State,2009 Follows the political economic and social development of Ireland from the pagan past to the contemporary religious strife and hope for reconciliation *A Short History of Ireland, 1500-2000* John Gibney,2025-06-24 A brisk concise and readable overview of Irish history from the Protestant Reformation to the dawn of the twenty first century Five centuries of Irish history are explored in this informative and accessible volume John Gibney proceeds from the beginning of Ireland s modern period and continues through to
