Shivers A New Breed Of Terror:

Shivers Kevin Bozard,2003-07 A short time after the death of Billy Lampford the people of Ridgeland are slowly putting their lives back in order Now it s November and almost time for the annual Turtle Festival Thousands of people will be in attendance for the event and that s what worries the Chief because there s a new killer in town and people are already beginning to die Matt Chapman begins to see that his friends are being picked off one by one and that s more than just coincidence The pattern the killer follows is unsettling to Matt and now his fear has turned to terror as he realizes that the killer s next victim could very well be his wife Billy Lampford s murderous spree was more than the people of Jasper and Beaufort Counties could stomach in one summer but it s nothing like this new bout with evil and this new breed of terror

Cold War, Cool Medium Thomas Doherty,2005-03-10 Conventional wisdom holds that television was a co conspirator in the repressions of Cold War America that it was a facilitator to the blacklist and handmaiden to McCarthyism But Thomas Doherty argues that through the influence of television America actually became a more open and tolerant place Although many books have been written about this period Cold War Cool Medium is the only one to examine it through the lens of television programming To the unjaded viewership of Cold War America the television set was not a harbinger of intellectual degradation and moral decay but a thrilling new household appliance capable of bringing the wonders of the world directly into the home The cool medium permeated the lives of every American quickly becoming one of the most powerful cultural forces of the twentieth century While television has frequently been blamed for spurring the rise of Senator Joseph McCarthy it was also the national stage upon which America witnessed and ultimately welcomed his downfall In this provocative and nuanced cultural history Doherty chronicles some of the most fascinating and ideologically charged episodes in television history the warm hearted Jewish sitcom *The Goldbergs* the subversive threat from *I Love Lucy* the sermons of Fulton J Sheen on *Life Is Worth Living* the anticommunist series *I Led 3 Lives* the legendary jousts between Edward R Murrow and Joseph McCarthy on *See It Now* and the hypnotic 188 hour political spectacle that was the Army McCarthy hearings By rerunning the programs freezing the frames and reading between the lines Cold War Cool Medium paints a picture of Cold War America that belies many black and white clich s Doherty not only details how the blacklist operated within the television industry but also how the shows themselves struggled to defy it arguing that television was preprogrammed to reinforce the very freedoms that McCarthyism attempted to curtail

"Twice the Thrills! Twice the Chills!" Bryan Senn,2019-03-19 In the mid 1950s to combat declining theater attendance film distributors began releasing pre packaged genre double bills including many horror and science fiction double features Though many of these films were low budget and low end others such as *Invasion of the Body Snatchers* *Horror of Dracula* and *The Fly* became bona fide classics Beginning with Universal International s 1955 pairing of *Revenge of the Creature* and *Cult of the Cobra* 147 officially sanctioned horror and sci fi double bills were released over a 20 year period This book presents these double features year by year and includes

production details historical notes and critical commentary for each film *Terror Television* John Kenneth Muir, 2013-02-25 Although horror shows on television are popular in the 1990s thanks to the success of Chris Carter's *The X-Files* such has not always been the case. Creators Rod Serling, Dan Curtis, William Castle, Quinn Martin, John Newland, George Romero, Stephen King, David Lynch, Wes Craven, Sam Raimi, Aaron Spelling and others have toiled to bring the horror genre to American living rooms for years. This large scale reference book documents an entire genre from the dawn of modern horror television with the watershed Serling anthology *Night Gallery* 1970 a show lensed in color and featuring more graphic makeup and violence than ever before seen on the tube through more than 30 programs including those of the 1998 1999 season. Complete histories, critical reception, episode guides, cast crew and guest star information as well as series reviews are included along with footnotes, a lengthy bibliography and an in depth index. From Kolchak, *The Night Stalker* to *Millennium* from *The Evil Touch* to *Buffy the Vampire Slayer* and *Twin Peaks* *Terror Television* is a detailed reference guide to three decades of frightening television programs both memorable and obscure *The Spite House* Johnny Compton, 2023-02-07 A Best Horror Book of the Year, *Esquire*, A Bram Stoker Award Nominee, A 2024 Legacy Awards Nominee, A Finalist for the Reading the West Book Awards. A terrifying Gothic thriller about grief and death and the depths of a father's love. Johnny Compton's *The Spite House* is a stunning debut by a horror master in the making. *The Babadook* meets *A Head Full of Ghosts* in Texas Hill Country. Eric Ross is on the run from a mysterious past with his two daughters in tow. When he comes across an ad for a caretaker for the Masson House, Eric hopes they have finally caught a lucky break. The owner of the most haunted place in Texas is looking for proof of paranormal activity. All they need to do is stay in the house and keep a detailed record of everything that happens there provided the house's horrors don't drive them all mad like the caretakers before them. The job calls to Eric not just because of the huge payout but because he needs access to the secrets of the spite house. If it is indeed haunted, maybe it will help him understand the uncanny power that clings to his family driving them from town to town too afraid to stop running. Also by Johnny Compton *Devils Kill Devils*. spent my entire life preparing to face a series of prophecies about me The thing about training to be a badass it doesn't leave time for much else When I meet Zeke my counterpart my prophetic equal and the man I'm supposed to kill or be killed by he's been living his best life And he's happy to teach me about just having fun loving actually living rather than trying to kill me I'm torn between the new life Zeke offers and the security I know I need from Davyn the berserker who's been my guardian longer than not The bear shifter I'm thinking more and more non-badass thoughts about as time goes on Inappropriate thoughts Sexy thoughts But the prophecies don't give a crap who or what I want and ignoring my destiny in favor of my heart may be tempting but it won't keep me alive And it certainly won't stop the gods I'm meant to defeat from bringing about the end of the world

Warriors Seven offers a fascinating collection of American commander profiles written in a lively and graphic style The unique aspect of Dr Sneiderman's approach is that each essay sketches the ironic twists of fate that befell these men at or near the peak of their careers The subjects of this study include Benedict Arnold Andrew Jackson Winfield Scott Robert E Lee George Dewey Billy Mitchell and George Patton These courageous leaders are successively featured in each of America's seven wars from 1775 to 1945 the Revolutionary War the War of 1812 the Mexican War the Civil War the Spanish American War World War I and World War II Each entry highlights or focuses upon a single battle Saratoga 1777 New Orleans 1815 Mexico City 1847 Malvern Hill 1862 Manila Bay 1898 St Mihiel 1918 and Messina 1943 Each entry highlights the life and military career of each commander up to the moment of the featured battle with a thread of continuity coursing through each chapter For example the essay on Andrew Jackson opens with a battle fought during the Revolutionary War that Jackson witnessed as a 13 year old courier for the Continental Army Twenty seven original battlefield maps facilitate the reader's understanding of the momentous events described in these pages Warriors Seven will be welcomed by anyone who
