Branch's Big Adventure All About the Trolls Poppy's Party Drop the Beat Color Day and The Sound of Spring It's the perfect gift for children ages 4 to 7 Step 2 readers use basic vocabulary and short sentences to tell simple stories For children who recognize familiar words and can sound out new words with help Step 3 readers feature engaging characters in easy to follow plots about popular topics For children who are ready to read on their own **The Academy**, 1885 *The Living Tale Series* M.D., Jane H Smith, Jane H Smith, MD, 2009-12 A hero needs a heart so he can do extraordinary things Remember Henley every good story needs a hero and a hero needs a heart Nine year old Henley Banks dreams of being a hero but it's not until he receives a mysterious book from his grandpa that his hero's heart is awakened As Henley dives literally into the Living Tale he discovers a world beyond anything he ever imagined full of amazing lands an unexpected gardener powerful glories and an evil that lurks behind Henley's every step Jump into the first book of The Living Tale Series with young Henley Banks in Henley and the Book of Heroes as new author Jane H Smith leads readers of all ages on a supernatural adventure into a battle for Henley's heart In the midst of this battle Henley's beloved grandpa is rushed to the hospital and it seems that only Henley can save him Not only that but the Banks family is also struggling to hold together until their father returns from war There are creatures that seek to overpower the boy before this can happen How will Henley ignite his hero's heart in time Troll Wars Charles G Dyer, 2013-03-06 It is the end of the Dark Ages Macans aka Gnomes live peacefully and mind their own business While most of the men are out on patrol Trolls kidnap Brodo's wife Ada and his sons Morel and Rada Led by Toki a small group of Macans track the kidnappers through the forest to a cave at the foot of a mountain range The ensuing battle together with an earlier similar attack marks the beginning of a war of attrition Trolls are five times bigger than Macans but they are rather stupid and somewhat cowardly Intelligence bravery ingenuity poisoned arrows and a little bit of magic gives the Macans a small advantage Trolls usually operate in pairs or small groups but a crackpot king has organised them more and formed a small army This seriously undermines the Macans superiority Read this action packed drama to see how things turn out *First Person Tales* Gergana Apostolova, 2007-10-02 This is a book of ten separate tales which contain smaller tales and are interconnected in the manner of Scheherazade's stories but disclose the intimate relationship of humanity and nature The tales are based on the first person singular involvement of the reader who is the potential teller after experiencing the events from the tales Some of the tales are definitely in the feminine some are in the masculine but most of them go deeper into the roots of our individuality where gender is only humanity The action is set in both the real and the absurd adventure of our minds growing to know ourselves while cutting through our fears memories daydreams and role play games likes and dislikes evaluations and senses That is why the action of the tales is like a relaxed revisiting of a picturesque dreamy land it is like dream weaving in a motion picture where the colors of a rolling scenery are combined with real smells sounds and the unbound ability to move through space and time and understand the language of every natural object whether a rock or an alien or a tree The tales are told in an amorphous set of texts which is like the part

of a single person's mind life This is the form of a proto novel whose plot and subplots are not bound in a line of development but resemble a tree where each tale is like a golden apple ready to fall into the hand of a willing reader after having sucked the juices of the mother stem The texts are to be used in adaptations retold in the first person singular by grown ups to kids or vice versa transformed into game settings into film versions into drawing books or into simplified texts to be finished by learners
