Dr. No James Chapman, 2022-11-08 When *Dr No* premiered at the London Pavilion on October 5 1962 no one predicted that it would launch the longest running series in cinema history It introduced the James Bond formula that has been a box office fixture ever since sensational plots colorful locations beautiful women diabolical villains thrilling action set pieces and a tongue in cheek tone An explosive cocktail of action spectacle and sex *Dr No* transformed popular cinema James Chapman provides a lively and comprehensive study of *Dr No* marshaling a wealth of archival research to place the film in its historical moment He demonstrates that contrary to many fan myths the film was the product of a carefully considered transnational production process Chapman explores the British super spy's origins in Ian Fleming's snobbery with violence thrillers examining the process of adaptation from page to screen He considers *Dr No* in the contexts of the UK and Hollywood film industries as well as the film's place in relation to the changing social and cultural landscape of the 1960s particularly Cold War anxieties and the decline of the British Empire The book also analyzes the film's problematic politics of gender and race and considers its cultural legacy This thorough and insightful account of *Dr No* will appeal to film historians and Bond fans alike

Adapting Stephen King Joseph Maddrey, 2021-07-26 Stephen King's fiction has formed the basis of more motion picture adaptations than any other living author Over half a century since his earliest publications Hollywood filmmakers continue to reinvent reimagine remake and

reboot King's stories with mixed results This book volume 1 in a series examines the various screen adaptations of King's first three novels *Carrie*, *Salem's Lot* and *The Shining* Reaching further than questions of fidelity to the author and adherence to directorial visions it charts the development of each individual adaptation from first option to final cut Through old and new interviews with the writers producers and directors of these films as well as in depth analyses of produced and unproduced screenplays it illuminates the adaptation process as an intricately collaborative endeavor Rather than merely synopsise the resulting stories its goal is to compare contrast and contextualize each of these adaptations as the products of their creators

On Screen Writing Edward Dmytryk, 2018-10-30 With *On Screen Writing* director Edward Dmytryk offers a clear methodical overview of the needs practices and problems of screenwriting including extensive coverage of adaptation Written In an informal anecdotal style and using script examples from Hollywood classics Dmytryk presents a practical set of principles for writing engaging filmable screenplays Originally published in 1985 this reissue of Dmytryk's classic screenwriting book includes a new critical introduction by Mick Hurbis Cherrier as well as chapter lessons discussion questions exercises and a glossary

Filming Robert Flaherty's Louisiana Story Helen Durant, 1998 This book details the production of Robert Flaherty's most beautiful and most ambitious film *Louisiana Story* At its core are the production diaries of Helen van Dongen associate producer and editor for the project and a pioneer among women filmmakers Her informative notes which have never before been published illuminate the problems and challenges of shooting and cutting the film on location in the bayou country of Louisiana The essays describe the creative partnership that van Dongen developed with Flaherty They also provide insight into New York's documentary film scene during the 1930s and 40s The illustrations include film stills working documents and archival photographs there are also biographies and filmographies

Hollywood Soundscapes Helen Hanson, 2019-07-25 The technical crafts of sound in classical Hollywood cinema have until recently remained largely unsung by histories of the studio era Yet film sound voice music and sound effects is a crucial aspect of film style and has been key to engaging and holding audiences since the transition to sound by Hollywood's major studios in 1929 This innovative new text restores sound technicians to Hollywood's creative history Exploring a range of films from the early sound period 1931 through to the late studio period 1948 and drawing on a wide range of archival sources the book reveals how Hollywood's sound designers worked and why they worked in the ways that they did The book demonstrates how sound technicians developed conventions designed to tell stories through sound placing them within the production cultures of studio era filmmaking and uncovering a history of collective and collaborative creativity In doing so it traces the emergence of a body of highly skilled sound personnel able to apply expert technical knowledge in the science of sound to the creation of cinematic soundscapes that are alive with mood and sensation

Key Concepts in Contemporary Popular Fiction Bernice M. Murphy, 2017-03-01 Key Concepts in Contemporary Popular

Fiction represents an invaluable starting point for students wishing to familiarise themselves with this exciting and rapidly evolving area of literary studies. It provides an accessible, concise and reliable overview of core critical terminology, key theoretical approaches and the major genres and sub genres within popular fiction. Because popular fiction is significantly shaped by commercial forces, the book also provides critical and historical contexts for terminology related to e-books, e-publishing and self-publishing platforms. By using a focus in particular on post 2000 trends in popular fiction, the book provides a truly up to date snapshot of the subject area and its critical contexts. *Stephen King* Rocky Wood, 2017-02-10

This companion provides a two part introduction to best selling author Stephen King whose enormous popularity over the years has gained him an audience well beyond readers of horror fiction, the genre with which he is most often associated. Part I considers the reception of King's work, the film adaptations that they gave rise to, the fictional worlds in which some of his novels are set and the more useful approaches to King's varied corpus. Part II consists of entries for each series, novel, story, screenplay and even poem, including works never published or produced, as well as characters and settings. **"Twice the Thrills! Twice the Chills!"** Bryan Senn, 2019-03-19

