Show Businebwar Years

Thomas Patrick Doherty

Show Businebwar Years:

Projections of War Thomas Patrick Doherty,1999 Topics include the influence of Leni Riefenstahl negro soldiers depicting Vietnam in films Films examined include Sergeant York Air force Saving Private Ryan The thin red line **Nashville's Songwriting Sweethearts** Bobbie Malone,Bill C. Malone,2020-03-26 The story of Felice and Boudleaux Bryant is the story of towering artistic achievement wrapped in a love story so deep and so complete that the two are their own country song Bobbie and Bill Malone are precisely the right match to tell this tale of love and genius Ken Burns Director Country Music You might not know the names of Boudleaux and Felice Bryant but you know their music Arriving in Nashville in 1950 the songwriting duo became the first full time independent songwriters in that musical city In the course of their long careers they created classic hits that pushed the boundaries of country music into the realms of pop and rock Songs like Bye Bye Love All I Have to Do Is Dream Love Hurts and Rocky Top inspired young musicians everywhere Here for the first time is a complete biography of Nashville s power songwriting couple In Nashville s Songwriting Sweethearts authors Bobbie Malone and Bill C Malone recount how Boudleaux and Felice married in 1945 began their partnership as itinerant musicians living in a trailer home and writing their first songs together In Nashville the couple had to deal with racism classism and in Felice s case sexism Yet through hard work and business acumen and a dose of good luck they overcame these obstacles and rose to national prominence By the late 1990s the Bryants had written as many as 6 000 songs and had sold more than 350 million copies worldwide They were inducted into the Nashville Songwriters Hall of Fame in 1972 and in 1991 they became members of the Country Music Hall of Fame a rare occurrence for songwriters who were not also performers In 1982 their composition Rocky Top was adopted as one of the official state songs of Tennessee The Bryants were lucky enough to arrive in the right place at the right time Their emergence in the early fifties coincided with the rise of Nashville as Music City USA And their prolific collaboration with the Everly Brothers beginning in 1957 sparked a fusion between country and pop music that endures to this day *Billboard* ,1943-12-04 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Theatre in a Tent William L. Slout,2008-08-01 A premier study of the dramatic tent show s development **History of AFRTS, the First 50 Years** ,1993 **Funny Ladies** Stephen M. Silverman,2018-12-15 Jam packed with jokes funny stories and stand up routines this guide to America s funniest women covers more than seventy five famous comediennes including Carol Burnett Ellen DeGeneres Whoopi Goldberg Goldie Hawn Bette Midler Mary Tyler Moore Joan Rivers Lily Tomlin and others The History of the Haverstock Tent Show Robert Lee Wyatt,1997 Although rural America supported more than seven hundred tent repertoire groups during the first half of the twentieth century little is known about the many players and companies that strolled the land to bring live entertainment to small towns Thus Robert Lee Wyatt s chronicle of a pioneer

dramatic tent repertoire company is more than just a fascinating story it is also a particularly significant piece of American theater history Founded in Roosevelt Oklahoma in 1911 by Harvey Haver and Carlotta Lotta Haverstock the Haverstock Tent Show proved to be one of the most enduring of these tent theater companies and of family enterprises Rolland Haverstock the founders son played leading man roles for thirty of the company s forty three years and Rolland s wife Peggy who joined the company in 1933 toured with the group until it dissolved in 1954 As Wyatt reports the life and work of this remarkable family of thespians the schedule sounds grueling at least one new town every week with a different three act play for each night they worked a town but apparently the Haverstocks and the actors who traveled with them loved their work And they thoroughly enjoyed meeting new people in the towns along the route through rural Oklahoma Texas Missouri Arkansas and Illinois Unlike many such companies the Haverstocks made a point of fitting into the community including going to church with their audiences on Sunday mornings Wyatt was exceptionally fortunate in finding such willing and able subjects as he investigated the tent theater movement Not only did Rolland and Peggy Haverstock spend hours regaling him with tales of the family touring company but they also provided him with their own archival records Through these two veteran players Wyatt had access to family letters Haver s memoirs and diaries copies of scripts route books record books and scrapbooks and photographs some of which are included here Wyatt supplemented this material with interviews with those who had worked with the Haverstocks or who had known the company by reputation Neorealist Film Culture, 1945-1954

