LARN,2019 Cornish Shipwrecks: The Isles of Scilly Richard Larn,Clive Carter,1969 **England's Islands in a Sea of Troubles** David Cressy,2020-10-30 England s Islands in a Sea of Troubles examines the jurisdictional disputes and cultural complexities in England s relationship with its island fringe from Tudor times to the eighteenth century and traces island privileges and anomalies to the present It tells a dramatic story of sieges and battles pirates and shipwrecks prisoners and prophets as kings and commoners negotiated the political military religious and administrative demands of the early modern state The Channel Islands the Isle of Wight the Isles of Scilly the Isle of Man Lundy Holy Island and others emerge as important offshore outposts that long remained strange separate and perversely independent England s islands were difficult to govern and were prone to neglect yet their strategic value far outweighed their size Though vulnerable to foreign threats their harbours and castles served as forward bases of English power In civil war they were divided and contested fought over and occupied Jersey and the Isles of Scilly served as refuges for royalists on the run Charles I was held on the Isle of Wight External authority was sometimes light of touch as English governments used the islands as fortresses commercial assets and political prisons London was often puzzled by the linguistic differences tangled histories and special claims of island communities Though increasingly integrated within the realm the islands maintained challenging peculiarities and distinctive characteristics Drawing on a wide range of sources and the insights of maritime military and legal scholarship this is an original contribution to social cultural and constitutional history Maritime Information: a guide to libraries and sources of information in the United Kingdom, 2004 Fourth Edition Mike Macdonald,Roy Fenton,Nuala Briody,Maritime Information Association (MIA),2004-01-01 The Maritime Information Guide provides a list of UK libraries record offices archives museums institutions associations and other bodies that have or can make available information on maritime matters Titles are listed in alphabetical order by the name by which users are most likely to look up This is the fourth volume produced in 2004 following the previous editions in 1973 1983 and 1993 *Shipwrecks Around the Isles of Scilly* ,1974 **Shipwrecks of Great Britain and Ireland** Richard Larn,1981 **The Cornish Fishing Industry** John McWilliams,2014-05-15 Mining and
