**The Simplicity of God's Plan** Sandra Thompson Davis, 2011-01-12 I have been close to my Lord Jesus and my God since age 6 I live in SE TN USA with my husband of 47 years We have two grown sons and four grandchildren I am a retired teacher who writes about everything But this book came to me by the Holy Spirit in January of 2010 I published it only because it is a book I know God wants many people to have I never thought to have a book published until this one came along But it is a book that I cannot lay aside and forget I know my great God will send it out to those who can benefit from it I pray that you will give a copy of this book to those whom you know need it It is not a Bible study book but rather a book for those who have been skeptical about the Bible and for those who disregarded it as a work of fiction Time is short for this world My heart hurts for everyone who does not know my Jesus I pray this book will help many come to Him and accept Him as their Savior and Lord

**Thriving in the Crosscurrent** James Kenney, 2012-12-19 Are we living in an age of moral decay or moral growth James Kenney asks his audiences in talks in the U S and abroad The pessimists win out citing everything from road rage to economic crisis religious fanaticism global violence and environmental disasters But the good news says Kenney is that what we see is not what we get We misperceive things because we re in a period of accelerated cultural evolution or sea change The last one being 300 years ago it s no wonder we may not grasp what s happening now Kenney illustrates using two intersecting waves A dominant wave representing worn out values such as patriarchy racial inequality the inevitability of war exploitation of nature and materialism is on the decline Another wave representing more evolved values such as gender equality nonviolence spirituality ecology human rights is on the rise At this point in time the influence of the two waves is about equal It is a crosscurrent marked by chaotic change uncertainty identity crisis and extremism But it is also enriched by new understanding energy commitment and spiritual growth Kenney not only provides a historical perspective on the phenomenon he ends the book with 12 principles for personal growth

**HOW AMERICA BECAME ANTI-CHRISTIAN AND SELF-DESTRUCTIVE** Dr. George Joseph K PhD, 2015-12-10 The American dream of a free world will be defeated if Christianity will be defeated in USA USA cannot survive unless the current perceptions of freedom and secularism undergo a

drastic change There is freedom to promote almost everything except the Christian truth Ten Commandments are banned But yoga is promoted at all levels This kind of selective discrimination against the truth will destroy the very foundations of any society Strange motivations of the anti supernatural secularist lobby in the governmental institutions and their complicity in side lining Christian faith cannot be ruled out Thus ironically the undefeatable America tends to defeat itself In its rejection of Christian truth and values USA made truth a lie and the lie a truth If the current trends of self hatred of Christian faith by higher criticism and liberal theology and destruction of churches continue in 20 years USA will be overrun by the values and culture of Hinduism and Islam And USA will go down in history as the most powerful empire which had the best values in its custody since the days of its foundation but subjected itself to a silent death executed by its experts and enjoyed by its people who went after thrillers fantasies romances and other vain imaginations neglecting the truth Remember it was the hatred to Christian values that instigated the anti supernatural liberal theology from within and without the church which ultimately resulted in the Nazi Holocaust Beware when the Christian faith and values are suppressed the very survival of the societies at large is endangered This is the lesson of the entire world history

**REVIVAL OF ADVAITA, YOGA AND PANTHEISM IN AMERICA** Dr. George Joseph K PhD,2015-12-10 There are reasonable symptoms of the weakening of the church and Christian faith in the USA and thereby the silent death American democracy and American Empire The vacuum created in the American mind by the secular humanism anti supernatural liberal theology and godless philosophies have prepared the fertile ground for the silent take over of USA by Islam Hinduism Advaita and yoga New Age religion legitimizes almost anything in the name of religion There is an explosion of sorcery The absolutely unwise philosophies like all is one man is God etc become widely accepted among the people New age psychology rejects the supernatural and God of the Bible but accepts the paranormal miracles of devil When the people begin to love the lie and hate the truth the future is bleak A strong democratic America would guarantee a better world But what if the whole nation is hypnotized into paranormal and abnormal by secular spiritualities
