Current Literature ,1928 Migration and Identity through Creative Writing Alka Kumar,Anna Triandafyllidou,2023-10-03

This open access book brings together storytelling and self narrative creative writing and narrative enquiry to explore a variety of topics in migration from an experiential lens The volume is hybrid and multi genre as it contains both scholarly chapters grounded in academic perspectives as well as personal essays and creative non fiction In addition to critical reflections on key migration topics and concepts like identity and diversity integration and agency transnationalism and return the scholarly chapters also propose a particular methodology for workshopping migration narratives and writing about personal lived experiences through iterations of scientific reflection narrative enquiry and creative imagination The book explores the potential of a new conceptual paradigm and methodological process to learn more and also differently about the migration experience Finally this volume asks a bigger question too how do we define the boundaries of research is it possible to entirely separate the spatial temporal and methodological parameters in which projects are developed and pursued and how can the specifics of these multiple contexts contribute to shaping the knowledge being produced
