Walling,2012-10-20 Award winning historian Mike Walling captures the essence of the Arctic Convoys of World War II In 1941 Germany invaded the Soviet Union in the largest offensive operation ever undertaken Operation Barbarossa saw defeat after defeat heaped on the Soviet army With Russia s forces left staggering under the strain and in desperate need of supplies Britain and the United States launched an ambitious operation to resupply the Soviet Union using convoys sent through the Arctic Their journey was punctuated by torpedo attacks in freezing conditions Stuka dive bombers naval gun fire and weeks of total darkness in the Arctic winter with ships disappearing below the waves weighed down by the ice and snow on their decks Drawing on hundreds of oral histories from eyewitnesses and veterans of the convoys plus original research into the Russian Navy archives at Murmansk historian Michael G Walling offers a fresh retelling of one of World War II s pivotal yet largely overlooked campaigns **The British Pacific Fleet** David Hobbs,2012-03-07 Magnificent and important should be on the shelves of anyone with a genuine interest in the history of the Royal Navy in the Second World War Military History Monthly In August 1944 the British Pacific Fleet did not exist Six months later it was strong enough to launch air attacks on Japanese territory and by the end of the war it constituted the most powerful force in the history of the Royal Navy fighting as professional equals alongside the US Navy in the thick of the action How this was achieved by a nation nearing exhaustion after five years of conflict is a story of epic proportions in which ingenuity diplomacy and dogged persistence all played a part As much a political as a technical triumph the BPF was uniquely complex in its make up its C in C was responsible to the Admiralty for the general direction of his Fleet took operational orders from the American Admiral Nimitz answered to the Government of Australia for the construction and maintenance of a vast base infrastructure and to other Commonwealth Governments for the ships and men that formed his fully integrated multi national fleet This ground breaking new work by David Hobbs describes the background creation and expansion of the BPF from its first tentative

strikes through operations off the coast of Japan to its impact on the immediate post war period including the opinions of USN liaison officers attached to the British flagships The book is the first to demonstrate the real scope and scale of the BPF's impressive achievement Perhaps the greatest Royal Navy story of at least the twentieth century *Aircrew Book Review*
