Shoot The Piper:

PIPER'S PURGATORY Maureen A. Miller,2022-04-11 Is it possible to fall in love in the afterlife The last thing Piper Malko ever expected was to have her life snatched away so early When she wakes up on the front steps of her brownstone to a rose colored facsimile of her world she is forced to come to grips with her demise Why is she still trapped on her street though Was there a debate as to her final destination Any attempt to ask the gauzy pedestrians passing by goes unheard No one notices her Until she sees him over six feet of well defined humanity staring back at her from across the street Russell Hughes is dead He can remember the impact of the car But there was no bright light No portal to the beyond Instead everything around him is pink Except for her The attractive woman across the street Piper and Russ try to piece together the crime that killed two strangers on the same road If they can find their killer then maybe they can escape this rosy limbo But will leaving purgatory tear them apart just as they re falling in love

The Piper's Call Nigel Burch,2016-05-09 The Piper s Call uncovers the early history of the Piper s River districts including Underwood Lalla Karoola Turner s Marsh Bangor and other communities Through the eyes of an imaginary early settler we look into the intimate lives of original families such as the Campbells Beesons Rowleys Barretts Burkes Crabtrees Hammersleys McCarthys McKennas O Kellys Lyonses and others Of particular interest are the innovative industries that dominated the district and have since been forgotten the Grubb Tyson saw mill at Hollybank in 1850s and the huge slate quarries at Bangor and Piper s River in the 1870s and 1880s This is a must read for those fascinated by local history and those with roots in the area

The Lure of Piper's Glen Theodore Goodridge Roberts,2022-11-24 Excerpt When the bottoms drop out of the logging roads the crews leave the camps about the headwaters of Racket River and return to their scattered homes leaving the winter s cut on the brows A few weeks later when all the melted snow of the hills is rushing along the watercourses lifting and bursting the rotted ice and the piles of brown logs on the steep banks go rolling and thundering down into roaring waters the more active and daring of the workers return to duty with the harassed timber Now they wear well greased boots instead of oily shoepacks and larrigans boots with high tops strapped securely around the leg and strong heels and thick soles In the sole and heel of each boot are fixed fifty caulks or short steel spikes a hundred teeth for every stream driver to bite a foothold with into running logs The task of keeping the drive moving down the swirling and tortuous channel of the upper reaches of Racket River calls for skill and agility and strength and hardihood and frequently for a high degree of stark physical courage

The water is as cold as the sodden ice which still drifts upon it crushed and churned by the grinding logs It sloshes high along the wooded banks tearing tangles of alders out by the roots and undermining old cedars until they totter and fall and swirl away on the flood To plunge hip deep into that torrent to clear some log caught broadside to the rush by snag or tree or rock calls for hardihood of spirit and an iron constitution Where one log catches and is permitted to remain stationary others catch pile up plunge and rear and dive filling the channel to its rocky bed and blocking it from bank to bank with criss crossed timber The mad river crowned with more logs and ice strikes and recoils and backs up behind the jamb spray flies over it clear water spouts from it the twisted timbers heave and groan and splinter To go out on to such a barrier as this and find and free the key logs with a peavy calls for all the qualities of a seasoned riverman and the courage of a veteran soldier into the bargain
