Shoguns Reluctant Ambassadors

William McOmie

Shoguns Reluctant Ambassadors:

The Shogun's Reluctant Ambassadors Katherine Plummer, 1991 A fascinating study of 11 groups of Japanese merchant sailors who were pulled out to sea by strong currents and cast adrift on foreign shores The Shōgun's Reluctant Ambassadors Katherine Plummer, 1984

The Great Wave Christopher Benfey, 2007-12-18 When the United States entered the Gilded Age after the Civil War argues cultural historian Christopher Benfey the nation lost its philosophical moorings and looked eastward to Old Japan with its seemingly untouched indigenous culture for balance and perspective Japan meanwhile was trying to reinvent itself as a more cosmopolitan modern state ultimately transforming itself in the course of twenty five years from a feudal backwater to an international power This great wave of historical and cultural reciprocity between the two young nations which intensified during the late 1800s brought with it some larger than life personalities as the lure of unknown foreign cultures prompted pilgrimages back and forth across the Pacific In The Great Wave Benfey tells the story of the tightly knit group of nineteenth century travelers connoisseurs collectors and scientists who dedicated themselves to exploring and preserving Old Japan As Benfey writes A sense of urgency impelled them for they were convinced Darwinians that they were that their quarry was on the verge of extinction These travelers include Herman Melville whose Pequod is shadowed by hostile and mysterious Japan the historian Henry Adams and the artist John La Farge who go to Japan on an art collecting trip and find exotic adventures Lafcadio Hearn who marries a samurai's daughter and becomes Japan's preeminent spokesman in the West Mabel Loomis Todd the first woman to climb Mt Fuji Edward Sylvester Morse who becomes the world's leading expert on both Japanese marine life and Japanese architecture the astronomer Percival Lowell who spends ten years in the East and writes seminal works on Japanese culture before turning his restless attention to life on Mars and President and judo enthusiast Theodore Roosevelt As well we learn of famous Easterners come West including Kakuzo Okakura whose The Book of Tea became a cult favorite and Shuzo Kuki a leading philosopher of his time who studied with Heidegger and tutored Sartre Finally as Benfey writes his meditation on cultural identity seeks to capture a shared mood in both the Gilded Age and the Meiji Era amid superficial promise and prosperity of an overmastering sense of precariousness and impending peril

Horizon Barry Lopez, 2019-03-19 ONE OF THE BEST BOOKS OF THE YEAR THE NEW YORK TIMES NPR THE GUARDIAN From pole to pole and across decades of lived experience National Book Award winning author Barry Lopez delivers his most far ranging yet personal work to date Horizon moves indelibly immersively through the author's travels to six regions of the world from Western Oregon to the High Arctic from the Galapagos to the Kenyan desert from Botany Bay in Australia to finally unforgettably the ice shelves of Antarctica Along the way Lopez probes the long history of humanity's thirst for exploration including the prehistoric peoples who trekked across Skraeling Island in northern Canada the colonialists who plundered Central Africa an enlightenment era Englishman who sailed the Pacific a Native American emissary who found his way into isolationist Japan and today's ecotourists in the tropics And always throughout his journeys

