Short, Green, and Conrad Bill Schorr, 1985-01-01      **Journal of the Royal Horticultural Society** Royal Horticultural Society (Great Britain), 1908 Vols for 1846 55 include Proceedings at meetings of the society      Eve's Trial ALBERT JAMES, 2011-12-20 Trapped aboard a space station Sheena Steele's options are limited to say the least She's just been fired from her position and literally has nowhere to go but still more worried about her best friend Tishia Bach who was facing execution A mesmerizing emerald eyed beauty who attracts trouble from everywhere with her charismatic and alluring nature Tish could hold the very secrets of life within her enigmatic body and that's why she's a target Only Sheena knows Tish's secret for now Their only hope seems to be finding refuge with Vigdor Beckenstein a brilliant but obscure physicist that is intrigued by the extreme behavior of a frightened woman in love and upon closer examination finds unusual but attractive character traits After disguising the fugitives and introducing them to society he rocks their world with a plan that only destiny could have designed while well hidden secrets are unexpectedly revealed Explosive unpredictability only surpassed by originality This is the epic journey of two incredible women with all the odds stacked against them thrown into elite circles and witnessing behind the scene corruption of world powers Don't miss the sensational conclusion Legend of the White Dragon      **The Collected Short Stories of Ring Lardner** Ring Lardner, 1929      **Annual Report of the Trustees of the State Museum of Natural History** New York State Museum, 1893      **Report of the State Geologist** New York State Geological Survey, 1893      **Host Bibliographic Record for Boundwith Item Barcode 30112118336830 and Others**, 1893      **Annual Report of the State Geologist** New York State Geological Survey, 1893      **Annual Report** New York State Museum, 1893      *Through Uganda to Mount Elgon* John Bremner Purvis, 1909      Geological Survey Professional Paper Geological Survey (U.S.), 1963      *The Great Delaware Sports Book* Doug Gelbert, 1995      The Green Book Magazine, 1920      **A Concordance to Conrad's Heart of Darkness** Todd K. Bender, 2020-04-30 Originally published in 1979 this concordance to Heart of Darkness is intended for use by the general student of Conrad who wants to determine the exact denotation and connotation of Conrad's vocabulary or the patterns of imagery in his work quickly and effortlessly It prints under each word every logical context in which it occurs This volume is part of a series which produced verbal indexes concordances and related data for all of Conrad's works      **Conrad's Heart of Darkness** John P. Anderson, 2005 This is a reader's guide to Conrad's novel Heart of Darkness as art not as a page turner but as art As he has done with other works of Conrad Anderson traces Conrad's art in a line by line analysis of most of this short novel Anderson traces the unifying theme of the novel to Nietzsche's ideas in The Birth of Tragedy Nietzsche interpreted ancient Greek tragedy as a reflection of Dionysian and Apollinian life experiences of the Greek audience Apollo was a Greek god of the higher orders of civilization and the civilized restraint and control that is necessary for getting along with others Dionysus on the other hand was a god of nature and fertility and is associated with unrestrained orgiastic worship This author shows how Conrad used the contrast

between the Apollinian and Dionysian to structure the form and content of the novel how the contrast holds together the important artistic decisions made by Conrad how Conrad midwived the rebirth of ancient Greek tragedy as the Congo tragedy the rape of the Congo by Europeans in the late 19th century and how this could have happened how the psyches of the Europeans unraveled in the Congo jungle In Conrad's rendition the unrestrained competitive and hostile Dionysian life forces at the heart of nature not only power the teeming jungle but also lurk in the inherited instincts of mankind The European search for ivory in the Congo brought these primitive instincts to the surface out of their holes like serpents with venom of a mixture of desire and hate The high ground of the novel is an irony in the Congo clothes do not make the man The European exploiters dressed in the very proper tropical whites are savage in behavior while naked man eaters are restrained in behavior As with Nietzsche before him Conrad's approach anticipated central doctrines of Freud and Jung Conrad's use of Nietzschean elements gives many modern readers a sense of dread or uneasiness suggesting that the Nietzschean elements jostle important structures in our unconscious

**A Concordance to Conrad's Nostromo** James W. Parins, Robert J. Dilligan, Todd K. Bender, 2020-04-30 Originally published in 1984 this volume follows others in the series By looking up a word in the word frequency table the user can find how often it occurs in the text The verbal index indicates at what page and line the word occurs so that the user can turn to the field of reference to see the word in each of its contexts This volume is part of a series which produced verbal indexes concordances and related data for all of Conrad's works

**Green Modernism** Jeffrey Mathes McCarthy, 2016-04-08 One of the first studies to explore the relationship between environmental criticism and British modernism Green Modernism explores the cultural function of nature in the modernist novel between 1900 and 1930 This theoretically engaged historically informed book brings new materialist insights to novels by Conrad Ford Lawrence and Butts

Conrad's Angel Stuart Slade, 2018-10-05 Conrad de Llorente Inquisitor A Soul Eternally Damned After centuries tormented by guilt Conrad's work saving the innocent finally won him a measure of peace and at least some of the Redemption he craves Now respected by his peers he lives in Bangkok and carries on his work protecting those unjustly condemned and who have nowhere else to turn It is here that he faces his greatest ever challenge a young woman who survived a horrifying attack as a child and has now become a career criminal Conrad faces a new and unprecedented challenge Knowing that Angel was betrayed by her family and believing his Church was responsible for the path her life has taken he feels obliged to try and save her soul Yet how does he go about saving somebody who does not want to be saved and redeeming a soul that spurns redemption Driven by the principle of hating the sin but loving the sinner Conrad accepts this new challenge and is determined to save Angel's soul if necessary at cost of his own
