Jennifer Thigpen

Ships Furs And Sandalwood A Yankee Trader In Hawaii 1823 1825:

Ships, Furs, and Sandalwood Charles H. Hammatt, 1999-08-01 Charles H Hammatt arrived in Honolulu in 1823 anxious to do business not to save souls Young confident and ambitious Hammatt had been entrusted by a mercantile firm in Boston with the delicate task of negotiating trade agreements with Hawaiian royalty to secure sandalwood for the China Trade We have no fears of your falling into any of the vices you will find at the Islands his employers wrote in their detailed instructions but it may be well to reflect on them to be better prepared to reside in a Society where indolence intemperance debauchery and gambling are so fashionable Hammatt remained in Hawai i long enough to form his own opinions about native society and the odd mix of miscreants and missionaries that populated the largest port in the Pacific His personal and business dealings brought him into close contact with a wide range of people from the king Liholiho Kamehameha II and his wary ministers to unscrupulous harbor merchants and sea captains and other Yankee rogues From time to time Hammatt also found himself among polite missionary society He diligently recorded his encounters and observations in his journal which published here for the first time provides an unexpected and intimate glimpse of life in frontier Hawai i less than half a century after Cook s arrival Ultimately Hammatt proved unsuccessful in his business dealings and in 1825 his employers ordered him home to Boston But the account he left of his failed mission is an exciting and colorful addition to previous descriptions from the period Hammatt learned the hard way that the Hawaiians were shrewd negotiators and in firm control of all aspects of trade with foreigners Readers will delight in this unique view of a Yankee trader and his merchant rivals competing to do business with Hawaiian royalty

The Kingdom and the Republic Noelani Arista, 2018-11-26 In 1823 as the first American missionaries arrived in Hawai i the archipelago was experiencing a profound transformation in its rule as oral law that had been maintained for hundreds of years was in the process of becoming codified anew through the medium of writing The arrival of sailors in pursuit of the lucrative sandalwood trade obliged the ali i chiefs of the islands to pronounce legal restrictions on foreigners access to Hawaiian women Assuming the new missionaries were the source of these rules sailors attacked two mission stations fracturing relations between merchants missionaries and sailors while native rulers remained firmly in charge In *The Kingdom and the Republic* Noelani Arista Kanaka Maoli uncovers a trove of previously unused Hawaiian language documents to chronicle the story of Hawaiians experience of encounter and colonialism in the nineteenth century Through this research she explores the political deliberations between ali i over the sale of a Hawaiian woman to a British ship captain in 1825 and the consequences of the attacks on the mission stations The result is a heretofore untold story of native political formation the creation of indigenous law and the extension of chiefly rule over natives and foreigners alike Relying on what is perhaps the largest archive of written indigenous language materials in North America Arista argues that Hawaiian deliberations and actions in this period cannot be understood unless one takes into account Hawaiian understandings of the past and the ways this knowledge of history was mobilized as a means to influence

