At Home with Pornography Jane Juffer,1998 Juffer demonstrates how women s consumption of erotica and porn for their own pleasure can be empowering while simultaneously reinforcing conservative ideals She shows for instance how the Victoria s Secret catalog functions as a kind of pornography whose popularity is enhanced by both its reliance on Victorian themes of secrecy and privacy and by its appeals to the pleasures of modern career women In her pursuit to understand what women like and how they get it Juffer delves into adult cable channels erotic literary anthologies sex therapy guides cyberporn masturbation and sex toys showing the degrees to which these materials have been domesticated for home consumption

Look Homeward, Angel. A Story of the Buried Life Thomas Clayton Wolfe,2021-12-24 In Look Homeward Angel A Story of the Buried Life Thomas Clayton Wolfe presents a richly woven tapestry that captures the tumult of early 20th century American life Through the lens of the Gant family the narrative explores the profound themes of identity aspiration and the struggle to escape one s roots Wolfe s lyrical prose infused with vivid imagery and emotional depth serves as both a coming of age tale and a nuanced critique of the provincial life in Asheville North Carolina He employs a stream of consciousness style that challenges conventional narrative structures reflecting the complexities of human experience and the often buried desires within individuals Thomas Wolfe born in 1900 was deeply influenced by his own tumultuous upbringing and the eclectic cultural milieu of his time His experiences growing up in a family of diverse characters in Asheville directly inform the semi autobiographical elements of the novel Wolfe s profound psychological insight and passionate prose were shaped by both his academic pursuits and his personal quest for self understanding making him one of the most significant literary figures of the American Renaissance For readers seeking a deep and transformative literary experience Look Homeward Angel is an essential read It not only provides a profound exploration of human emotions and ambitions but also invites reflection on the universal search for self in a world filled with constraints This novel remains a timeless classic resonating with anyone who has ever yearned to break free from the past

Look Homeward, Angel & Of Time and the River Thomas Wolfe,2023-12-15 Thomas Wolfe s seminal works Look Homeward Angel and Of Time and the River offer a profound exploration of the human experience framed within the complexities of familial bonds and the quest for identity Utilizing a stream of consciousness narrative style Wolfe crafts an evocative tapestry of his semi autobiographical characters particularly the introspective Eugene Gant whose journey reflects the universal struggle between aspiration and the pull of home Set against the backdrop of early 20th century America these novels delve into themes of nostalgia memory and the passage of time all conveyed through Wolfe s lush lyrical prose that often teeters on the edge of the poetic Thomas

Wolfe an American novelist born in 1900 in Asheville North Carolina was greatly influenced by his own tumultuous upbringing in a family of stone masons and his experiences of both small town life and the vastness of the American landscape His formative years marked by the dichotomy of ambition and the warmth of home propelled him to articulate the intricacies of his personal narrative Wolfe s encounters with literary giants such as Sherwood Anderson and F Scott Fitzgerald further shaped his distinctive voice and experimental approach to storytelling Readers are encouraged to engage with Wolfe s works as they grapple with not only the nuances of Gant s experience but also the larger questions of belonging and self discovery This profound duality encapsulates a poignant reflection on life itself making both novels essential reading for those interested in the emotional depths of American literature

The Thomas Wolfe Review ,2006

Sex, Drugs and Creativity Dustin Kahoud,Danielle Knafo,2018-06-19

In Sex Drugs and Creativity The Search for Magic in a Disenchanted World Kahoud and Knafo take a close look at omnipotent fantasies in three domains sex drugs and creativity They demonstrate how these fantasies emerge and how artists draw on them both to create and destroy sometimes simultaneously and how understanding this can help psychoanalysts work more effectively with these individuals Using the personal statements of influential artists and entertainers in addition to clinical material the authors examine the omnipotence of self destruction as it contends with that of creative artists The authors argue that creative artists use omnipotent fantasies to imagine the world differently this enables them to produce their art but also leaves these artists vulnerable to addiction Chapters devoted to Stephen King and Anne Sexton demonstrate the ways these authors used drugs and alcohol to fuel imagination and inspire creative output while simultaneously doing harm to themselves A detailed case study also demonstrates successful clinical work with a creative substance user Sex Drugs and Creativity will appeal to anyone interested in the links between creativity and substance use and will be of great use to psychoanalysts and mental health practitioners working with these challenging clients

The Untold Story of the Talking Book Matthew Rubery,2023-01-18 A history of audiobooks from entertainment rehabilitation for blinded World War I soldiers to a twenty first century competitive industry Histories of the book often move straight from the codex to the digital screen Left out of that familiar account are nearly 150 years of audio recordings Recounting the fascinating history of audio recorded literature Matthew Rubery traces the path of innovation from Edison s recitation of Mary Had a Little Lamb for his tinfoil phonograph in 1877 to the first novel length talking books made for blinded World War I veterans to today s billion dollar audiobook industry The Untold Story of the Talking Book focuses on the

social impact of audiobooks not just the technological history in telling a story of surprising and impassioned conflicts from controversies over which books the Library of Congress selected to become talking books yes to Kipling no to Flaubert to debates about what defines a reader Delving into the vexed relationship between spoken and printed texts Rubery argues that storytelling can be just as engaging with the ears as with the eyes and that audiobooks deserve to be taken seriously They are not mere derivatives of printed books but their own form of entertainment We have come a long way from the era of sound recorded on wax cylinders when people imagined one day hearing entire novels on mini phonographs tucked inside their hats Rubery tells the untold story of this incredible evolution and in doing so breaks from convention by treating audiobooks as a distinctively modern art form that has profoundly influenced the way we read Praise for *The Untold Story of the Talking Book* If audiobooks are relatively new to your world you might wonder where they came from and where they're going And for general fans of the intersection of culture and technology *The Untold Story of the Talking Book* is a fascinating read Neil Steinberg *Chicago Sun Times* Rubery explores 150 years of the audio format with an imminently accessible style touching upon a wide range of interconnected topics Through careful investigation of the co-development of formats within the publishing industry Rubery shines a light on overlooked pioneers of audio Rubery's work succeeds in providing evidence to move beyond the reductive debate on whether audiobooks really count as reading and establishes the format's rightful place in the literary family Mary Burkey Booklist starred review
