Shyest Man In The World:

Three Men in a Boat (illustrated) + Three Men on the Bummel + Idle Thoughts of an Idle Fellow: The best of Jerome K. Jerome Jerome K. Jerome, 2013-11-10 This carefully crafted ebook Three Men in a Boat illustrated Three Men on the Bummel Idle Thoughts of an Idle Fellow The best of Jerome K Jerome contains 3 books in one volume and is formatted for your eReader with a functional and detailed table of contents Three Men in a Boat published in 1889 is a humorous account by Jerome K Jerome It is a story of three men accompanied by a dog as they travel in a boat up the River Thames The book was initially intended to be a serious travel guide with accounts of local history along the route but the humorous elements took over to the point where the serious and somewhat sentimental passages seem a distraction The three men are based on Jerome himself the narrator J and two real life friends George and Carl with whom he often took boating trips The dog Montmorency is entirely fictional Because of the overwhelming success of Three Men in a Boat Jerome later published a sequel about a cycling tour in Germany titled Three Men on the Bummel Three Men on the Bummel also known as Three Men on Wheels was published in 1900 eleven years after his most famous work Three Men in a Boat To Say Nothing of the Dog The sequel brings back the three companions who figured in Three Men in a Boat this time on a bicycle tour through the German Black Forest Idle Thoughts of an Idle Fellow published in 1886 is a collection of humorous essays by Jerome K Jerome It was the author's second published book and it helped establish him as a leading English humorist While widely considered one of Jerome's better works and in spite of using the same style as Three Men in a Boat it was never as popular as the latter Jerome Klapka Jerome 1859-1927 was an English writer and humorist best known for the comic travelogue Three Men in a Boat Other works include the essay collections Idle Thoughts of an Idle Fellow 1886 and Second Thoughts of an Idle Fellow Three Men on the Bummel a sequel to Three Men in a Boat and several other novels **He's So Shy** Linda Cajio, 2013-04-08 In this charming tale a love for the ages leaps off the silver screen as a famous movie star emerges from his shell once and for all When Penelope Marsh last laid eyes on the gorgeous man standing before her Richard Creighton had been a skinny nerd with glasses Now he's one of the most popular actors in the world The only reason he's back in New Jersey is to play the lead in a period piece directed by Penelope's cousin But Penelope's too old for a schoolgirl crush especially when the crush in question is a sexy Hollywood hunk Still sometimes shocked to be the object of a pretty woman's desire Richard is most comfortable with the cameras rolling hiding behind the mask of his carefully crafted characters Penelope's presence on the set brings back memories of his painfully shy childhood and yet he's powerfully drawn to the willowy schoolteacher with the long legs and vivid blue eyes Most celebrity romances must weather promiscuous starlets and invasive paparazzi but Richard faces a different challenge altogether proving that he's come into his own since he was a kid not to Penelope but to himself Includes a special message from the editor as well as excerpts from these Loveswept titles Along Came Trouble The Notorious Lady Anne and Unforgettable *The New Monthly Magazine and Literary Journal*, 1831