the present and secure a better future In pursuing this history The Kingdom and the Republic reconfigures familiar colonial histories of trade proselytization and negotiations over law and governance in Hawai i *Beyond Hawai'i* Gregory Rosenthal,2018-05-04 In the century from the death of Captain James Cook in 1779 to the rise of the sugar plantations in the 1870s thousands of Kanaka Maoli Native Hawaiian men left Hawai i to work on ships at sea and in na aina e foreign lands on the Arctic Ocean and throughout the Pacific Ocean and in the equatorial islands and California Beyond Hawai i tells the stories of these forgotten indigenous workers and how their labor shaped the Pacific World the global economy and the environment Whether harvesting sandalwood or bird guano hunting whales or mining gold these migrant workers were essential to the expansion of transnational capitalism and global ecological change Bridging American Chinese and Pacific historiographies Beyond Hawai i is the first book to argue that indigenous labor more than the movement of ships and spread of diseases unified the Pacific World Historical Dictionary of the Discovery and Exploration of the Pacific Islands Max Quanchi,John Robson,2005-10-18 The South Seas as this region used to be called conjured up images of adventure belles and savages romance and fabulous fortunes but the long voyages of discovery and exploration of the vast Pacific Ocean were really an exercise in amazing logistics navigation hard grit shipwreck and pure luck The motivations were scientific and geographic but at the same time nationalistic and materialistic A series on global exploration and discovery would not be complete without this book by Quanchi and Robson It is ambitious and informative and includes the familiar names of Laperouse Bougainville Cook and Dampier as well as the intriguing stories of the Bounty Mutiny scurvy and the mysterious Northwest Passage Terra Australis Ignatia and Davis Land There are entries on first contacts ships navigational instruments mapping and botany The scene is carefully set in the introduction the chronology spans several centuries and the extensive bibliography offers a guide to further reading There are more than just dry facts in this book It has a whiff of salt air the clash of empires cross cultural beach encounters and personal adventure **Macao and U.S.-China Relations** Yufan Hao,Jianwei Wang,2010-12-22 In this collection of essays edited by Jianwei Wang and Yufan Hao the contributor s explore the driving factors that lie behind Macao s increased visibility including the rapid economic development and growth the one country two system administration under which they operate the influx of foreign investment and the role of Macao in China s foreign policy especially as it relates to the United States Macao underwent tremendous growth in various spheres during its evolution from a minor colonial power into a global player with increasing influence on the world stage Their enhanced international profile is largely a result of their economic and political development over the 20th century culminating with their handover to China in 1999 With more than 60 countries that have established consular services in Macao and their membership in several international organizations WTO UNESDO and the World Tourism Organization Macao continues to play an important role in the Eastern hemisphere Macao s entrance into the world market improved their reputation in East Asia and led to spectacular economic growth but it also attracted foreign investment especially from the United States that

changed the cultural landscape American influence has grown steadily in Macao and with their increased exposure to international economics and politics Macao's role as a buffer between China and United States is increasingly important Macao and U S Chinese Relations uses a local perspective to analyze the complicated relationship between these two world superpowers and Chinese foreign policy as a whole *The Price of Empire* Miles M. Evers, Eric Grynawski, 2024-04-04 This book argues that small business drove American Pacific imperialism developing a novel account of the origins of American imperialism Hawaiian History Richard Lightner, 2004-08-30 Hawaii has been referred to as the crossroads of the Pacific This book illustrates how many world cultures and customs meet in the Hawaiian Islands providing a chronological overview highlighted by extracts from important works that express Hawaii's unique history This work starts with chronological chapters on general and ancient Hawaiian history and continues through early Western contact the 19th century and Hawaii's annexation to the United States Topics include politics religion social issues business ethnic groups and race relations

The Columbia Guide to Asian American History Gary Y. Okihiro, 2005-03-30 Offering a rich and insightful road map of Asian American history as it has evolved over more than 200 years this book marks the first systematic attempt to take stock of this field of study It examines comments and questions the changing assumptions and contexts underlying the experiences and contributions of an incredibly diverse population of Americans Arriving and settling in this nation as early as the 1790s with American born generations stretching back more than a century Asian Americans have become an integral part of the American experience this cleverly organized book marks the trajectory of that journey offering researchers invaluable information and interpretation Part 1 offers a synoptic narrative history a chronology and a set of periodizations that reflect different ways of constructing the Asian American past Part 2 presents lucid discussions of historical debates such as interpreting the anti Chinese movement of the late 1800s and the underlying causes of Japanese American internment during World War II and such emerging themes as transnationalism and women and gender issues Part 3 contains a historiographical essay and a wide ranging compilation of book film and electronic resources for further study of core themes and groups including Chinese Japanese Filipino Hmong Indian Korean Vietnamese and others **Hawai'i's Russian**

