Tales of the Old Indian Territory and Essays on the Indian Condition John Milton Oskison,2012-06-01 At the beginning of the twentieth century Indian Territory which would eventually become the state of Oklahoma was a multicultural space in which various Native tribes European Americans and African Americans were equally engaged in struggles to carve out meaningful lives in a harsh landscape John Milton Oskison born in the territory to a Cherokee mother and an immigrant English father was brought up engaging in his Cherokee heritage including its oral traditions and appreciating the utilitarian value of an American education Oskison left Indian Territory to attend college and went on to have a long career in New York City journalism working for the New York Evening Post and Collier s Magazine He also wrote short stories and essays for newspapers and magazines most of which were about contemporary life in Indian Territory and depicted a complex multicultural landscape of cowboys farmers outlaws and families dealing with the consequences of multiple interacting cultures Though Oskison was a well known and prolific Cherokee writer journalist and activist few of his works are known today This first comprehensive collection of Oskison s unpublished autobiography short stories autobiographical essays and essays about life in Indian Territory at the turn of the twentieth century fills a significant void in the literature and thought of a critical time and place in the history of the United States Border Wars K. Adam Powell,2004 An in depth look at the

central location makes it a natural crossroads and the trails of yesterday became the superhighways of today Perhaps the best example is Route 69 also known as the Jefferson Highway The paved highway was begun in 1915 but its course was heavily traveled for centuries before that Engineers could map no better path than the generations who cut it through the wilderness out of necessity Author Jonita Mullins leads a journey along this ancient way that recalls some of Oklahoma s most important history and celebrates some of its most fascinating characters **Cowboys** Alton Pryor,2005 **The Cattle of**

the World Alvin Howard Sanders,1926 Cinderella's Slipper Mike Nemeth,2009-09 The Bowl Champion Series BCS is under fire from fans the media college coaches Congress and even our new President They worry that the two best teams in the country aren t consistently selected by the polls and the BCS computers to play for the National Championship At stake is prestige a place in history recruiting advantages and boatloads of cash The solution proposed most often is a playoff system

to give more schools a shot at a title However the problem of team selection won't go away with a playoff system it will be exacerbated The lack of a credible ranking system is the Achilles heel of the current BCS system Cinderella's Slipper reveals why the polls get it wrong why the BCS computers can't be expected to get it right why traditional statistics aren't useful for ranking teams and why won-lost records are misleading Cinderella's Slipper introduces the performance metrics necessary for team ranking and explains the rating system that can accurately rank teams with similar records When combined with NCAA sponsorship and an accurate ranking system a playoff scheme will produce deserving champions and will restore public confidence in the college football National Championship process **The Boy in the Book** Nathan

Penlington, 2014-05-22 When Nathan discovered a job lot of the first 106 adventures for sale on eBay there was never any question that he would place a bid When the books arrived he lost himself in the old adventures Yet as he flicked through the pages there was another story being written In the margins of each book were the scribbles of the little boy who had once owned them a little boy by the name of Terence John Prendergast Terence wrote jokes and hints for adventurers following the same stories as him More troubling among the notes were intimations of a tormented childhood of the boys and teachers who bullied him of the things he hated about himself and had to improve of his thoughts of suicide and his desperate need to find friends be liked and find somebody anybody to confide in THE BOY IN THE BOOK is Nathan's poignant recreation of the discovery of the fragments of Terence Prendergast's diary his quest to find the lost boy and the friendship that resulted from their first meeting In doing so Nathan is forced to examine his own childhood and as his relationship with Terence deepens he begins to believe that the two men are not so different and to reflect on the darkness that can exist in childhood *The*
