Shooting Gallery Pantheon Modern Writers:

The Shooting Gallery Yūko Tsushima, Geraldine Harcourt, 1988 This collection of eight stories deals with the changing role of women in modern day Japan touching on the passion joy and sorrow associated with newfound freedom and its endless antagonistic relationship with responsibility *Japanese Women Novelists in the 20th Century* Sachiko Shibata Schierbeck, 1994 It was not until Kawabata Yasunari won the 1968 Nobel Prize for literature that the average Western reader became aware of contemporary Japanese literature A few translations of writings by Japanese women have appeared lately yet the West remains largely ignorant of this wide field In this book Sachiko Schierbeck profiles the 104 female winners of prestigious literary prizes in Japan since the beginning of the century It contains summaries of their selected works and a bibliography of works translated into Western languages from 1900 to 1993 These works give insight into the minds and hearts of Japanese women and draw a truer picture of the conditions of Japanese community life than any sociological study would present Schierbeck's 104 biographies constitute a useful reference work not only to students of literature but to anyone with an interest in women's studies history or sociology *Bulletin of the Medical Library Association* Medical Library Association, 1988 **The Columbia Companion to Modern East Asian Literature** Joshua S. Mostow, 2003-07-10 This extraordinary one volume guide to the modern literatures of China Japan and Korea is the definitive reference work on the subject in the English language With more than one hundred articles that show how a host of authors and literary movements have contributed to the general literary development of their respective countries this companion is an essential starting point for the study of East Asian literatures Comprehensive thematic essays introduce each geographical section with historical overviews and surveys of persistent themes in the literature examined including nationalism gender family relations and sexuality Following the thematic essays are the individual entries over forty for China over fifty for Japan and almost thirty for Korea featuring everything from detailed analyses of the works of Tanizaki Jun ichiro and Murakami Haruki to far ranging explorations of avant garde fiction in China and postwar novels in Korea Arrayed chronologically each entry is self contained though extensive cross referencing affords readers the opportunity to gain a more synoptic view of the work author or movement The unrivaled opportunities for comparative analysis alone make this unique companion an indispensable reference for anyone interested in the burgeoning field of Asian literature Although the literatures of China Japan and Korea are each allotted separate sections the editors constantly kept an eye open to those writers works and movements that transcend national boundaries This includes for example Chinese authors who lived and wrote in Japan Japanese authors who wrote in classical Chinese and Korean authors who write in Japanese whether under the colonial occupation or because they are resident in Japan The waves of modernization can be seen as reaching each of these countries in a staggered fashion with eddies and back flows between them then complicating the picture further This volume provides a vivid sense of this dynamic interplay **The Columbia Anthology of Modern Japanese Literature** J. Thomas

Rimer, 2007-04-24 In Volume 2 of Columbia's comprehensive anthology of modern Japanese literature thoughtfully selected and carefully translated readings portray the vast changes that have transformed Japanese culture since the end of the Pacific War Beginning with the Allied Occupation in 1945 and concluding with the early twenty first century these stories poems plays and essays reflect Japan's heady transition from poverty to prosperity its struggle with conflicting ideologies and political beliefs and the growing influence of popular culture on the country's artistic and intellectual traditions Organized chronologically and by genre within each period readings include fiction by Hayashi Fumiko and Oe Kenzaburo poems by Ayukawa Nobuo Katsura Nobuko and Saito Fumi plays by Mishima Yukio and Shimizu Kunio and a number of essays among them Eto Jun on Natsume Soseki and his brilliant novel *Kokoro* The Heart of Things and Kawabata Yasunari on the shape of his literary career and the enduring influence of classical Japanese literature Some authors train a keen eye on the contemporary world while others address the historical past and its relationship to modern culture Some adopt an even broader scope and turn to European models for inspiration while others look inward exploring psychological and sexual terrain in new often daring ways Spanning almost six decades this anthology provides a thorough introduction to a profound period of creative activity **Library Journal**, 1998 **The Journal of Japanese Studies**, 1992 A multidisciplinary forum for communicating new information new interpretations and recent research results concerning Japan to the English reading world **The Library Journal**, 1998 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **The Marriage Scenarios** Ingmar Bergman, 1988 From Marianne and Johan the agonized couple in *Scenes from a Marriage* to Charlotte and Eva the mother and daughter who both love and repel one another in *Autumn Sonata* author has created a cast of characters who both uplift and enlighten us and who bring us more closely in touch with ourselves Back cover

