House documents ,1888 **The Pageant of America, a Pictorial History of the United States** ,1927 **Berlitz Cruising & Cruise Ships 2015** Douglas Ward,2014-12-01 If you want a holiday that s hassle free virtually pre paid and that lets you see lots of places while only needing to pack and unpack once then you should try a cruise This best selling book now in its landmark 30th year is the cruise industry bible it gives you all the information you need to choose the right cruise for you Meticulously updated every year by cruise expert Douglas Ward it is divided into two main parts the first helps you work out what you re looking for in a cruise holiday and how to find it the lively text and colour photographs describe every aspect of life on board including safety the highs and lows of the cruise experience and how to save money The second part contains unbiased reviews and fascinating detail of almost 300 ocean going cruise vessels and grades them on service food entertainment and facilities using an internationally recognised ratings system *The United Service* ,1892 All the World's Fighting Ships ,1898 Fighting Ships of the World Antony Preston,1984 **Shipbuilding & Marine**

Engineering International ,1904 *Ship Models from the Age of Sail* Kerry Jang,2022-04-30 The vast majority of period ship models are built from kits usually primarily of wood with some ready made fittings Although these commercial offerings have improved significantly in recent years all of them can be enhanced in accuracy or detail by an experienced modelmaker This book by an expert ship modeller distils lessons gleaned from a lifetime practising the hobby to the highest standards setting out methods of improving basic kits and gradually developing the skills and confidence to tackle the construction of a

model from scratch Using a variety of kits as the starting point each chapter demonstrates a technique that can be readily improved or a feature that can be replaced to the advantage of the finished model Topics include hull planking representing copper sheathing many aspects of more accurate masting and rigging and how to replace kit parts and fittings from scratch Ultimately the impact of a period model depends on its accuracy and the book also provides guidance on plans and references where to find them and how they are best used The plank on frame model sometimes with exposed frames in the Navy Board style has always been considered the crowning achievement of period ship modeling and this book concludes with coverage of the very latest kits that put fully framed models within the reach of ordinary mortals Offering advice expertise and inspiration Ship Models from the Age of Sail has something for anyone interested in building a period ship model whatever their level of skill *Pictorial History of the World's Greatest War and New International Atlas of the World*, 1919
