BLOOMSBURY

# Short History Of Florence

**Henry Dwight Sedgwick**

## Short History Of Florence:

**A Short History of Florence and the Florentine Republic** Brian Jeffrey Maxson, 2023-02-23 The innovative city culture of Florence was the crucible within which Renaissance ideas first caught fire With its soaring cathedral dome and its classically inspired palaces and piazzas it is perhaps the finest single expression of a society that is still at its heart an urban one For as Brian Jeffrey Maxson reveals it is above all the city state the walled commune which became the chief driver of European commerce culture banking and art that is medieval Italy s enduring legacy to the present Charting the transition of Florence from an obscure Guelph republic to a regional superpower in which the glittering court of Lorenzo the Magnificent became the pride and envy of the continent the author authoritatively discusses a city that looked to the past for ideas even as it articulated a novel creativity Uncovering passionate dispute and intrigue Maxson sheds fresh light too on seminal events like the fiery end of oratorical firebrand Savonarola and Giuliano de Medici s brutal murder by the rival Pazzi family This book shows why Florence harbinger and heartland of the Renaissance is and has always been unique *A Short History of Florence* Fabrizio Ricciardelli, 2019 The book traces the history of Florence in a synthetic and accessible way starting from 59 BC traditional date of the foundation of the Roman colony until 1967 the year after the terrible flood of the Arno river The main events the historical places the great characters remind us why Florence is considered to be not simply a city but a real cultural model the origin of the values of democracy and freedom of rational thought and of modern scientific method homeland of some of the greatest geniuses of humanity *A short history of Florence* Franco Cardini, 2012 **A Short History of the Italian Renaissance** Kenneth R. Bartlett, 2013-01-01 Award winning lecturer Kenneth R Bartlett applies his decades of experience teaching the Italian Renaissance to this beautifully illustrated overview In his introductory Note to the Reader Bartlett first explains why he chose Jacob Burckhardt s classic narrative to guide students through the complex history of the Renaissance and then provides his own contemporary interpretation of that narrative Over seventy color illustrations genealogies of important Renaissance families eight maps a list of popes a timeline of events a bibliography and an index are included *A Short History of Italy* Henry Dwight Sedgwick, 1905 *A Short History of Greece to the Death of Alexander the Great* Walter Stanley Hett, 1908 **A Short History of Renaissance Italy** Lisa Kaborycha, 2023-11-30 From Giotto s artistic revolution at the dawn of the fourteenth century to the scientific discoveries of Galileo in the early seventeenth this book explores the cultural developments of one of the most remarkable and vibrant periods of history the Italian Renaissance What makes the period all the more amazing is that this flowering of the visual arts literature and philosophy occurred against a turbulent backdrop of civic factionalism foreign invasions war and pestilence The fifteen chapters move briskly from the Fall of the Roman Empire in the West through the growth of the Italian city states where in the crucible of pandemic disease and social unrest a new approach to learning known as humanism was forged political and religious certainties challenged Traversing the entire Italian Peninsula Florence Rome Milan Venice Naples and Sicily this

book examines the rich regional diversity of Renaissance cultural experience and considers men's and women's lives, their changing social attitudes and beliefs across three centuries. This second edition has been updated throughout; it now contains dozens of color images and timelines as well as links to the author's new companion book of primary sources. *Voices from the Italian Renaissance*. Readers will need no preliminary background on the subject matter as the story is told in a lively, readable narrative. Interdisciplinary in nature, its characters are merchants, bankers, artists, saints, soldiers of fortune, poets, popes, and courtesans. With brief literary excerpts, first-hand accounts, maps, and illustrations that help bring the era to life, this is an ideal text for students in a college survey course as well as for the interested general reader or traveler to Italy who is curious to learn more about the extraordinary heritage of the Renaissance.      **A Short History of Florence** Franco

