Shining Like The Sun:

Shining Like the Sun David H. Wenkel, 2018-08-28 This is the first sustained whole Bible treatment on the theme of meeting God face to face Starting with Genesis and ending with Revelation the author systematically covers the major events in salvation history all of which reveal the beauty of encountering God's grace in abundance The Destroyer and the Lamb Matthias Reinhard Hoffmann, 2005 Matthias Reinhard Hoffmann identifies an angelomorphic portrait of Christ in certain passages of Revelation and provides possible reasons for the inclusion of an angelomorphic Christology Angelomorphic Christology is not regarded as an isolated christological concept In turn the author compares angelomorphic Christology with the prominent Lamb Christology of Revelation A comparison of these concepts reveals that both Lamb and angelomorphic Christology serve the purpose of contrasting different functions of Christ The functions correspond with the implied perception of Christ by his followers on the one hand and his opponents on the other Accordingly Christ appears to be an eschatological juridical figure described in angelomorphic patterns to his opposition while he is perceived as salvific redeemer in form of the Lamb by those who believe in him Such a christological perspective draws on traditions from the Exodus narrative namely the features of the Passover Lamb and the Destroying Angel Further equality between God and Christ is established despite an angelomorphic portrait of Christ especially those passages describing Christ as the Lamb put him on par with God But also within visions with an angelomorphic description of Christ his status as superior to angels and as an equal to God is displayed **The Jewish Popes** Leon G. Van Wert, 2009-10 Will we ever see peace in the Middle East If so how will it come about Currently negotiations are in the works for the creation of an independent Palestinian State However it will be located in part of the land which Orthodox Jews believe was set aside by God exclusively for the Jews They contend that the Israelites under Moses covenanted with God never to let non Jews live in any part of the Promised Land They further believe that a breach of this sacred Covenant will lead to divine curses for the disobedient Jews including the conquest of Israel by her enemies and the deportation of the surviving Jews to foreign lands Dr Leon G van Wert now has written a new and exciting eschatological work which clearly shows that the creation of a new non Jewish Palestinian State within the boundaries of the Promised Land will bring us one pivotal step closer towards the End Times Using the Old Testament as his guide to interpreting the book of Revelation Dr van Wert has unlocked this mysterious book of the Bible When is the end The end is near says the author when after the creation of an independent State of Palestine the Cardinals elect two successive Jewish Popes *Conditional Futurism* James Goetz, 2012-01-11 Conditional Futurism introduces a new perspective of end time theology eschatology The book holds to Christian futurism while integrating the Apocalypse of John with the conditional dynamics of prophecy taught in Jeremiah Ezekiel Daniel and various other books throughout the Old Testament The new paradigm concludes that the final antichrist also known as the man of lawlessness the beast and the eighth king may read the apocalyptic prophecy of his doom while deciding instead to repent of evil and turn to the Lord

which is a biblical option that would fulfill the divine purposes of the apocalypse This cutting edge scholarship also develops new biblical models of angels appearing as humans the descent of Christ into hell and the kings in Revelation that incorporate with this end time theology that encourages hope in all circumstances **Blogging Towards Bethlehem** Dr Eugene Kennedy, PhD,2014-05-14 Reflections on the Church and society from a well known Catholic writer *My Valued Ruby: Poems* Perry Honce McGee,2022-07-21 My Valued Ruby Poems is a collection of poems published in 1920 by Perry Honce McGee a brilliant African American orator and poet McGee dedicates the book with love and hope to his race and the struggle they face *Woman* Hermann Heinrich Ploss,Max Bartels,Paul Bartels,2014-05-12 Woman An Historical Gynological and Anthropological Compendium Volume Two provides information pertinent to relationships of women to the male sex This book discusses the concepts of modesty chastity and respects for women in cultural history Organized into 39 chapters this volume begins with an overview of the sexual relation of woman to man This text then explores various topics including love and the artificial arousing of love various forms of betrothal marriage procreation impregnation and conception Other chapters consider the position of woman in the family and in the nation This book discusses as well the reciprocal relations between husband and wife which are of the highest significance for the stage of morality to which each people has attained The final chapter deals with the different kinds of customs that are associated with or directly attached to parturition This book is a valuable resource for anthropologists ethnologists and research workers *The New Big Book of Christian Mysticism* Carl McColman,2023-08-29 This revised and expanded edition offers a big possibility the hope of achieving real experiential union with God The Christian of the future will be a mystic or will not exist This word of warning from theologian Karl Rahner was uttered half a century ago and today Christianity is indeed in crisis Is mysticism necessary for the survival of Christianity What exactly is Christian mysticism How can it be relevant in our crisis ridden world Questions like these inspire The New Big Book of Christian Mysticism a newly updated edition from beloved spiritual teacher and bestselling author Carl McColman The New Big Book of Christian Mysticism serves as both introduction and practical instruction for a living contemplative practice today In addition to the overview of mysticism spiritual and prayer practices in mysticism the various types of mysticism in Christian tradition and influential mystics through the millennia this second edition offers an embodied understanding of the mystic life with a more diverse range of voices and perspectives from Howard Thurman to Pauli Murray It also includes new chapters and themes that address embodied mysticism contemplation and social justice and the ongoing relevance of Jesus s message of radical equality and inclusivity This bigger book introduces both Christians and non Christians to the contemplative tradition within Christianity a tradition that has often been marginalized or cloistered to the church s detriment As a practice oriented book this is an invitation to embrace the mystical element within Christianity a practice that can equip faithful persons with a joyful sense of divine intimacy not just for personal benefit but as a foundation to a life of service and activism in the interest of justice McColman s overview of

mysticism shows how it has been practiced and lived through the centuries and will prove inspirational for today's seekers regardless of their faith tradition At its heart Christian mysticism is an ancient practice that incorporates meditation contemplation worship philosophy the quest for enlightenment the thirst for a better world and the experience of divine presence