Francesco Pitassio,2025-10-01 Unique truthful brutal Neorealism is often associated with adjectives stressing its peculiarities in representing the real its lack of antecedents and its legacy in terms of film style While this is useful when confronting auteurs such as De Sica Rossellini or Visconti it becomes problematic when examining a widespread cultural practice that realistic modes deeply affected This cultural production included filmmaking literature visual culture and photography as well as media discourses It was internally contradictory but fruitful inasmuch as its legacy influenced national culture for many decades to come The volume spotlights post war Italian film culture by locating a series of crossroads i e topics barely examined when discussing neorealism nation memory and trauma visual culture stardom and performance The aim is to deconstruct neorealism as a monument and to open up its cultural history **The Accountant ,1917 Dad's Army Goes**

to War Melody Foreman,2024-12-30 For decades the classic evergreen BBC comedy Dad s Army has entertained millions of viewers around the world But the farcical antics of Walmington on Sea s bumbling Home Guard platoon camouflage the true military service of some of the actors themselves Despite their light hearted appearance many of the cast saw active service in one or even both of the world wars and much of it far from humorous The inspiration behind the sitcom was the experiences of one its writers Jimmy Perry who as a young 16 year old wannabe comedian was still waiting for his call up papers when he joined the eager warriors of the Home Guard in 1940 Little did he know how decades later that ribald group of men in the Watford battalion would provide the inspiration which put his name up in lights Indeed was it Perry s own goofy

gullibility as a teenager that helped form the character of Private Pike Also admitted Perry the affable Lance Corporal Jones in real life Clive Dunn a former prisoner of war who served in the 4th Queen s Own Hussars was partly based on an old soldier Perry knew who had served in the Sudan This veteran recalled being told by a CO to piss on your rifle to cool it down Perry went on to serve in India in the Royal Artillery and then later with Combined Services Entertainments As a twenty year old British Army officer David Croft was stationed in North Africa when a raft of comical events including his struggles with a Bofors gun went on to shape the calamities which befall the Dad s Army troopers theater mad Derbyshire lad Arthur Lowe who played the redoubtable Captain Mainwaring was thin with knobbly knees when he was seconded to the No 2 Field Entertainment Unit in Egypt Meantime languid good mannered actor John Le Mesurier reported for duty with the Royal Tank Regiment complete with golf clubs in his car boot By 1943 he was ironically enduring life in Deolali Doolally in India when he had a captaincy thrust upon him until being demobbed in 1946 The astonishing bravery of actor and playwright Arnold Ridley who was denied a DSO and a Military Medal for his actions during the First World War makes for heart rending reading His creation of dear old Private Godfrey won him millions of adoring fans The classical actor John Laurie Private We re all doomed Frazer was also a hero of the trenches Always dry witted he once made everyone laugh on set when he remarked I ve played every part in Shakespeare I was considered to be the finest Hamlet of the 1920s and I had retired and now I am famous for doing this crap That each man including the mocking Laurie helped turn Dad s Army into everlasting success will never be forgotten And why Well in reality they had seen war and knew war and yet always completely realised and understood how the power of laughter is the ultimate triumph **Events, Dear Boy, Events** Ruth Winstone,2012-10-04

Ruth Winstone retells Britain s history through the great diarists of the last century drawing back the curtain on the lives of political classes their doubts ambitions and emotions She moves deftly among those in the thick of it showing the elation anger doubts jealousy joys and fears of people as they record their own and the nation s triumphs and disasters To this potent mix she adds the mordant perceptions of observers like Virginia Woolf Cecil Beaton Peter Hall and Roy Strong and the vivid records of everyday life found in the diaries of otherwise ordinary men and women **Events Dear Boy Events** reveals Britain s recent past in the words of the actors who were shaping the events of the day This is living real time history

Hearings United States. Congress. Senate. Committee on Small Business,1956 *State of War* Anthony D.