In the mid 1950s, to combat declining theater attendance, film distributors began releasing pre-packaged genre double bills, including many horror and science fiction double features. Though many of these films were low budget and low end, others such as *Invasion of the Body Snatchers*, *Horror of Dracula* and *The Fly* became bona fide classics. Beginning with Universal International's 1955 pairing of *Revenge of the Creature* and *Cult of the Cobra*, 147 officially sanctioned horror and sci-fi double bills were released over a 20 year period. This book presents these double features year by year and includes production details, historical notes and critical commentary for each film. *Henry Hathaway* Harold N. Pomainville, 2016-06-10

For the casual film fan, Henry Hathaway is not a household name. But in a career that spanned five decades, Hathaway directed an impressive number of films and guided many actors and actresses to some of their most acclaimed performances. He also helped launch the Hollywood careers of numerous actors, such as Randolph Scott, Lee Marvin, Karl Malden and Charles Bronson. His work on *Niagara* established Marilyn Monroe as a major star. Hathaway also guided John Wayne to his Academy Award winning performance in the original version of *True Grit*. In *Henry Hathaway: The Lives of a Hollywood Director*, Harold N. Pomainville looks at the life and work of this Hollywood maverick. The author charts Hathaway's career from his first low budget Western in the early 1930s through his last film in 1974. In between, he focuses his attention on the films that brought the director acclaim, including *The Lives of Bengal Lancer* (1935) for which Hathaway received an Oscar nomination, noir thrillers *The House on 92nd Street* and *Kiss of Death*, and his documentary-like production of *Call Northside 777* with Jimmy Stewart. In this book, the author captures Hathaway's extroverted personality and keen intellect. He befriended some of the best known celebrities of his generation and was known for his loyalty, generosity and integrity. He was also notorious in Hollywood for his powerful ego, explosive temper and his dictatorial style on the set. *Henry Hathaway: The Lives of a Hollywood Director* is a must read for anyone interested in the

Screenwriters José Guilherme Correa, 2016-07-13 Screen writing is a unique literary form Screenplays are like musical scores in that they are intended to be interpreted on the basis of other artists performances rather than serving as finished products for the enjoyment of their readers They are written using technical jargon and tight spare prose to describe set directions Unlike a novella a script focuses on describing the literal

visual aspects of the story rather than on its characters internal thoughts In screen writing the aim is to evoke those thoughts and emotions through subtext action and symbolism Prominent Hollywood script doctors include Steve Zaillian William Goldman Robert Towne Mort Nathan Quentin Tarantino etc while many up and coming screenwriters work as ghost writers This book is a modest catalogue of some of the most prominent screenwriters listed from A to Z The good are sometimes bad and they can be even Ugly Many comments herein included were googled in deference to the multiplicity of information available today yet they reflect exactly or almost what I thought An amazing thing today is how anonymous commentators on the Internet rival and even surpass the poor quality of professional media and specialised literature It all comes down to watching the truth 24 times per second to quote Jean Luc Godard s phrase Not to mention that such truth may include sex scenes violence pedophilia etc We know that a literary masterpiece like Henry James Portrait of a Lady became a film of very poor quality as scripted by Laura Jones We know conversely that a mediocre writer like Mickey Spillane inspired at least one film as remarkable as Kiss Me Deadly thanks to A I Bezzerides script Asa former screenwriter Mr Correa must avow that he found the job most gratifying Writing that looks effortless is often hellish to write and revise It was something he did have to slog through but it proved particularly pleasing Editing discussing finishing your work is particularly gratifying Identifying your flaws and working to mitigate them is also gratifying It is a general perception that creative careers are more interesting and fun than others But the privilege of earning money through imagination and creativity is effectively hard won Please comment at will Please disagree at will Be facetious in your remarks but please be neither vicious nor mean spirited

The Parade's Gone By Kevin Brownlow,1968 Well illustrated book on history of silent movies [The Haunted House on Film](#) Paul Meehan,2019-12-06 A popular phenomenon since antiquity the image of the haunted house is one that has translated elegantly into the modern medium of film The haunted house transcends genre appearing in mysteries gothic romances comedies and horror films This book is the first comprehensive historical and critical study of themes surrounding haunted houses in film Covering more than 100 films it spans from the Mystery House thrillers of the silent era to the high tech big budget productions of the 21st Century Included are the works of such acclaimed directors as D W Griffith Robert Wise Mario Bava Alfred Hitchcock Stanley Kubrick Tim Burton and Guillermo Del Toro The book also covers the real life haunted house phenomenon and movies based on paranormal case files including those featured in films like the Conjuring series
