## **Shirley Temples Stories That Never Grow:**

Shirley Temple's Stories that Never Grow Old, 1958      **Shirley Temple** Anne Edwards, 2017-02-01 At the age of five Shirley Temple became the world's most famous and acclaimed child the most talented beautiful child performer ever to capture the public's imagination By the time she was ten she had either met or had received words of admiration from almost everyone of distinction Nine tenths of the world could recognize her on sight She single handedly cheered an entire nation caught in the firm grip of a depression Her films saved a major studio from bankruptcy She earned more than the President of the United States and lived in her own junior sized San Simeon As lionized idolized and protected as royalty Shirley Temple was the one and only American Princess Shirley Temple is brought into focus in this definitive intimate portrait of her as a child and as the woman that child became a woman forced to live her entire life in the shadow of her own past glory We follow the tumultuous events and disappointments that marked Shirley Temple's meteoric rise to unprecedented fame as a child star her fall as an adolescent who had outgrown her appeal and her surprising ascent into a world figure as ambassador to the United Nations Chief of Protocol for the United States and Ambassador to Ghana her princess in the tower upbringing that isolated her from friends and real child's play and from studio co-workers as well her obsessive relationship with her mother Gertrude who lived her life through her famous daughter her power over one of Hollywood's greatest despots Darryl Zanuck her fairy tale marriage to John Agar that became a nightmare filled with flaunted infidelities and alcoholism her romance with Charles Black and her transformation from film star to society matron television tycoon to American diplomat her courageous battle with cancer and her ever present realization that little Shirley Temple's greatness would always exceed that of the grown woman Shirley Temple's most notable diplomatic achievement was her appointment by President H W Bush as the first and only female ambassador to Czechoslovakia She was present during the Velvet Revolution which brought about the end of Communism in the country and she played a critical role in hastening the end of the Communist regime by openly sympathizing with anti Communist dissidents and later establishing formal diplomatic relations with the newly elected government led by Vclav Havel She took the unusual step of personally accompanying Havel on his first official visit to Washington riding along on the same plane Anne Edwards has had the cooperation of those who have been closest to Shirley Temple in all stages of her unique life She has written a book that does not spare the truth and is as glittering an expose of Hollywood and its power brokers as any bestselling novel of that genre Shirley Temple American Princess is a moving and inspirational story that gives great insight into the privileged corridors of fame and glory where only the legendary figures of our times have walked      Shirley Temple Black Patsy G. Hammontree, 1998-07-28 Chronicling Shirley Temple Black's various careers this work spans the years from her childhood at the studio and at home through her waning success during adolescence to her diplomatic and political pursuits An anomaly among child stars Shirley Temple Black's successful adaptation to life outside the traditional Hollywood social life is explored against the backdrop of the child

star phenomenon in American entertainment Facts about her childhood her parental influences and her political beliefs present Shirley Temple Black as a unique individual rather than as a child star icon Scholars researching American popular culture will find information on child stars in general through this exploration of Shirley Temple Black s significance within that role Current attitudes toward racial stereotyping in early films are examined Research sources for radio broadcasts during the late 1930s and early 1940s are also valuable The changing American political climate can be viewed through the filter of the economic depression during which the public embraced Shirley Temple s sense of hope and optimism and through her revealed political activism     The Publishers' Trade List Annual ,1971     *The Book Buyer's Guide* ,1958

Or Less** Association for Childhood Education International,1963     **New York Times Saturday Book Review Supplement** ,1961-12     **Chicago Sunday Tribune Magazine of Books** ,1958-07     Library of Congress Catalogs Library of Congress,1960     **Junior Libraries** ,1960  
*Books* ,1958-08     ALA Bulletin American Library Association,1958     **New York Herald Tribune Book Review** ,1959

**Women in World History: Ba-Brec** Anne Commire,1999 Presents biographical profiles of significant women from throughout the history of the world each with birth and death dates when known a time line quotation and references Arranged alphabetically from Ba Brec     **The Horn Book Magazine** Bertha E. Mahony Miller,1958 Vol 2 includes extra number Experimental schools in England Jan 1926     **Wilson Library Bulletin** Stanley Kunitz,Marie Duvernoy Loizeaux,1958     **Kids' Stuff** Gary Cross,1999-11-15 To sort out who s who and what s what in the enchanting vexing world of Barbies R and Ninja Turtles R Tinkertoys R and teddy bears is to begin to see what s become of childhood in America It is this changing world and what it unveils about our values that Gary Cross explores in Kids Stuff a revealing look into the meaning of American toys through this century Early in the 1900s toys reflected parents ideas about children and their futures Erector sets introduced boys to a realm of business and technology while baby dolls anticipated motherhood and building blocks honed the fine motor skills of the youngest children Kids Stuff chronicles the transformation that occurred as the interests and intentions of parents children and the toy industry gradually diverged starting in the 1930s when toymakers marketing playthings inspired by popular favorites like Shirley Temple and Buck Rogers began to appeal directly to the young TV advertising blockbuster films like Star Wars R and Saturday morning cartoons exploited their youthful audience in new and audacious ways Meanwhile powerful social and economic forces were transforming the nature of play in American society Cross offers a richly textured account of a culture in which erector sets and baby dolls are no longer alone in preparing children for the future and in which the toys that now crowd the racks are as perplexing for parents as they are beguiling for little boys and girls Whether we want our children to be high achievers in a competitive world or playful and free from the worries of adult life the toy store confronts us with many choices What does the endless array of action figures

and fashion dolls mean Are children or parents the dupes of the film television and toy industries with their latest fads and fantasies What does this say about our time and what does it bode for our future Tapping a vein of rich cultural history Kids Stuff exposes the serious business behind a century of playthings