Atwood,2025-09-16 A deeply researched history of Florida s strategic and military roles in World War II The first book to share the entire history of Florida s involvement in World War II *State of War* explores how the war transformed the state into a major hub of military industry and an important training base for ground naval and air forces Drawing on historic photographs military archival data and civilian reporting in newspapers of the time Anthony Atwood explores Florida s military history and geography during the war years The state offered strategic potential in both its available space and its location near critical sea lanes This unique combination made Florida the site of over 250 military installations and a

launching pad for US military power around the globe Florida was even a seat of war serving as headquarters for the Battle of the Gulf Sea Frontier against Nazi U boats Atwood also uses census data to show how the demographics of Florida were changed by the war Before World War II less than two percent of Americans lived in Florida and the state was seen as a quiet rural southern backwater During the war there were more soldiers than civilians in Florida and the influx of people led to rapid urbanization Atwood describes how hundreds of thousands of women helped build ships and aircraft and African Americans fought a battle in two fronts to win the war against the Nazis and to win civil rights at home World War II accelerated the state s relationship with the military and this book details the war s lasting impacts In addition to the airports and other infrastructure built during wartime Florida remains an important part of military operations Florida is now the base of three unified combatant commands of the US Department of Defense and is home to the third largest population of veterans in the nation

Bulletin National Association of Wool Manufacturers,1924 A bibliography of wool and the woolen manufacture v 21 1891 p 118 134

Red Skelton Wes Gehring,2008 For twenty years Hoosier comic Red Skelton entertained millions of viewers who gathered around their television sets to delight in the antics of his notable characters Gehring examines the man behind the characters someone who never let the facts get in the way of a good story He delves into Skelton s hardscrabble life with a shockingly dysfunctional family in the southern Indiana community of Vincennes his days on the road on the vaudeville circuit the comedian s early success on radio his up and down movie career with Metro Goldwyn Mayer and his sometimes tragic personal life

The Andrews Sisters H. Arlo Nimmo,2007-05-01 The Andrews Sisters the legendary singing trio of the 1930s 1940s and 1950s are the most successful female singing group in history and were the world s top selling group until the Beatles arrived Of the 605 songs they recorded 113 charted They also made 18 movies appeared regularly on radio and television and entertained three generations of GIs Based on extensive research unpublished letters and interviews with family friends and colleagues this book documents not only the lives and work of the Andrews Sisters but also the popular culture spanned by their long careers The book contains a complete discography of their released unreleased and solo recordings including recording dates record numbers and accompaniment Also included are a filmography and documentation of their radio and television appearances

Motion-Picture Distribution Trade Practices -- 1956, Hearings Before a Subcommittee of ... , 84-2 on Problems of Independant Motion-picture Exhibitors, March 21, 22, and May 21, 22, 1956 United States. Congress. Senate. Select Committee on Small Business,1956

Black Like You John Strausbaugh,2007-08-16 A refreshingly clearheaded and taboo breaking look at race relations reveals that American culture is neither Black nor White nor Other but a mix a mongrel Black Like You is an erudite and entertaining exploration of race relations in American popular culture Particularly compelling is Strausbaugh s eagerness to tackle blackface a strange often scandalous and now taboo entertainment Although blackface performance came to be denounced as purely racist mockery and shamefacedly erased from most modern accounts of American cultural

history Black Like You shows that the impact of blackface on American culture was deep and long lasting Its influence can be seen in rock and hip-hop in vaudeville Broadway and gay drag performances in Mark Twain and gangsta lit in the earliest filmstrips and the 2004 movie White Chicks on radio and television in advertising and product marketing and even in the way Americans speak Strausbaugh enlivens themes that are rarely discussed in public let alone with such candor and vision American culture neither conforms to knee jerk racism nor to knee jerk political correctness It is neither Black nor White nor Other but a mix a mongrel No history is best forgotten however uncomfortable it may be to remember The power of blackface to engender mortification and rage in Americans to this day is reason enough to examine what it tells us about our culture and ourselves Blackface is still alive Its impact and descendants including Black performers in whiteface can be seen all around us today

The Seventh Stream Philip H. Ennis, 1992-12 A cultural and social study of the origins and evolution of rocknroll

Billboard , 1949-01-15 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