to some of the hottest coldest and most desolate places on the globe Lopez searches for meaning and purpose in a broken world *The Cambridge History of Global Migrations: Volume 1, Migrations, 1400-1800* Cátia Antunes, Eric Tagliacozzo, 2023-06-01 Volume I documents the lives and experiences of everyday people through the lens of human movement and mobility from 1400 1800 Focusing on the most important typologies of pre industrial global migrations this volume reveals how these movements transformed global paths of mobility the impacts of which we still see in societies today Case studies include those that arose from the demand of free forced and unfree labour long and short distance trade rural urban displacement religious mobility and the rise of the number of refugees worldwide With thirty chapters from leading experts in the field this authoritative volume is an essential and detailed study of how migration shaped the nature of global human interactions before the age of modern globalization Japanese Whaling? Arne Kalland, Brian Moeran, 2010-10-18 This book gives a social anthropological account of whaling culture in Japan When originally published this was the first comprehensive account in English of the history of Japanese whaling showing how it has given rise to a particular culture The volume discusses what happens when that culture is threatened At the same time as explaining the work organization of those involved in whaling the role of whaling companies in local and national economies and the role of the whale in the establishment and maintenance of local community identity ritual food gift giving the authors address the wider political and so called environmental issues surrounding whaling in general and Japanese whaling in particular **Rethinking Japan's Modernity** M. William Steele, 2024-09-03 History is not one story but many In Rethinking Japan's Modernity M William Steele takes a new look at the people places and events associated with Japan's engagement with modernity starting with American Commodore Matthew Perry's arrival in Japan in 1853 In many cases this new look derives from visual sources such as popular broadsheets satirical cartoons ukiyo e and other woodblock prints postcards and photographs The book illustrates the diverse and sometimes conflicting perceptions of people who experienced the unfolding of modern Japan It focuses both on the experiences of people living the events at that time and on the reflections of others looking back Also included are three new translations two of them by Japan's pioneer Westernizer Fukuzawa Yukichi and another by Mantei ga parodying Fukuzawa's monumental work advocating Western learning These and other stories show how Japanese views of modernity evolved over time Each chapter is prefaced with a short introduction to the topic covered and historiographical approach taken allowing each to stand alone as well as support the overall goal of the work to inform and challenge our understanding of the links between Japan's past present and future A History of Japan, 1582-1941 L. M. Cullen, 2003-05-15 This 2003 book offers a distinctive overview of the internal and external pressures responsible for the emergence of modern Japan Avoiding the Dire Straits Mathieu Torck, 2009 Scurvy is known to be one of the most gruesome pathological phenomena that in the course of centuries has made innumerable victims Long distance seafaring operations war zones prisons and crop failures all created breeding grounds for the vitamin C deficiency disease which was commonly characterized by swelling

and bleeding gums and internal haemorrhages in the limbs While the history of scurvy is rather well known from a Western perspective the higher proneness to scurvy of Asian peoples in comparison to Europeans Polynesians and other peoples as proven in recent biochemical studies compelled to broaden that horizon and look for scurvy in China and beyond The purpose of this book is to trace the history of the disease in China Japan and Southeast Asia and to highlight the ways in which peoples from these regions in pre modern and early modern times dealt with provisioning in their seafaring and military enterprises This cross cultural quest for scurvy and food supplies involving such areas as maritime and military history and the medical traditions from East and West is ultimately meant as an attempt to elucidate whether historical sources can confirm the biochemical findings *The Journal of Korean Studies, Volume 16, Number 1 (Spring 2011)* Clark W.

Sorensen,Donald Baker,2011-06-09 The University of Washington Korea Studies Program in collaboration with Rowman Littlefield Publishers is proud to publish the Journal of Korean Studies In 1979 Dr James Palais PhD Harvard 1968 former UW professor of Korean History edited and published the first volume of the Journal of Korean Studies For thirteen years it was a leading academic forum for innovative in depth research on Korea In 2004 former editors Gi Wook Shin and John Duncan revived this outstanding publication at Stanford University In August 2008 editorial responsibility transferred back to the University of Washington With the editorial guidance of Clark Sorensen and Donald Baker the Journal of Korean Studies JKS continues to be dedicated to publishing outstanding articles from all disciplines on a broad range of historical and contemporary topics concerning Korea In addition the JKS publishes reviews of the latest Korea related books To subscribe to the Journal of Korean Studies or order print back issues please click here *The Tokugawa World* Gary P. Leupp,De-min Tao,2021-09-20 With over 60 contributions The Tokugawa World presents the latest scholarship on early modern Japan from an international team of specialists in a volume that is unmatched in its breadth and scope In its early modern period under the Tokugawa shoguns Japan was a world apart For over two centuries the shogun s subjects were forbidden to travel abroad and few outsiders were admitted Yet in this period Japan evolved as a nascent capitalist society that could rapidly adjust to its incorporation into the world system after its forced opening in the 1850s The Tokugawa World demonstrates how Japan s early modern society took shape and evolved a world of low and high cultures comic books and Confucian academies soba restaurants and imperial music recitals rigid enforcement of social hierarchy yet also ongoing resistance to class oppression A world of outcasts puppeteers herbal doctors samurai officials businesswomen scientists scholars blind lutenists peasant rebels tea masters sumo wrestlers and wage workers Covering a variety of features of the Tokugawa world including the physical landscape economy art and literature religion and thought and education and science this volume is essential reading for all students and scholars of early modern Japan *The Pacific Northwest Coast* Paul D. Komar,1997 While the coast of the Pacific Northwest becomes ever more populated and developed its beaches and cliffs continue to be altered by ocean currents and winter storms Coastal oceanographer Paul Komar reminds readers of the area s geological and cultural