Christian Solar Symbolism and Jesus the Sun of Justice Kevin Duffy, 2022-02-24 This pioneering study of Christian sun symbolism describes how biblical light motifs were taken up with energy in the early Church Kevin Duffy argues that living in a world of 24/7 illumination we need to reconnect with the sun and its light to appreciate the meaning of light in the Bible and Christian tradition With such a retrieval we can appreciate Pope Francis's insistence that like the moon the Church does not shine with its own light and assess the claim that the Eucharist is to be celebrated *Ad Orientem* that is towards the rising sun in the East Liturgy architecture poetry and the writings of saints and theologians such as Augustine Hildegard of Bingen Francis of Assisi and Thomas Traherne offer abundant resources for a much needed ressourcement While Christ was preached as the True Sun among sun worshipping Aztecs and the consecrated host was placed in a solar monstrance on Baroque altars in the modern era solar themes have been neglected In this accessible work the author suggests that we rebalance a spiritual symbolism that has over emphasised darkness and cloud at the expense of light and sun He proposes a creative retrieval of the traditional title of Christ as the Sun of Justice This title blends the personal the social and the cosmic ecological and speaks powerfully to a secularising era that contemporaries Friedrich Nietzsche and Thersé of Lisieux both described as one where the sun does not shine

The Demands of Discipleship Michael A.

Milton, 2005-05-25 The Book of Daniel is the place where prophecy and theology meet in a teenage boy named Daniel in captivity to a foreign king Along with Daniel's friends the reader comes face to face with the realities in his own life How a believer must live in times of apostasy How a believer may follow the Lord in the most secular of conditions How a follower of Christ can trust Christ even when it seems He is not in control How a disciple of Jesus can meet the demands of discipleship in the tough hard places of life In The Demands of Discipleship Mike Milton leads the reader through a study of the book of Daniel as a divine guide to living for God in those times when it looks like God is nowhere to be found Retaining the live feel of an actual worship service at First Presbyterian Church of Chattanooga Tennessee where these messages were first

delivered the reader can expect an appealing mixture of faithful Bible exposition alert concern for the times in which we live and heartfelt pastoral application to the lives of real people Each chapter concludes with questions for devotional study or for small groups

The Four Gospels Christoph Rau,2024-04-16 When a theologian speaks of the widespread misconception nowadays that faith is an intellectual holding of what is possible they underpin a wretched reduction of faith Since the interest of New Testament studies shifted to philosophical details the word of the Bible was treated intellectually thus shaking the foundation of faith in many people Christoph Rau Could a deeper cause of today s myriad human troubles be related to a dwindling or even nonexistent familiarity with the four New Testament Gospels of Matthew Mark Luke and John This is the view of Christoph Rau for whom today s prevailing approach to theological research which treats the ancient religious texts more as literary products than authentic records of spiritual experience is if anything a contributing factor in our modern alienation from the spirit In this book Rau presents the results of five decades of research demonstrating the independent structure of each of the four canonical Gospels Through clear analyses he illumines the distinctive stylistic features of each composition revealing the design principles through which the meaning and goal of each Gospel can be understood Beyond the intrinsic value of each Gospel the author draws on their special features to explain how the spiritual richness of the four written works is fully revealed only by considering the pre Christian religions because each of the evangelists describes the incarnation of the Son of God from the perspective of his own mystery religion Furthermore the author succeeds in showing that the Gospels despite their seeming contradictions are elements of a common organism This book is a translation from German of *Die Vier um den Einen Wesensart und spiritueller Hintergrund der Evangelien* Verlag Dr Dieter Winkler 2008

Transfiguration and Hope D. Gregory Van Dussen,2018-09-17 To read and visualize the transfiguration of Christ is to enter its mystery and encounter its hope Like the Gospel writers and the disciples who climbed the mountain with Jesus we struggle to tell the story and explain its meaning Yet this astounding event reveals God s ultimate purpose in sending his Son the complete restoration of humanity and all creation our transfiguration in Christ The light and glory of that moment reveal a destiny that is infinite and eternal made possible by the power of grace Transfiguration is the trajectory and goal of our spiritual journey Across time and space Christians have reflected on the mystery and hope epitomized in the transfiguration yet their voices have been heard primarily within their own cultural and ecclesiastical contexts This study gathers many of those voices from the panorama of Scripture and church history and finds in them the common theme of radical transformation in Christ The point of this theological conversation is spiritual transfiguration and hope for each of us as we reach toward the future Christ has shown us in himself

The Gospel of Thomas and Plato Ivan Miroshnikov,2018-06-12 In *The Gospel of Thomas and Plato* Ivan Miroshnikov offers the first systematic discussion of the Platonist impact on the Gospel of Thomas arguing that Platonism is indispensable to making sense of those sayings that have long remained exegetical cruxes
