

A SHORT HISTORY OF
**MODERN
IRELAND**

Richard Killeen

Short History Of Modern Ireland

K.Theodore Hoppen

Short History Of Modern Ireland:

A Short History of Modern Ireland Richard Killeen, 2003 This new Short History of Modern Ireland is concise comprehensive and original in approach It combines a strong narrative with explanation and interpretation Locating Ireland within a European context throughout the period it also stresses the influence of the Anglo American world Written in an accessible style it assumes no previous knowledge of Irish history It is therefore the perfect introduction to the subject for visitors to Ireland and illuminating for Irish people themselves Book jacket *A Brief History of Ireland* Richard Killeen, 2012-01-19 From the dawn of history to the decline of the Celtic Tiger how Ireland has been shaped over the centuries Ireland has been shaped by many things over the centuries geography war the fight for liberty A Brief History of Ireland is the perfect introduction to this exceptional place its people and its culture Ireland has been home to successive groups of settlers Celts Vikings Normans Anglo Scots Huguenots It has imported huge ideas none bigger than Christianity which it then re exported to Europe after the fall of the Roman Empire In the Tudor era it became the first colony of the developing English Empire Its fraught and sometimes brutal relationship with England has dominated its modern history Killeen argues that religion was decisive in all this Ireland remained substantially Catholic setting it at odds with the larger island culturally religiously and politically But its own culture and identity have stayed strong most obviously in literature with a magnificent tradition of writing from the Book of Kells to the modern masters Joyce Yeats Beckett and Heaney [A Short History of Ireland, 1500-2000](#) John Gibney, 2018-01-09 A brisk concise and readable overview of Irish history from the Protestant Reformation to the dawn of the twenty first century Five centuries of Irish history are explored in this informative and accessible volume Beginning with Ireland s modern period at the dawn of the sixteenth century John Gibney continues through to virtually the present day offering an integrated overview of the island nation s cultural political and socioeconomic evolution This succinct scholarly study covers important historical events including the Cromwellian conquest and settlement the Great Famine and the struggle for Irish independence Along the way it explores major themes such as Ireland s often contentious relationship with Britain the impact of the Protestant Reformation the ongoing religious tensions it inspired and the global reach of the Irish diaspora This unique wide ranging work assimilates the most recent scholarship on a wide range of historical controversies making it an essential addition to the library of any student of Irish studies **A Short History of Ireland** John Ranelagh, 2012-10-11 This third edition of John O Beirne Ranelagh s classic history of Ireland incorporates contemporary political and economic events as well as the latest archaeological and DNA discoveries Comprehensively revised and updated throughout it considers Irish history from the earliest times through the Celts Cromwell plantations famine Independence the Omagh bomb peace initiatives and financial collapse It profiles the key players in Irish history from Diarmuid MacMurrough to Gerry Adams and casts new light on the events North and South that have shaped Ireland today Ireland s place in the modern world and its relationship with Britain the USA and Europe is also examined with a fresh and

original eye Worldwide interest in Ireland continues to increase but whereas it once focused on violence in Northern Ireland the tumultuous financial events in the South have opened fresh debates and drawn fresh interest This is a new history for a new era

The Integrity of Ireland Stephen M. Duffy, 2009 Circumstances placed John Redmond and the Irish Parliamentary Party at the center of British politics in 1912 After more than a century of struggle Irish nationalists looked likely to return a parliament to Dublin that would allow the Irish people as one nation to determine their own domestic affairs Staunch Ulster Unionists stood in opposition determined to reject Home Rule for their region Alongside them were Unionist Party members who declared that such an action would destroy the British Empire wreck the constitution and possibly foment a civil war Over the next decade the Home Rulers saw their cause betrayed and their party destroyed Asquith Lloyd George and Winston Churchill all served to undercut Redmond and his supporters in the interests of political expediency Four years of war in Europe followed by four years of conflict in Ireland led to a more radical approach to the Irish question that allowed Sinn Fein and the Irish Republican Army to make the nationalist cause their own By 1922 Eamon de Valera Michael Collins James Craig and their followers took possession of a divided Ireland embittered by the enmity of two Irish identities and the strains of factional strife

A Short History of Ireland, 1500-2000 John Gibney, 2025-06-24 A brisk concise and readable overview of Irish history from the Protestant Reformation to the dawn of the twenty first century Five centuries of Irish history are explored in this informative and accessible volume John Gibney proceeds from the beginning of Ireland s modern period and continues through to virtually the present day offering an integrated overview of the island nation s cultural political and socioeconomic history This succinct scholarly study covers important historical events including the Cromwellian conquest and settlement the Great Famine and the struggle for Irish independence Gibney s book explores major themes such as Ireland s often contentious relationship with Britain its place within the British Empire the impact of the Protestant Reformation the ongoing religious tensions it inspired and the global reach of the Irish diaspora This unique wide ranging work assimilates the most recent scholarship on a wide range of historical controversies making it an essential addition to the library of any student of Irish studies