history and the ever present problem of erosion He issues an urgent call for changes in shoreline management and attitudes toward development 41 figures 20 maps 112 photos The Opening of Japan, 1853-1855 William McOmie, 2021-11-15 Sub titled A comparative study of the American British Dutch and Russian naval expeditions to compel the Tokugawa shogunate to conclude treaties and open ports to their ships this highly informed and widely researched study provides for the first time a more complete picture of the competition and cooperation distrust and open hostility of the four protagonists involved in this joint Western enterprise In 1852 the news of the US government's plan to send a large naval expedition to Japan to demand the opening of its ports to American ships excited public interest and elicited differing responses among the European powers For Russia Japan was a neighbouring empire to whose ports it had itself long sought access now its jealousy aroused and its own strategic interests seemingly under threat Russia could not permit the United States to possibly exclude it from Japanese ports In the wake of the Opium war the Dutch king had urged the shogun to peacefully open its ports to the other Western powers now the king and his ministers feared that the US expedition would take an overly aggressive approach that might involve the Netherlands in a war with Japan Having previously opened Chinese ports to the West Britain was occupied there and willing to take a wait and see attitude temporarily conceding a leading role to the United States in Japan France had also previously made approaches to Japan and in case of a successful outcome would not lag far behind in sending its own warships to make arrangements with Japan Thus the stage was set for the race between America and Russia to open Closed Japan and the surrounding seas while the Netherlands worked quietly behind the scenes and Britain and France waited in the wings This volume documents in detail the plans and outcomes of each of the four powers negotiations with Japan lists the clauses of the resulting treaties and offers a comparative analysis of their merits and demerits at the same time it provides a fascinating commentary on the way business was done by the Japanese with each country and its representatives Communication in Japan and the United States William B. Gudykunst, 1993-01-01 This book is the first to provide a summary of the state of knowledge about communication in Japan and the United States Included is an overview of the major approaches used in the study of communication in these two countries an overview of the major cultural factors influencing communication a description of the sociolinguistic differences between English and Japanese an examination of Japanese American communication as a function of the cultural values learned from the two cultures and a summary of research comparing interpersonal research in Japan and the United States as well as research on intercultural communication between Japanese and North Americans The book also examines communication in organizational contexts in Japan and the United States and describes differences in mass communication between the two cultures *Ghost Galleon* Edward Von der Porten, 2019-10-03 *Ghost Galleon* tells the story of archaeologists twenty year search on a desolate beach in Baja California for the enigmatic remains of a Spanish galleon that disappeared without a trace more than four centuries ago Carrying a cargo of Asian riches to the New World Manila galleons forged the final link in the

unification of the world through commerce by their annual voyages across the Pacific Ocean Here author Edward Von der Porten relates how a chance viewing of Chinese porcelain sherds in a museum catalog led him his wife Saryl and a team of researchers to the beachcombers who discovered the sherds To Von der Porten these sherds represented the possibility of something much more significant one of the earliest known Manila galleon shipwrecks on the West Coast In collaboration with the National Institute of Anthropology and History of Mexico INAH Von der Porten and his colleagues undertook the first of many archaeological expeditions to investigate the site in 1999 Over twenty years a team of American and Mexican archaeologists recovered thousands of artifacts and concluded that they had located the remains of the cargo from a Spanish galleon most likely the San Juanillo of 1578 This copiously illustrated highly accessible work offers an inside view of how archaeologists carefully assemble the evidence that allows scientific reconstruction of past events Despite the grudging resistance of time Von der Porten and his colleagues have resurrected the tale of the ill fated San Juanillo to enrich our understanding and appreciation of the past

Reopening the Opening of Japan Lewis Bremner, Manimporok Dotulong, Sho Konishi, 2023-10-30 The Opening of Japan has been central to the retelling of Japan's modern history Reopening the Opening of Japan fundamentally reconsiders what that historical moment entailed What did intensified connections between Japan and the world mean both inside and outside of the country and what does this tell us about Japan's historical significance on a global scale The chapters excavate a rich array of surprising cross border connections from the global trade in mummified mermaids to the Japanese Russian intellectual links underpinning the work of Akira Kurosawa Re thinking connectivity through non state transnational perspectives the book guides readers to new ways of doing and writing history Contributors are Lewis Bremner Natalia Doan Manimporok Dotulong Maki Fukuoka Eiko Honda Sho Konishi Mateja Kovacic Joel Littler Chinami Oka Yu Sakai Olga Solovieva and Warren Stanislaus

