The PDS - A symbol of eastern German identity? Adrian Webb, 2009-03-26 Die Linke, the Left, is now Germany's third largest political party and the fourth largest political grouping in the Bundestag, Germany's parliament. Die Linke, however, is the result of a fusion in June 2007 between the left wing of the German social democratic party SPD and the Partei des demokratischen Sozialismus PDS, the successor to East Germany's former effectively Communist ruling party, the SED. In practice, the PDS contributed 60,000 of the new party's 72,000 members, making Die Linke an essentially eastern German party. Moreover, the PDS had been unique in enjoying a level of electoral success denied to other Communist successor parties which had not turned themselves into mainstream social democratic parties within the new liberal democratic order. This book, employing the period 2001-03 for its detailed analysis, suggests that this uniqueness is best understood as either an expression of eastern German national sentiment or as deriving from a reinterpretation of Marxism attuned to the interests of a democratic twenty first century society and the book explores

these alternative understandings in turn. Noting both the historic distinctiveness of German capitalism and the contradictions within German communism it concludes that the PDS now fused in Die Linke remains nourished by the particularism of eastern Germany.

Longman Companion to Germany since 1945 Adrian Webb, 2014-09-09 This new Companion provides a wealth of information on the history of Germany since the Second World War including much material which is not readily available. Attention is also devoted to topical issues such as opposition and dissent in the East, terrorism, neo nazism and racial violence. An essential reference book for anyone studying or teaching postwar Germany in history or politics departments.

Fully revised and updated, this new edition covers the advent of Tony Blair, the electoral victory of New Labour in 1997 and the major constitutional changes currently underway in Britain.
