Look What Came from Russia Miles Harvey,1999 Describes many things that originally came from Russia including inventions sports and games food fashion musical instruments animals arts and crafts and words **Look What Came from Russia** Miles Harvey,1999-01-01 Describes many things that originally came from Russia including inventions sports and games food fashion musical instruments animals arts and crafts and words **The history of Russia from the foundation of the empire to the war with Turkey in 1877-'78, by H. Tyrrell and H.A. Haukeil** Henry Tyrrell (teacher of elocution.),1879 *The Look of Russian Literature* Gerald Janecek,2014-07-14 Gerald Janecek describes the experiments in visual literature conducted from 1900 to 1930 the heyday of the Russian Avant Garde Focusing on an aspect of Russian literary history that has previously been almost ignored he shows how Russian writers of this period tried unusual methods to make their texts visually interesting or expressive The book includes 183 illustrations most from rare publications and many reproduced for the first time The author discusses such figures as the Symbolist Andrey Bely the Futurists Aleksey Kruchonykh Vasili Kamensky and Vladimir Mayakovsky and the post Futurist Ilya Zdanevich and their use of devices ranging from unorthodox layouts and florid typography to roughly done lithographed or handmade books Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Medievalism in Finland and Russia** Reima Välimäki,2022-11-03 Since the end of the Cold War the Middle Ages has returned to debates about history culture and politics in Northern and Eastern Europe This volume explores political medievalism in two language areas that are crucial to understanding global medievalism but are due to language barriers often inaccessible to the majority of Western scholars and students The importance of Russian medievalism has been acknowledged but little analysed until now Medievalism in Finland and Russia offers a selection of chapters by Russian Finnish and American scholars covering historiography presidential speeches participatory online discussions and the neo pagan revival in Russia Finland is currently even more poorly understood than Russia in the discussions about global medievalism It is usually mentioned only as of the birthplace of the Soldiers of Odin The street patrol is however a marginal phenomenon in Finnish medievalism as this volume demonstrates Instead of merely adopting the medievalist interpretation of the international alt right even the right wing populists in Finland refer more to the nationalistic medievalist tradition where crusades do not mark a Western Christian victory over the Muslim East but a Swedish occupation of Finnish lands In addition to presenting particular cases of medievalism the chapters here on Finland challenge and diversify today s prevailing interpretation of shared online medievalism of European and American right wing

populists This book reveals that while medievalisms in Finland and Russia share many features with the contemporary Anglo American medievalist imaginations they also display many original characteristics due to particular political situations and indigenous medievalist traditions They have their own meta medievalisms cumulative core ideas and interpretations about the medieval past that are thoroughly examined here in English for the very first time **Russia in the Age of Reaction and Reform 1801-1881** David Saunders,2014-07-30 This eagerly awaited study of Russia under Alexander I Nicholas I and Alexander II the Russia of War and Peace and Anna Karenina brings the series near to completion David Saunders examines Russia s failure to adapt to the era of reform and democracy ushered into the rest of Europe by the French Revolution Why despite so much effort did it fail This is a superb book both as a portrait of an age and as a piece of sustained historical analysis

Crime and Punishment: English and Russian, Illustrated Fyodor Dostoevsky,2014-06-26 This Bilingual English Russian Edition includes in original famous novel Crime and Punishment by Fyodor Dostoevsky translated by Constance Garnett in 1914 and illustrated 11 illustrations by Maria Tsaneva The text is arranged in parallel English Russian chapters the Russian are marked Italic This is a great way to read and listen to both English and Russian text You can read the entire chapter in English or in Russian or you can follow along as each individual English paragraph is paired with the corresponding Russian paragraph The text is relatively not very simple vocabulary and grammar wise so for beginners this should be a great challenge Crime and Punishment is a novel by Fyodor Dostoyevsky first published in the literary journal The Russian Messenger in twelve parts during 1866 It was later published in a single volume Crime and Punishment is the second of Dostoyevsky s full length novels following his return from ten years of exile in Siberia and the first great novel of his golden period of writing The novel focuses on the moral dilemmas of Rodion Raskolnikov an impoverished ex student in St Petersburg who formulates and executes a plan to kill an unscrupulous pawnbroker Raskolnikov argues that with the pawnbroker s money he can perform good deeds to counterbalance the crime while ridding the world of a worthless vermin He also commits this murder to test his own hypothesis that some people are naturally capable of such things and even have the right to do them He justifies his actions by comparing himself with Napoleon Bonaparte believing that murder is permissible in pursuit of a higher purpose