Cardini, 2003      **A Short History of Italian Painting** Alice Van Vechten Brown, William Rankin, 1914      *A Short History of Italy (476-1900)* Henry Dwight Sedgwick, 2019-12-02 In *A Short History of Italy 476-1900* Henry Dwight Sedgwick provides a comprehensive overview of the political, social, and cultural developments of Italy from the fall of the Western Roman Empire to the beginning of the 20th century. Written in a clear and engaging prose style, Sedgwick's book offers a detailed examination of key events such as the Renaissance, the unification of Italy, and the rise of fascism. By weaving together political history with cultural analysis, Sedgwick paints a vivid picture of Italy's rich and complex past. His inclusion of primary sources and scholarly insights further enhances the reader's understanding of Italy's evolution as a nation. Sedgwick's work is a valuable contribution to Italian history and provides readers with a solid foundation for further study. For anyone interested in the history of Italy, *A Short History of Italy 476-1900* is a must-read that offers both depth and clarity.      **A**

**Short History of the Italian Renaissance** Virginia Cox, 2015-10-08 The extraordinary creative energy of Renaissance Italy lies at the root of modern Western culture. In her elegant new introduction, Virginia Cox offers a fresh vision of this iconic moment in European cultural history when, between the fourteenth and sixteenth centuries, Italy led the world in painting, building, science, and literature. Her book explores key artistic, literary, and intellectual developments but also histories of food and fashion, map-making, exploration, and anatomy. Alongside towering figures such as Leonardo da Vinci, Michelangelo, Raphael, Petrarch, Machiavelli, and Isabella d'Este, Cox reveals a cast of lesser-known protagonists including printers, travel writers, actresses, courtesans, explorers, inventors, and even celebrity chefs. At the same time, Italy's rich regional diversity is emphasised; in addition to the great artistic capitals of Florence, Rome, and Venice, smaller but cutting-edge centres such as Ferrara, Mantua, Bologna, Urbino, and Siena are given their due. As the author demonstrates, women played a far more prominent role in this exhilarating resurgence than was recognized until very recently, both as patrons of art and literature and as creative artists themselves. Renaissance woman, she boldly argues, is as important a legacy as Renaissance man.      A

Short History of British Colonial Policy Hugh Edward Egerton, 1913      **A Short History of the Renaissance in Italy** John Addington Symonds, Alfred Pearson, 1894      **A Short History of the Renaissance in Europe** Margaret L. King, 2016-09-22

Writing about the Renaissance can be a daunting task Not only do scholars disagree on what the Renaissance is but they also disagree on whether or not it even took place Margaret L King s richly illustrated social history of the Renaissance succeeds as a trusted resource introducing readers to Europe between 1300 1700 as well as to the problems of cultural renewal A Short History of the Renaissance in Europe includes a detailed discussion of Burckhardt as well as new content on European contact with the Islamic world This new edition also provides improved coverage of the Protestant and Catholic Reformations Focus features provide fascinating insights into the Renaissance era and Voices sections introduce a wealth of primary sources King s engaging narrative is enhanced by over 100 images statistical tables timelines a glossary and suggested readings

A Short History of Political Economy in England Langford Lovell Price,1905      A Short History of the Renaissance in Italy Symonds,1893      **A short history of the Renaissance in Italy, taken from the work of J.A. Symonds by A. Pearson** John Addington Symonds,1893      *A Short History of Italy* Mary Platt Parmele,2017-05-26 From the birth of the Roman Empire to the rise of the city states through the Renaissance and the making of modern Italy Mary Platt Parmele s A Short History of Italy is a fascinating story of the forces and events that shaped this country      New Mediæval and Modern History Samuel Bannister Harding,1913      **A Short History of Women** Kate Walbert,2009-06-16 Inspired by a suffragist ancestor who starved herself to promote the integration of Cambridge University Evie refuses to marry and Dorothy defies a ban on photographing the bodies of her dead Iraq War soldier sons a choice that embarrasses Dorothy s daughters
