**To Amend the Reconstruction Finance Corporation Act by Adding a New Title Thereto** United States. Congress. House. Committee on Banking and Currency,1944      **The Mystique of Enlightenment** U. G. Krishnamurti,2020-12-08 In *The Mystique of Enlightenment* U G Krishnamurti delves deep into the often misunderstood and romanticized concept of enlightenment Through a provocative and contrarian literary style Krishnamurti challenges the prevailing notions of spiritual attainment arguing that

enlightenment as traditionally perceived is a mere illusion. He employs a combination of philosophical inquiry and experiential narrative drawing from his own radical interpretations of various Indian philosophical traditions, distilling complex ideas into accessible insights that invite readers to question the validity of their own spiritual ambitions. This work acts as both a critique and an exploration situated amid the broader discourse on spiritual awakening within the 20th-century landscape of Eastern philosophy and Western psychological thought.

U G Krishnamurti, an enigmatic figure in the world of spirituality, rejected the labels often associated with mystics and gurus. Having lived a life marked by personal upheaval and radical transformation, he utilized his own experiences, often described as a natural state of being, to inform his enlightening discourse. His disregard for traditional enlightenment narratives stems from a desire to strip away the layers of dogma and expectation that cloud genuine understanding, positioning himself as a catalyst for introspection among seekers. I highly recommend *The Mystique of Enlightenment* to anyone seeking a fresh perspective on spiritual enlightenment. This book is not merely for those aspiring to enlightenment but for those willing to confront their preconceptions and engage fully with the idea that true understanding transcends all notions of achievement. Krishnamurti's provocative insights compel readers to embark on a journey of self-inquiry that resonates long after the final page is turned.
