Office of the Secretary of State,1907      *The Enterprising Admiral* J. Gwyn,1974-05-01 The financial impact of war in the eighteenth century upon the corps of naval officers has not been systematically studied Nor have the opportunities of a naval career to exploit such sidelines as trade money lending and land purchases in the colonies where officers spent much of their time been looked at carefully The present study analyses in detail the fortune of a single naval officer Admiral Sir Peter Warren whose principal wealth came from prize money the capture of enemy vessels in wartime He emerges as a new type of entrepreneur with his feet well planted on both sides of the Atlantic equally at home in the financial circles of New York Boston Charleston Dublin and London Owing to the mobility of his naval career he became familiar with the economic prospects in these scattered places while he possessed the necessary imagination to take advantage of their commercial opportunities Mobility also enabled him to select personally the agents who served his varied interests Neither his widow nor his heirs had the same advantages nor did they possess the same degree of business sense with the result that his fortune invested internationally was eventually repatriated to England      *Just Murdered* Elaine Viets,2018-03-06 From Anthony and Agatha Award winning author Elaine Viets the thrilling mystery series about one woman trying to make a living while other people are making a killing After all she s endured with her own marriage divorce and subsequent flight from alimony Helen Hawthorne getting a job at Millicent s Bridal Salon is ironic in the extreme But the pay is in cash and that s what matters for Helen to stay incognito But there s no amount of cash worth having to deal with the abominable Kiki a wealthy witch who s lording it over her daughter s wedding plans with the aim of making the day all about Kiki not the bride She also thinks her money makes her invulnerable but she s proven wrong when she s found smothered to death with her daughter s wedding dress And worse the cops seem to think Helen is responsible Now Helen has to keep her identity secret and prove her innocence before the bride and groom read their wedding vows and the police read Helen her rights      *A General Catalogue of the Trustees, Teachers, and Students of Lawrence Academy, Groton, Massachusetts* Lawrence Academy (Groton, Mass.),1893      **French & Indian Wars in Maine** Michael Dekker,2015-04-06 Covering nearly a century of conflict this history chronicles the tragic epic struggle for the land that would become Maine For eight decades a power struggle raged across a frontier on the north Atlantic coast now known as the state of Maine Between 1675 and 1759 British French and Native Americans soldiers clashed in six distinct wars to claim the strategically vital region In French and Indian Wars in Maine historian Michael Dekker sheds light on this dark tragic and largely forgotten struggle that laid the foundation of Maine Though the showdown between France and Great Britain was international in scale the local conflicts in Maine pitted European settlers against Native American tribes Native and European communities from the Penobscot to the Piscataqua Rivers suffered brutal