Books in Series, 1985 Vols for 1980 issued in three parts Series Authors and Titles [A Guard Within](#) Sarah Ferguson, 1988 This searing autobiographical account traces a young woman's intense struggle to come to terms with a life of outward privilege but inward torment An unforgettable portrait of a heroic woman and the therapeutic relationship which sustained her **Books in Series, 1876-1949** R.R. Bowker Company, 1982 *Modern Japan* Mikiso Hane, 2018-03-09 Integrating political events with cultural economic and intellectual movements *Modern Japan* provides a balanced and authoritative survey of modern Japanese history A summary of Japan's early history emphasizing institutions and systems that influenced Japanese society provides a well rounded introduction to this essential volume which focuses on the Tokugawa period to the present The fifth edition of *Modern Japan* is updated throughout to include the latest information on Japan's international relations including secret diplomatic correspondence recently disclosed on WikiLeaks This edition brings Japanese history up to date in the post 9 11 era detailing current issues such as the impact of the Gulf Wars on Japanese international relations the March 2011 earthquake tsunami and subsequent nuclear accident the recent tumultuous

change of political leadership and Japan's current economic and global status. An updated chronological chart, list of prime ministers, and bibliography are also included. **Modern Japan, Student Economy Edition** Mikiso Hane, 2018-04-27. This book presents the essential facts of modern Japanese history. It covers a variety of important developments through the 1990s, giving special consideration to how traditional Japanese modes of thought and behavior have affected the recent developments.

The Woman's Hand Paul Gordon Schalow, Janet A. Walker, 1996. This volume has a dual purpose. It aims to define the state of Japanese literary studies in the field of women's writing and to present cross-cultural interpretations of Japanese material of relevance to contemporary work in gender studies and comparative literature.

Japanese Women Fiction Writers Carol Fairbanks, 2002-04-26. This study provides annotations for three hundred translated works of fiction by 97 Japanese women writers from the 1890s to the 1990s. Also included are 600 annotations of articles, books, and reviews that cover biographical and critical materials and a 100-page glossary.

Writing Pregnancy in Low-Fertility Japan Amanda C. Seaman, 2016-12-31. *Writing Pregnancy in Low Fertility Japan* is a wide-ranging account of how women writers have made sense and nonsense of pregnancy in postwar Japan. While earlier authors such as Yosano Akiko had addressed the pain and emotional complexities of childbearing in their poetry and prose, the topic quickly moved into the literary shadows when motherhood became enshrined as a duty to state and sovereign in the 1930s and 40s. This reproductive imperative endured after World War II, spurred by a need to create a new generation of citizens and consumers for a new peacetime nation. It was only in the 1960s, in the context of a flowering of feminist thought and activism, that more critical and nuanced appraisals of pregnancy and motherhood began to appear. In her fascinating study, Amanda C. Seaman analyzes the literary manifestations of this new critical approach, introducing readers to a body of work notable for the wide range of genres employed by its authors, including horror and fantasy, short stories, novels, memoir, and manga, the many political, personal, and social concerns informing it, and the diverse creative approaches contained therein. This pregnancy literature, Seaman argues, serves as an important yet rarely considered forum for exploring and debating not only the particular experiences of the pregnant mother-to-be but the broader concerns of Japanese women about their bodies, their families, their life choices, and the meaning of motherhood for individuals and for Japanese society. It will be of interest to scholars of modern Japanese literature and women's history, as well as those concerned with gender studies, feminism, and popular culture in Japan and beyond.

Contemporary Authors Donna Olendorf, 1993-08. Your students and users will find biographical information on approximately 300 modern writers in this volume of *Contemporary Authors*.

Contemporary World Fiction Juris Dilevko, Keren Dali, Glenda Garbutt, 2011-03-17. This much-needed guide to translated literature offers readers the opportunity to hear from, learn about, and perhaps better understand our shrinking world from the perspective of insiders from many cultures and traditions. In a globalized world, knowledge about non-North American societies and cultures is a must. *Contemporary World Fiction: A Guide to Literature in Translation* provides an overview of the tremendous range and

scope of translated world fiction available in English In so doing it will help readers get a sense of the vast world beyond North America that is conveyed by fiction titles from dozens of countries and language traditions Within the guide approximately 1 000 contemporary non English language fiction titles are fully annotated and thousands of others are listed Organization is primarily by language as language often reflects cultural cohesion better than national borders or geographies but also by country and culture In addition to contemporary titles each chapter features a brief overview of earlier translated fiction from the group The guide also provides in depth bibliographic essays for each chapter that will enable librarians and library users to further explore the literature of numerous languages and cultural traditions

Bibliography of Asian Studies ,1994

Shooting Gallery Pantheon Modern Writers Book Review: Unveiling the Power of Words