Musashino in Tuscany Susanna Fessler, 2020-06-01 By the late Meiji period Japanese were venturing abroad in great numbers and some of those who traveled kept diaries and wrote formal travelogues These travelogues reflected a changing view of the West and changing artistic sensibilities in the long standing Japanese literary tradition of travel writing kiko bungaku This book shows that overseas Meiji period travel writers struck out to create a dynamic new type of travel literature one that had a solid foundation in traditional Japanese kiko bungaku yet also displayed influence from the West Musashino in Tuscany specifically examines the poetic imagery and allusion in these travelogues and reveals that when Japanese traveled to the West in the mid nineteenth century the images they wrote about tended to be associated not with places initially discovered by the Japanese traveler but with places that already existed in Western fame and lore And unlike imagery from Japanese traveling in Japan which was predominantly nature based Japanese overseas travel imagery was often associated with the manmade world

The Russian Discovery of Japan, 1670-1800 David N. Wells, 2019-08-30 During the period of the Tokugawa shogunate's seclusion policy from about 1630 onwards there was very little European interaction with the Japanese except through the restricted Dutch

presence at Nagasaki During this period however Russians exploring Siberia and the Russian Far East came into contact with Japan and further exploration and information collecting was encouraged by the Russian government culminating in the first official Russian Embassy to Japan in 1792 This book examines the Russian discourse on Japan in the period tracing the gradual accumulation of knowledge and the development of Russian views sometimes distorted about Japan The book includes key historical documents some translated into English for the first time The book is a prequel to the author's previous book Russian Views of Japan 1792-1913 An Anthology of Early Travel Writing **Double Ghosts** David A. Chappell, 2016-09-16 This narrative recounts the 18th and 19th century shipping out of Pacific islanders aboard European and American vessels a kind of counter exploring that echoed the ancient voyages of settlement of their island ancestors

Photography in Japan 1853-1912 Terry Bennett, 2012-07-03 K Drama star Lee Joon gi teams up with Language Learning Experts to bring you this all in one guide for beginners who want to learn Korean as it's actually spoken in Seoul today Korean is one of the fastest growing second languages in the world due to the huge popularity of Korean pop music food and K dramas This book is designed to meet the needs of people who want to learn the language quickly and accurately especially Korean pop culture fans It features colorful drawings and a cast of youthful friends Koreans and foreigners who live in Seoul hang out together and have fun exploring the city It also features Korean film and TV star Lee Joon gi who not only provides audio recordings of the dialogues but contributes a series of stories about his favorite places and things to do in Seoul Each chapter is organized as follows An opening dialogue on a topic such as shopping or making plans A list of useful Korean vocabulary and everyday expressions that are commonly used Grammar explanations conversations and exercises to help you learn Talking with Lee Joon gi when you can respond to prompts as though you are talking to him A round up summary of key words phrases and concepts in the chapter Lee Joon gi's Seoul The actor's favorite things to do such as idol spotting This book is designed by two leading Korean language experts Jiyoung Park and Soyoung Yoo to be used either as a classroom textbook or for self study

Shoguns Reluctant Ambassadors Introduction

In today's digital age, the availability of Shoguns Reluctant Ambassadors books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shoguns Reluctant Ambassadors books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shoguns Reluctant Ambassadors books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shoguns Reluctant Ambassadors versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shoguns Reluctant Ambassadors books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shoguns Reluctant Ambassadors books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shoguns Reluctant Ambassadors books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shoguns Reluctant Ambassadors books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shoguns Reluctant Ambassadors books and manuals for download and embark on your journey of knowledge?

FAQs About Shoguns Reluctant Ambassadors Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shoguns Reluctant Ambassadors is one of the best book in our library for free trial. We provide copy of Shoguns Reluctant Ambassadors in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shoguns Reluctant Ambassadors. Where to download Shoguns Reluctant Ambassadors online for free? Are you looking for Shoguns Reluctant Ambassadors PDF? This is definitely going to save you time and cash in something you should think about.