Adventure Peter R. Mills, 2002-02-28 In the early 1800s thousands of American and European traders arrived in Hawai'i to lay in supplies for the long trip east or to take on Hawaiian sandalwood which commanded a high price in China In response to this developing global economy in the Pacific Russia expanded its trading outposts as far as western Kaua'i and together with Kaua'i chiefs began planning the construction of Fort Elisabeth in Waimea in 1816 A year later the structure was abandoned by the Russians but as Peter Mills argues convincingly a long and significant history of the fort remains to be told even after its Russian one had ended Seeking to redress the imbalance that exists between the colonized and the colonizers in Pacific historiography Mills examines the fort and its place in the history of Kaua'i under paramount chief Kaumuali'i and in relation to the expanding kingdom of Kamehameha and his successors His work exposes how Hawaiians have been ignored

in their own history and challenges commonly held assumptions such as Kamehameha's unification of the Islands in 1810 and the victimization of Kaumuali'i by representatives of the Russian American Company Using hundreds of firsthand accounts in combination with field archaeology Mills shows that the fort was originally built and used by Hawaiians as a heiau ritual temple After the Russians departure Hawaiians continued to use the fort but in ways that reflected an ongoing transformation of cultural values provoked by contact with outsiders and the development of multiethnic communities in Waimea and other port settlements throughout the Hawaiian chain Hawai'i's Russian Adventure is an original look at a significant chapter in the history of Hawai'i It overturns many popular myths and perceptions about the fort at Waimea and about European and Hawaiian interaction in the first half of the nineteenth century while delving into some of the central issues in historical anthropology colonialism and the development of global networks

Connecting the Kingdom Peter R. Mills, 2022-12-31 In this groundbreaking work Peter Mills reveals a wealth of insight into the emergence of the Hawaiian nation state from sources mostly ignored by colonial and post colonial historians alike By examining how early Hawaiian chiefs appropriated Western sailing technology to help build their island nation Mills presents the fascinating history of sixty Hawaiian owned schooners brigs barks and peleleu canoes While these vessels have often been dismissed as examples of chiefly folly Mills highlights their significance in Hawai'i's rapidly evolving monarchy and aptly demonstrates how the monarchy's own nineteenth century sailing fleet facilitated fundamental transformations of interisland tributary systems alliance building exchange systems and emergent forms of Indigenous capitalism Part One covers broad trends in Hawai'i's changing maritime traditions beginning with the evolution of Hawaiian archaic states in the precontact era Mills argues that Indigenous trends towards political intensification under the predecessors to Kamehameha I set the stage for Kamehameha's own rapid appropriation of Western sailing vessels From the first procurement of a Western style vessel in 1790 through the beginning of the constitutional monarchy in 1840 these vessels were part of a nuanced strategy that promoted a diverse revenue base for the monarchy and developed greater international parity in Hawai'i's foreign diplomacy Part Two presents the histories of the sixty vessels owned by Hawaiian chiefs between 1790 and 1840 discussing their significance origin physical attributes ownership procurement and purpose Using newspapers and other contemporaneous sources Mills uncovers little known details of more than 2 000 voyages around and between the islands and to distant parts of the Pacific His meticulous documentation of each ship's itinerary is a valuable resource for tracking the movement of chiefs and commoners between islands as they engaged in the business of building a newly interconnected Hawaiian nation Part Three connects these previously neglected maritime stories with an expanding body of historical treatments of Hawaiian agency Readers with enthusiasm for life in nineteenth century Hawai'i will appreciate the entertaining and at times deeply moving glimpses into the daily lives of individuals in Hawai'i's pluralistic port communities

Island Queens and Mission Wives Jennifer Thigpen, 2014-03-24 In the late eighteenth century Hawai'i's ruling elite employed sophisticated methods for

resisting foreign intrusion By the mid nineteenth century however American missionaries had gained a foothold in the islands Jennifer Thigpen explains this important shift by focusing on two groups of women missionary wives and high ranking Hawaiian women Examining the enduring and personal exchange between these groups Thigpen argues that women s relationships became vital to building and maintaining the diplomatic and political alliances that ultimately shaped the islands political future Male missionaries early attempts to Christianize the Hawaiian people were based on racial and gender ideologies brought with them from the mainland and they did not comprehend the authority of Hawaiian chiefly women in social political cultural and religious matters It was not until missionary wives and powerful Hawaiian women developed relationships shaped by Hawaiian values and traditions which situated Americans as guests of their beneficent hosts that missionaries successfully introduced Christian religious and cultural values Incisively written and meticulously researched Thigpen s book sheds new light on American and Hawaiian women s relationships illustrating how they ultimately provided a foundation for American power in the Pacific and hastened the colonization of the Hawaiian nation

