Caved In Polly Gwinn, 2015-11-23 It would take more than two people to drag me into a cave cistern pit or anything enclosed underground This is not a challenge but rather a caution Never having been inside a cave this is all speculation but I believe caves to be dark damp hazardous and snaky There are many caves mentioned in the Bible along with tombs cisterns clefts strongholds and various places to hide or be imprisoned I have extracted a few of these from the Word of God for your enjoyment and enlightenment and have put a different twist on a few I have not changed the Scripture but have simply used another view of caved in We can be caved in by actual caves tombs graves or any other enclosed structures Another kind of caved in is emotional meaning that you have been mentally crushed by hurt insults or rejection or a physical cave in like skidding on black ice or perhaps having major surgery Self inflicted wounds like what Adam and Eve experienced can cause devastating cave ins We are not expected to bring ourselves out of caves like graves or tombs but we can and should call on God to bring us out of emotional physical and spiritual caves just as easily as He brought Lazarus out of his tomb after he had been dead for four days This book is filled with diverse caves and cave ins Because of the numerous short stories there is no

The U.S. Pandemic Dieter Gartelmann,2021-08-19 The battle to defeat the pandemic was not just a medical issue It was compounded by the biggest nastiest and dangerous political divide in American history The attempt by Donald Trump to deny democracy and award himself the election win was only symptomatic of an even broader division in America Whilst humanity deals with the virus in a variety of ways militias and civil rights groups disrupt all attempts to contain the pandemic All spreading the new highly infectious strains Families discussing this get fearful and irate That is the environment in which the new president has to enforce lockdowns and social distancing to save the country Militias sent two hundred thousand members to march disobeying orders at the same time a new strain raced through the country killing people within three days Infections and deaths quadrupled The hatred between opposing sides grows exponentially Can Joe Biden defeat the protestors without resorting to Tiananmen Square methods Will wives shoot returning husbands to keep their children alive Who will look after the orphaned children looking for help Will the president win this battle
