdom with pride which is well taken for the seat of pestilence for that there is hardly any one who is free from the love of rule and craves not human glory Aeterna Press **Expositions on the Book of Psalms** Augustin ((saint ;), 1848 **The Complete Works of Saint Augustine (50+)** Saint Augustine, 2021-10-27 Augustine's writings influenced the development of Western philosophy and Western Christianity and he is viewed as one of the most important
