Gilbert Beers,2007 Presents the Bible as a panoramic story unfolding in forty nine scenes that span the ages from Genesis to Revelation **Looking into the Revelation** Dr. Boyd O. Gray,2013-08 Since the Bible was first written the book of Revelation has provided readers with a glimpse of what is to come But even as the world rapidly fulfills the ancient Scripture many still avoid its obscure symbolic language which often lends itself to fanatical interpretation In *Looking into the Revelation* a seasoned pastor uses various version of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it Dr Boyd Gray a minister with more than thirty years of experience offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether As Dr Gray works his way through Scripture detailing the truths of John the Apostle and the predicted tribulations of the Antichrist he demonstrates through his interpretations that God s Word is the truth a message he hopes will motivate sinners to heed the Lord s gracious call to salvation *Looking into the Revelation* shares a careful examination of biblical text that seeks to encourage people of all faiths to reexamine their lives and their beliefs and to fall in love with the Lord Jesus Christ **Bible Study Manual** Michael Youngblood,2010-10 This book is a step by step guide of how to study the Bible You begin with a look at how the sequence of events And The background context determines the main lesson God intends For The passage Next you learn how to find additional passages about any Bible subject and how to find the root meaning of them The last part of this seminar shows you how all physical mental spiritual things can be understood and determined by three simple principles and ends on how to apply the Bible to your daily life Anyone can study and learn from the Bible even if they have had very

The Glorious Life of the New Creature in Christ Jennifer Nakuda,2024-10-15 Have you found out who you really are in christ do you know what you have and what you can do now that you are in christ get ready for a turn around of your life this book will transport you to higher realms of glory that were prepared for you in christ before the foundation of the world This timely book by jennifer nakuda contains timeless truth from the word of god for an extraordinary personal discovery in christ that will keep you winning everyday **Feminist Companion to Reading the Bible** Athalya Brenner-Idan,Carole Fontaine,1997-10-01 A Feminist Companion to Reading the Bible Approaches Methods and Strategies forms a conclusion to the series of 10 volumes published in the groundbreaking Feminist Companion to the Bible since 1993 Not only is this the companion to the Companion but it is at the same time the forerunner and companion to a second series of nine volumes of the Feminist Companion In all there will be a unique collection of 20 volumes representing the enormous range of influence that feminist criticism has come to have in biblical studies Anchored always in particular biblical texts the essays in this multi authored Companion to Reading the Bible have a distinct methodological slant reflecting the numerous developments in feminist criticism that have occurred since the first books in the series were published and forming an indispensable handbook for every biblical scholar and student today **Life After Death** William Landon,2008-10-07 THERE ARE FEW SUBJECTS IN HUMAN THOUGHT THAT RAISE SUCH STRONG EMOTIONS AS THE AFTERLIFE What if anything awaits us after we leave this physical world Are we reincarnated to try to get it right through another life Do we simply vanish Do we enter some state of bliss or torment based on our good deeds or lack of them It seems that there is no end of conjecture offered by human religion and philosophy on this subject Yet most of this seems to be nothing more than baseless speculation As we have no evidence indeed we cannot have any physical evidence of what becomes of us after our physical death it appears that we have no choice but to pick the idea that is most appealing to us and go with it It is true enough that we will ultimately pick the idea of the afterlife that we choose to believe to be correct yet this is a matter of sufficiently great importance to warrant our choosing wisely The source of information we choose to accept as the correct depiction of the afterlife is one of the most critical decisions we will ever make While this will ultimately be a matter of belief we owe it to ourselves to make our choice based on what these sources actually say and not on what we think they say or what others tell us they say This book is presented as a look at the Bible s teaching on the subject of the afterlife and the choices available to us for an existence after this present life is over The findings presented in this book are at considerable variance with the teachings of traditional institutional Christian church doctrine and dogma It is the author s hope that the points presented here will give the reader a different perspective of the biblical view of life death and afterlife