Shipwrecked in Paradise Paul F. Johnston, 2015-09-14 Winner 2016 Secretary s Research Award sponsored by the Smithsonian Institution awarded for author s contributions to research The first oceangoing yacht ever built in America Cleopatra s Barge endured many incarnations over her eight year life from Mediterranean pleasure cruiser to a Hawaiian king s personal yacht The famed ship at times also a Christian missionary transport pirate ship getaway vehicle instrument of diplomacy and racing yacht wrecked on a reef in Hanalei Bay on April 6 1824 Obtaining the first underwater archaeological permits ever issued by the state of Hawai i a team of divers from the Smithsonian Institution located surveyed and excavated the wrecked ship from 1995 to 2000 The 1 250 lots of artifacts from the shipwreck represent the only known material culture from the reign of King Kamehameha II Liholiho shedding light on the little documented transitional period from Old Hawai i to foreign influence and culture Although Liholiho ruled Hawai i for only a few short years his abolition of taboos and admission of the Boston Christian missionaries into his kingdom planted the seeds for profound changes in Hawaiian culture Richly illustrated Shipwrecked in Paradise tells the story of the ship s life in Hawai i from her 1820 sale to Liholiho to her discovery and excavation

Across Species and Cultures Ryan Tucker Jones, Angela Wanhalla, 2022-07-31 More than any other locale the Pacific Ocean has been the meeting place between humans and whales From Indigenous Pacific peoples who built lives and cosmologies around whales to Euro American whalers who descended upon the Pacific during the nineteenth century and to the new forms of human cetacean partnerships that have emerged from the late twentieth century the relationship between these two species has been central to the ocean s history Across Species and Cultures Whales Humans and Pacific Worlds offers for the first time a critical wide ranging geographical and temporal look at the varieties of whale histories in the Pacific The essay contributors hailing from around the Pacific present a wealth of fascinating stories while breaking new methodological ground in environmental history women s history animal studies and Indigenous ontologies In the process

they reveal previously hidden aspects of the story of Pacific whaling including the contributions of Indigenous people to capitalist whaling the industry's exceptionally far reaching spread and its overlooked second life as a global industrial slaughter in the twentieth century While pointing to striking continuities in whaling histories around the Pacific Across Species and Cultures also reveals deep tensions between environmentalists and Indigenous peoples between ideas and realities and between the North and South Pacific The book delves in unprecedented ways into the lives and histories of whales themselves Despite the worst ravages of commercial and industrial whaling whales survived two centuries of mass killing in the Pacific Their perseverance continues to nourish many human communities around and in the Pacific Ocean where they are hunted as commodities regarded as signs of wealth and power act as providers and protectors but are also ancestors providing a bridge between human and nonhuman worlds

Pacific Studies ,2001 **The Hawaiian Journal of History** ,2002 **Hawai'i's Native Plants** Bruce A. Bohm,2004 Book to help visitors to the Hawaiian Islands learn about native flora and the impact of invasive species **Pacific Studies : a Journal Devoted to the Study of the Pacific-its Islands and Adjacent Countries** ,2001 Profumo di sandalo Luca Glebb Miroglio,2022-03-21 Sandalo il nome comune che si dà a diversi legni esotici da cui si ricava un olio essenziale dalle proprietà portentose tanto che nell'antichità questa pianta era soprannominata l'albero dei re In questo libro il cammino del sandalo attraverso epoche terre e personaggi accompagnato da consigli di lettura film viaggi e da facili ricette per la cura della persona e il piacere della tavola **The American Neptune** ,2002 A quarterly journal of maritime history **Mains'l Haul** ,

Ships Furs And Sandalwood A Yankee Trader In Hawaii 1823 1825 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Ships Furs And Sandalwood A Yankee Trader In Hawaii 1823 1825 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Ships Furs And Sandalwood A Yankee Trader In Hawaii 1823 1825 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Ships Furs And Sandalwood A Yankee Trader In Hawaii 1823 1825 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Ships Furs And Sandalwood A Yankee Trader In Hawaii 1823 1825 Books