A Short History of Modern Ireland, from 1485 to the Present Day Randall Clarke, *Ireland* Joseph Coohill, 2024-09-10 A new edition of Joseph Coohill s bestselling history of Ireland From the first prehistoric inhabitants of the island to the Windsor Framework for Northern Ireland this uniquely concise account of Ireland and its people reveals how modern Irish society is the product of a rich multivalent history Combining factual information with a critical approach Coohill covers all the key events including the Great Famine Home Rule the Good Friday Agreement and Brexit Newly revised and updated this highly accessible and balanced account will continue to provide a valuable resource to all those wishing to acquaint themselves further with the complex history of Ireland and Irish people

[The Oxford Handbook of Religion in Modern Ireland](#) , 2024-01-16 What does religion mean to modern Ireland and what is its recent social and political history The Oxford Handbook of Religion in Modern Ireland provides in depth analysis of the

relationships between religion society politics and everyday life on the island of Ireland from 1800 to the twenty first century Taking a chronological and all island approach it explores the complex and changing role of religion both before and after partition The handbook s thirty two chapters address long standing historical and political debates about religion identity and politics including religion s contributions to division and violence They also offer perspectives on how religion interacts with education the media law gender and sexuality science literature and memory Whilst providing insight into how everyday religious practices have intersected with the institutional structures of Catholicism and Protestantism the book also examines the island s increasing religious diversity including the rise of those with no religion Written by leading scholars in the field and emerging researchers with new perspectives this is an authoritative and up to date volume that offers a wide ranging and comprehensive survey of the enduring significance of religion on the island *The Irish General* Paul R.

Wylie,2012-10-09 Irish patriot Civil War general frontier governor Thomas Francis Meagher played key roles in three major historical arenas Today he is hailed as a hero by some condemned as a drunkard by others Paul R Wylie now offers a definitive biography of this nineteenth century figure who has long remained an enigma The Irish General first recalls Meagher s life from his boyhood and leadership of Young Ireland in the revolution of 1848 to his exile in Tasmania and escape to New York where he found fame as an orator and as editor of the Irish News He served in the Civil War viewing the Union Army as training for a future Irish revolutionary force and rose to the rank of brigadier general leading the famous Irish Brigade Wylie traces Meagher s military career in detail through the Seven Days battles Antietam Fredericksburg and Chancellorsville Wylie then recounts Meagher s final years as acting governor of Montana Territory sorting historical truth from false claims made against him regarding the militia he formed to combat attacking American Indians and plumbing the mystery surrounding his death Even as Meagher is lauded in most Irish histories his statue in front of Montana s capitol is viewed by some with contempt The Irish General brings this multi talented but seriously flawed individual to life offering a balanced picture of the man and a captivating reading experience **British Sources of Information P.**

Jackson,2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual *A New History of Ireland Volume VII* J. R. Hill,Theodore William

Moody,Francis X. Martin,Francis John Byrne,2010-08-26 Volume VII covers a period of major significance in Ireland s history the division of Ireland and the eventual establishment of the Irish Republic **Ireland since 1800** K.Theodore

Hoppen,2013-12-02 The second edition of this bestselling survey of modern Irish history covers social religious as well as

political history and offers a distinctive combination of chronological and thematic approaches A New History of Ireland: Ireland under the Union, II, 1870-1921 Daibhi O. Croinin, William Edward Vaughan, 2005 *A New History of Ireland, Volume VI* W. E. Vaughan, 2010-04-01 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VI opens with a character study of the period followed by ten chapters of narrative history and a study of Ireland in 1914 It includes further chapters on the economy literature the Irish language music arts education administration and the public service and emigration *The Making of Modern Ireland 1603-1923* J.C. Beckett, 2011-11-03 Technically this book is a masterly achievement the collection sorting selecting and balancing of material has meant an immense amount of hard and highly skilful work The presentation is not only learned but cool objective unimpassioned and yet almost always alive and compassionate as well As a reference book alone it is immensely valuable As an example of a humane scholarly expert history Professor Beckett s book will be difficult to surpass D B Quinn Belfast Telegraph He has brilliantly succeeded The book is admirably constructed and written with clarity and economy which carry the narrative unflaggingly through to the end This excellent book supersedes all previous histories of modern Ireland F S L Lyons New Statesman **Bulletin of Additions to the Libraries, Classified, Annotated and Indexed** Glasgow (Scotland). Public Libraries, 1919 **A Short History of Ireland from the Earliest Times to 1608** Patrick Weston Joyce, 1893 Modern and Contemporary European History Jacob Salwyn Schapiro, 1918 **Modern and Contemporary European History (1815-1922)** Jacob Salwyn Schapiro, 1922
