**Surviving Grief ... and Learning to Live Again** Catherine M. Sanders,2015-08-13 An insightful compassionate account of the grieving process that helps us through the pain and isolation experienced with the loss of a loved one We re never really prepared for the loss of someone we love Thrown into a state of emotional chaos we experience rage guilt anxiety and intense sadness all at once It s the oldest story in the world we tell ourselves millions of people have had to cope with this before and yet we always believe that what we are experiencing is unique to us We feel isolated in our anguish and often ashamed of what we are feeling A profoundly compassionate and insightful book Surviving Grief Learning to Live Again offers you the support

and understanding you need to get you through this difficult time Written by Dr Catherine Sanders a therapist and researchers specializing in bereavement issues and one who has lived through the loss of close family members it helps you to see that what you are feeling is part of a natural process of readjustment and renewal According to Dr Sanders grieving like any other natural regenerative process must be allowed to run its proper course if we are ever to regain our equilibrium and continue on with our lives To help us better understand the process she describes the five universal phases of grief Shock Awareness of Loss Conservation and The Need to Withdraw Healing and Renewal and guides us through each Drawing directly from her own experiences and those of her clients and her research studies she delves deeply and compassionately into the different experiences of grief and talks about what it means to lose a mate a parent or a child And she discusses the factors that can have an influence on the grieving process such as age gender and the circumstances surrounding the loved one's death

**How to Survive the Loss of a Child** Catherine Sanders, 2011-08-17 Thank you Catherine Sanders for giving us a book that few others could have written Every page speaks both the depth of your compassion and the breadth of your knowledge This book will be a wise companion on the difficult journey from loss to recovery Robert Kastenbaum Ph D author of *The Psychology of Death* How to Survive the Loss of a Child is a godsend to those in the field as well as to those of us in need of such a resource for our own mourning Eugene Knott Ph D University of Rhode Island Dr Sanders insights are profound and poignant Patricia Geiger M D pediatrician Boone North Carolina Thank you so much for all that you do for bereaved parents but especially for writing *How to Survive the Loss of a Child* I know that it has changed lives It changed mine Nancy Ulmer bereaved parent Kindermourn Charlotte North Carolina It is only through experiencing grief that bereaved parents ultimately heal Moving through the phases of grief the bereaved person works toward restoration Understanding these phases knowing what to expect and learning what they can do to help themselves give parents greater assurance and comfort In *How to Survive the Loss of a Child* Dr Sanders a bereaved parent herself offers grieving parents practical help and emotional support This book also helps family members friends and caregivers relate to grieving parents and aids them too in understanding the process of healing through grief
